Our strategic objectives are to:

Improve the quality of service delivered to all schools

Involve users of services – in particular Principals – in the service delivery process

Increase sensitivity to the needs of the Schools among Facilities Services employees

Reinforce and improve skills among all Facilities Services employees

Refine a centralized structure with decentralized service delivery capability in order to provide timely service at lower cost

Upgrade and introduce Managerial support systems

Further refine and accelerate energy management efforts

Redirect maintenance expenditures from emergency and routine services to planned projects

Relate Facilities Services expenditures to the Board's financial planning

Identify maintenance deferrals And develop a plan to address Major concerns
