Grant Description

Please fill in all blanks. Do not refer to attachments in your summaries. Do not attach separate sheets.

Briefly summarize the overall **purpose/objective** of the grant and indicate how this grant will contribute to the needs and goals of your School Improvement Plan and/or District Plan. (Not grant activities)

This grant targets reading and writing, two of our main SIP focal areas. Our field trip to the Ringling museum will serve as a motivating force as students read and critically interpret literature.

Briefly list **grant program activities** (what is going to be done with the grant funds):

Students will be reading two novels portraying different time periods and cultural experiences but written by noted contemporary authors. These books will present and support our inquiry based learning question, "How does Culture Impact us?". I would like for the books to become the students' own books. As inspiration for our writing, we will visit the Ringling Museum of Art that captures in art cultural and time period themes.

Please provide a **brief explanation of pertinent budget items** that will be funded through this grant. (Please indicate if funds will be used for new/old staff position, contracted services, travel, materials/supplies, equipment/furniture, facilities, and other applicable items.)

Two novels for every student.
Field trip to the Ringling Museum.

How will grant activities be continued after the end of grant period?

Our inquiry based reading and writing will continue all year, reaching across time periods, genres, and human experiences.
