Grant Purpose	EdExploreSRQ Turtle Tech will give our second and third grade students the experience of real-time science with hands-on sea turtle activities at Mote Marine Aquarium and Laboratory that correlates with our classroom learning of the five Atlantic Ocean Sea Turtles.
Grant Activities	Experts in Marine Biology will guide students to review and analyze current sea turtle data. They will facilitate students working in groups, to track sea turtles and determine trends, habits, and behavior in the data. The students will present their findings and their conclusions to their peers. In addition, students will observe and participate in discussions with Mote Scientist regarding sea turtles at Mote Marine's Aquarium Sea Turtle Exhibit. In addition, the students will tour the Aquariu
Grant Budget Items	Admission for 127 students at \$16.00 per student. Total \$2,032
After Grant Plans	Creating posters regarding sea turtle conservation and labeling 3 ways that they can help. Going home and talking with family members about their Mote experience. Continue with sea turtle activities.
