2. To cause no unnecessary or unreasonable obstruction or interruption of travel over or upon the property.

7. To the expressed monetary limits of Section 768.28, Florida Statutes, and without any additional waiver of sovereign immunity, to indemnify and hold Grantor harmless from any and all claims for the payment of any compensation or damages resulting from the use by Grantee of the easement, to the extent permitted by law; provided, however, that this indemnification shall not extend to any portion of any compensation or damages caused by either the sole or contributory negligence of Grantor.

8. To use the easement with due consideration for the rights of the property owners and other easement holders, it being understood that this easement is a nonexclusive easement.

The provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

Grantor covenants with the Grantee that the Grantor is lawfully seized of said land in fee simple; that Grantor has good right and lawful authority to grant this easement and shall take no action to interfere with the Grantee's lawful use of said easement; that the Grantor hereby fully warrants the easement being granted and will defend the same against the lawful claims of all persons whomsoever.
