	95% of the students at our school are on free or reduced lunch. Without this grant our students would

Grant Purpose	not be able to participate in field trips. The purpose of this grant is to provide all first graders with the opportunity to explore and to learn, through hands on activities about the solar system and marine life. By establishing a solid scientific foundation in the primary grades FCAT scores in science will continue to improve.
Grant Activities	Students will take field trips to three venues located in Sarasota. At Mote Marine the children will learn about sea turtles and dolphins. At the Riverview Planetarium and G.WIZ students will participate in programs that will expand their knowledge of our solar system and beyond.
Grant Budget Items	The money from the grant will be used for admission tickets and transportation.
After Grant Plans	The knowledge and experience that the students will gain from participation in this grant will form building blocks that can be expanded to aid in learning throughout the first grade curriculum.
