Grant Purpose	During the 2016-2017 school year we will continue our school wide anti-bullying campaign that will target the following goals. First, enhance our plan for preventing bullying situations. Second, highlight support staff and Atwater community members as resources. Third, provide ongoing opportunities for teachers and students to support each other in bullying situations, and finally, provide yearlong bully prevention activities and targeted lessons for all students.
Grant Activities	The campaign is structured with a variety of components including a school-wide Declaration, an artwork contest and gallery walk, student curriculum, restorative strategy circles, yearlong anti-bullying activities, and, last but not least, an anti-bullying spirit shirt.
Grant Budget Items	The main purpose for the grant funding is for our anti-bullying spirit shirts. Our anti-bullying spirit shirt is a very important component of this campaign, because it will allow us to not only embrace our diversity and differences, but celebrate each other and build a sense of community. When we come together as a school and wear our spirit shirt, this will unite our kids in creating a school wide bully free zone.
After Grant Plans	

	Our anti-bullying campaign is a program that we implement every school year so it is definitely something that will be continued after the end of the grant period.
