1. Longevity will be granted on an annual basis for administrative service within any Sarasota County Schools Administrative Salary Schedule in accordance with the following schedule:

	<u>% of Base</u>
07 to 09 years	3%
10 to 12 years	6%
13 to 15 years	9%
16 to 18 years	12%
19 to plus	15%

Longevity payments are available to only those administrators with an effective date of hire prior to July 1, 2011.

Longevity is computed by multiplying that percentage shown above by the Base Salary, Step 1, in any given salary lane.

Longevity payments are added to the regular salary amount and are based upon years of service as an administrator in the District. Additionally, individuals compensated on the Principal/Assistant Principal salary schedule will be granted one year of credit for every four years of service in a School Board of Sarasota County bargaining unit position.

Longevity payments will apply towards retirement credit.

Longevity payments for the 2011-2012 school year will be frozen at the 2010-2011 amount.

2. **EDUCATION SUPPLEMENT:** Thirty (30) semester hours beyond the masters degree earned at an accredited institution, forty-five (45) semester hours beyond the masters degree earned at an accredited institution, or an earned Ph.D. or Ed.D. from an accredited institution will add salary supplement on an annual basis according to the following schedule.\* (Note: Persons hired to fill any new or vacant position on this salary schedule will be paid this supplement only if the 30 hours, 45 hours, or the doctoral degree are in subjects related to their job responsibilities. An employee may appeal any denial of supplement to the Superintendent).

Masters + 30 = \$1,000*	Masters + 45 = \$1,500*	Ph.D. or Ed.D. = \$2,000*
-------------------------	-------------------------	---------------------------

\*Note: The education supplement for Maters+30 and Masters+45 does not apply to individuals with a district hire date on or after July 1, 2011.

Employees will receive their normal longevity progression for the 2012-13 school year and will be advanced an additional longevity step to compensate for any longevity progression not granted for the 2011-12 school year.

Any employee not receiving a salary increase due to longevity progression will receive a cash bonus equal to three percent (3%) of Step One of the employee's current salary lane. Any employee receiving this bonus will be paid one half of that bonus on his or her December 14, 2012 paycheck and the remainder on his or her June 14, 2013 paycheck.
