Grant Purpose	The CSP is to provide funds to support a newly approved public charter school in planning and initial implementation. The objective is to have a school that is equipped to provide students with the necessary up-to-date materials and technology to be successful in the 21st century.
Grant Activities	Our grant funds will be used to obtain equipment that is reliable, technologically up-to-date, and educationally relevant. We will be purchasing furniture, computer equipment, and educational materials. Grant funds will also be used for startup costs of principal and registrar salaries three months prior to opening and financial costs related to lease and consultant fees.
Grant Budget Items	Furniture, technology equipment, library books, textbooks, software for educational purposes, plus expanding internet capabilities to enable access to the district and state testing. Also included are costs for library and inventory tracking hardware and software, visitor/volunteer tracking program, professional development, principal and registrar salary (3 months prior to opening), facility lease (2.5 months prior to opening), and Florida Consortium of Charter Schools dues (first year only).
After Grant Plans	All equipment and materials purchased will continue to be used by the school to enhance student learning.
