The Program and Staff The Venice YMCA School Age Program is a licensed center. We are dedicated in providing quality school age child care to residents in the South County and surrounding areas.

Children are placed in age appropriate groups and participate in a daily rotation that includes but is not limited to; homework time, arts & crafts, guest speakers, enrichment programs/specialty clubs, physical fitness activities, learning centers and much more. The YMCA provides a nutritious daily snack. Our School Age Child Care staff is specially selected, trained and screened by local, state & federal agencies. Because the children are very important to us, ongoing training is required.
