School Served	The grant provided 500 students from all the High Schools in Sarasota County. The overall purpose was to convey the message that inclusiveness is good for business and good for Sarasota. But we also want to convey a strong message to the student audience that education and working within the system is the way to accomplish social change. Thus, in the program we use landmark US Supreme Court decision and how they impacted Sarasota as the backdrop to demonstrate the compelling story of Sarasota's evolution from a segregated community in the 1950's to today's growing diverse community.
