Grant Purpose	Our purpose is to bring Mote Marine Mobile lab to the school to inspire art and science students
Grant Activities	The Mote Mobile will be at our school for 2 days. All of the 550 art students and many of the science students will visit the lab. The art students will examine the animals and objects of the exhibit to do art projects. The science students will study the exhibit to do a project in their classes.
Grant Budget Items	The only thing we need is to pay for the mote Mobile. It will cost \$1000.00 per 6 hour day. Since the art classes have an A/B schedule--we would need two days to include all of our students.
After Grant Plans	We will continue the art projects based on our exploration of Mote Mobile and we will have a show of the artwork here at school.
