

Venice High School

An aerial photograph of Venice High School. The school is a large, modern complex with multiple buildings and a central green field. A road curves around the field. In the background, there is a river and a large green field. The sky is clear and blue.

10 Mind Frames for Visible Learning

I am an evaluator.

I see assessment as feedback to me.

I inform all about the language of learning.

I enjoy challenge.

I collaborate

I engage in dialogue not monologue.

I talk about learning not about teaching.

I develop positive relationships.

I am a change agent.

I see learning as hard work.

VHS Connects

What makes our students
want to come to school
each and every day?

On a weekly basis, students select from a choice of activity offerings that include:

- Teacher-sponsored clubs, activities, or hobbies
- Co-curricular and extracurricular activities
- Student government
- Grade-level or program advisory sessions
- Student advising and/or mentoring
- Case managing/counseling
- College and career exploration
- Academic support

Rotary Futures Resource Center

- Venice High School's Rotary Futures College Resource Center helps our students with identifying scholarships, preparing letters, college applications, financial aid (FASA), and much more.
- This has been an invaluable resource to our students and parents for 17 years at Venice High School.
