This project supports the NeXt Generation pillars of People, Quality and Resources. Its goals are to increase parent involvement in the child's literacy development, encourage children and their parents to work through early literacy skills and strategies, as well as encouraging parents to become a positive and caring force in their child's reading development. These help achieve the district's goals to improve student literacy and reading abilities.

In addition, one coordinator per school and three teachers per school will present workshops to parents.

How will grant activities be continued after the end of grant period?

The grant includes funds to maintain the Literacy Corner, and teachers will continue to use the new knowledge gained from the workshops long after they are over. If the Community Foundation does not renew funding, other activities will end.
