Intensive Reading/Science Inquiry	5	250	250
Grant Description			
<small>Please fill in all details. Do not refer to attachments in your summaries. Do not attach separate sheets.</small>			
Briefly summarize the overall purpose/objective of the grant and indicate how this grant will contribute to the needs and goals of your School Improvement Plan and/or District Plan.			
Project #1: Middle school striving readers who did not pass the FCAT Reading, will boost their own phonemic awareness, phonics, fluency, vocabulary, and comprehension skills, by being "Book Buddies" and producing alphabet/early reader books for younger students.			
Project #2: Students in the Science Enrichment class will become "experts" in their field of Land, Water, Air, and Wildlife.			
Briefly list grant program activities (what is going to be done with the grant funds):			
Project 1: Students will be book buddies for younger students visiting them monthly and authoring a book for their book buddy each semester.			
Project 2: Students will host "Every Day is Earth Day" activities for peers and younger students including on April 22, Earth Day after becoming experts in their fields of environmental science.			
Please provide a brief explanation of pertinent budget items that will be funded through this grant. (Please indicate if funds will be used for new/old staff position, contracted services, travel, materials/supplies, equipment/furniture, facilities, and other applicable items.)			
transportation, arts and craft materials, laboratory supplies			
How will grant activities be continued after the end of grant period?			
If we cannot obtain other funds to provide the transportation to the book buddy schools, we might be able to set up a video conferencing book buddy experience. The science classes can continue to learn about their areas of expertise after the grant is over but will need to find funds to cover the field experiences.
