Grant Description

Please fill in all blanks. Do not refer to attachments in your summaries. Do not attach separate sheets.

Briefly summarize the overall purpose/objective of the grant and indicate how this grant will contribute to the needs and goals of your School Improvement Plan and/or District Plan. (Not grant activities)

The purpose of this project is to expand our students' music knowledge through the use of Chimes. This project is based on the premise that every child needs to hear, perform and create music to a fully educated person. All students will have the opportunity to learn to read and perform music through the use of lessons based on the National Standards for Music Education. Reading music helps support reading in general.

Briefly list grant program activities (what is going to be done with the grant funds):

- 1) Drama will be brought to the classroom with the use of storybooks that call for ringing chimes to convey musical ideas. The storybooks give a visual guide for the students to follow.
- 2) Music Charts will include everything from rhythm exercises to sing-along songs to blues tunes.
- 3) Favorite children's songs will be used for the students to play and then perform.
- 4) Vocabulary Cards will be used for teaching musical vocabulary. These cards have the vocabulary words on one side with the definition on the other side.
- 5) Story Cards will be used for increasing students' imaginations as they come up with their own stories utilizing chime sounds. They also teach students to work together in a group.

Please provide a brief explanation of pertinent budget items that will be funded through this grant. (Please indicate if funds will be used for new/old staff position, contracted services, travel, materials/supplies, equipment/furniture, facilities, and other applicable items.)

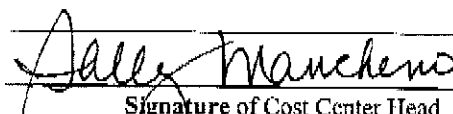

Fund will be used for new Equipment that is spelled out in the Weller Grant.
 1) Chimes, Tables, Curriculum, Foam, Covers for Foam, Table Music Stands, Table Risers for music, etc...

The funds will be used strictly for equipment for the students and curriculum materials for Music Teacher.
