The School Board of Sarasota County, Florida General Fund Projected Results of Operations for the 2015-2016 Fiscal Year Based upon Results of Operations through February 29, 2016

Executive Summary

The General Fund has been updated based upon the results of operations through February 29, 2016. The state revenue changes are based upon the following: Receipt of the 3rd calculation of the Florida Education Finance Program based upon the October student FTE count and receipt of \$1,354,028 for the Best and Brightest Scholarship program. State wide the number of students reported for funding is 2,068 students below the original projection. The number of the state wide increase from last year is 28,266 students. The 2015-2016 Sarasota student funded number of students is 536 less than the estimated number of students to be funded. The reduction of 536 students reduces revenues from the Florida Education Finance Program by approximately \$3.8 million for a net reduction in state revenues of approximately \$2.5 million. Local revenues have been adjusted to reflect a 97% collection rate of property taxes rather than a 96% level. There is a change in transfers-in based upon receiving additional Public Education Capital Outlay funds of \$10,295 and the negotiated salary agreement that will increase maintenance salaries funded from the transfer from the Capital fund. Appropriations have been adjusted to reflect the results of operations through February 29, 2016, and the negotiated salary agreement. In summary, the ending gross fund balance as of June 30, 2016, is estimated to increase by \$1,013,002. The original budget approved September 15, 2015, was to use \$1,549,100 of the unassigned fund balance. The ending unassigned fund balance as of June 30, 2016, is estimated to be \$34,160,348 or 8.26% of total appropriations. The financial pages of the operating fund follow the table summary information below.
