Grant Purpose	Our project is designed to give students with special needs a voice to communicate their thoughts and feelings with both peers and adults.
Grant Activities	First, a Speech Language Pathologist (SLP) at our school will meet with each teacher to determine each students' most optimum method of communication and to identify specific augmentative/assistive communication (AAC) needs for each classroom. With this information, the SLP will provide the classroom with the technology needed to meet the identified needs. This may take the form of single message switches which a teacher can use to program a message that the student can "speak" (by touching t
