Grant Purpose	With our growing theatre program, students have become more interested in learning about all aspects of theatre, including the technical side (sound, lights, etc). Upgrading this equipment will allow students to learn all of these skills as they help produce annual theatrical productions and assist with other fine arts performances at the school. Learning these skills are useful for students that wish to pursue a career in technical theatre or any vocational job setting.
Grant Activities	The objective of this project is to update existing equipment and procure new equipment in order to produce theatrical and fine arts performances with a focus on student operation of technical equipment.
Grant Budget Items	Digital 16 channel mixer w/ install - 2500 (for use in musical theatre and choir performances). Follow spotlight - 1298 (for use in musical theatre and choir performances). Lighting interface - 560 (provides ability to computerize lightboard. Used in all fine arts performances.
After Grant Plans	Students in the theatre program will continue to learn to operate this equipment in a safe and professional manner for future fine arts performances at Woodland Middle School.
