Grant Purpose	Alta Vista is fully implementing the new Florida Standards for English Language Arts (ELA) in all grades and all content areas. Teachers are helping students prepare for college and careers by tackling complex texts and close reading. As a result, teachers and students are turning to the Media Center for supplemental reading and math materials that have more complex and engaging text. Therefore, we need additional funds to purchase and update our collection.
Grant Activities	A grant from the Laura Bush Foundation will allow Alta Vista Elementary to address the needs of all of our students. We would be able to purchase approximately 350 hard cover books. Teachers will be able to utilize these books in their classrooms as part of whole or small group instruction, or students will be able to check them out for independent reading and enjoyment. The grant-funded books will play a key role in raising student achievement in ELA, science, math and social studies.
Grant Budget Items	The grant funding money would all be used to purchase new books for our Media Center. These would include both fiction and non fiction books in all content areas.
After Grant Plans	The books that are purchased with the grant money will be available to students, teachers and parents over the next several years. This grant would have a lasting affect on our school.
