Does this grant require matching funds? X Yes No If yes, what amount? _____ How will these funds be raised? In-kind match is allowed, and partners are donating materials and time.Grant DescriptionPlease fill in all blanks.Do not refer to attachments in your summaries.Do not attach separate sheets.Briefly summarize the overall **purpose/objective** of the grant and indicate how this grant will contribute to the needs and goals of your School Improvement Plan and/or District Plan. (*Not grant activities*)

- Goals:
- Reduce the impacts of stormwater runoff and energy use through green roofs
 - Use green roofs to demonstrate the connections between water, air and energy
 - Elevate the school district's role as an educational and research leader

Briefly list **grant program activities** (*what is going to be done with the grant funds*):

Pine View lead teachers will work with partners (SWFWMD, Sarasota County Environmental Services, University of Central Florida, Ringling School of Art and Design, Sarasota Bay Estuary Program, Murton Roofing, Uniflex, GAF Corp, Fibertight, Republic Powered Metals) to provide teachers training on stormwater runoff, green building and other environmental issues. Green roof modules will be provided to all schools to bring the learning to students.

Please provide a **brief explanation of pertinent budget items** that will be funded through this grant. (*Please indicate if funds will be used for new/old staff position, contracted services, travel, materials/supplies, equipment/furniture, facilities, and other applicable items.*)

Supplies, contract to Pine View teachers to lead training, teacher stipends, plants, building supplies, rain barrels and watering hoses, classroom probes and monitoring equipment, indirect costs

How will grant activities be continued after the end of grant period?

No additional funds will be needed: green roofs will be in place with minimal maintenance needed, training will be complete, online professional learning community will be up and running.
