Re: AT&T and Alltel Communications
Site Name: SA05/SA005/Osprey
Property ID: 10080838
301 Old Venice Road, Osprey, Sarasota County, FL 34229

Dear Mr. Lempe:

While working with other carriers to limit the proliferation of telecommunication towers throughout our communities, New Cingular Wireless PCS, LLC (Sarasota Cellular Telephone Company) is proposing to enter into a sublease agreement to allow Alltel Communications to attach their antennas to that existing tower, located on the parcel of property that we currently lease from the Board of Education for Sarasota County at the above-referenced address. The Lease Agreement dated August 17, 1993 provides in section 17, "This Lease may not be assigned...and no portion of the Leasehold Premises shall be sublet without the prior written consent of Lessor [Sarasota County Board of Education]" Approval for AT&T's sublease to Alltel will be represented by the execution of this document where referenced below.

Upon your approval of the sublease with Alltel, please execute these two documents, and forward one original to me for AT&T's records. I have enclosed a self-addressed, stamped envelope for your convenience. If you have any questions, please do not hesitate to contact me at 916-868-6751 or tbowman@lyleco.com.

Sincerely,

Todd Bowman
Collocation Department

As to the sublease between Sarasota Cellular Telephone Company and Alltel Communications, at 301 Old Venice Road, Osprey, Florida 34229, consent is hereby granted this _____ day of _____, 2008.

Sarasota County Board of Education
