Schools/Programs to be served by this grant	# of staff impacted	# of students impacted	# of parents impacted
High schools	10	1,500 every year	N/A

Does this grant require matching funds? Yes No If yes, what amount? _____ How will these funds be raised? _____

Grant Description

Please fill in all blanks. Do not refer to attachments in your summaries. Do not attach separate sheets.

Briefly summarize the overall purpose/objective of the grant and indicate how this grant will contribute to the needs and goals of your School Improvement Plan and/or District Plan. (Not grant activities)

Funds will create a high school science teacher training program focused on watershed and environmental issues. Local non-profit organizations will collaborate to create a week-long, summer training institute to promote hands-on, real-world science experiences for teachers that they can bring to their classrooms. This train-the-trainer model will support all school improvement plans to improve student understanding of science concepts.

Briefly list grant program activities (what is going to be done with the grant funds):

The Sarasota Environmental Council will work with its non-profit partners in the community to provide a week-long training program for high school teachers. Follow-up meetings with teachers will help them develop classroom activities.

Please provide a brief explanation of pertinent budget items that will be funded through this grant. (Please indicate if funds will be used for new/old staff position, contracted services, travel, materials/supplies, equipment/furniture, facilities, and other applicable items.)

Supplies, travel, contractual costs to Sarasota Environmental Council and local non-profits to provide teacher training, facility rental, teacher stipends, overtime pay for Curriculum bookkeeper and administrative assistant.

How will grant activities be continued after the end of grant period?
 Additional funding will be sought to continue once NOAA funding ends.
