Writer State	
Writer Zip Code	
School Served	Tatum Ridge Elementary
Number of Staff Impacted	22
Number of Students Impacted	328
Number of Parents Impacted	328
Grant Purpose/Objective Information	
Estimated Start Date	11/20/2017
Estimated End Date	5/1/2018
Grant Purpose	This leveled text library will put books in the hands of students on their instructional and independent reading levels. Teachers will be able to conduct flexible guided reading groups using text that meets the differentiated needs of the K-2 classroom. Using leveled text in guided reading is a research proven technique to help students problem solve the reading process in an accelerated fashion. These supplemental texts and resources keep the reading group time fast paced and fun.
Grant Activities	Activity 1: All kindergarten, first, and second grade teachers will receive training from our school's Reading Recovery Teacher on how to incorporate the leveled text and guided reading format into their classrooms. Activity 2: Parents will be given information regarding the grant and inviting them to use these texts with their students regularly. Activity 3: The leveled library will become a source of supplemental guided reading materials that begins in the classroom and moves to home.
Grant Budget Items	The budget items are all leveled book sets used by teachers in guided reading. The teachers can build student bags of books on the instructional and independent reading levels of the student and send them home for parents to read with their students as well. Fountas and Pinnell and Reading Reading are the publishers being used.
After Grant Plans	This leveled library will continue to be used by teachers and students for years to come. 100% of the funds are going towards the purchase of books to build a library based on the

	students guided reading levels across grades K, 1, and 2. This well-managed library will be available to teachers until the books are too worn to use.
