THE SCHOOL BOARD OF SARASOTA COUNTY, FLORIDA

2016-2017 BUDGET DEBT SERVICE FUNDS

DEBT OVERVIEW

The Debt Service fund is used to retire the indebtedness of the School District, which has been incurred for capital outlay projects. Debt Management Policy 7.102, adopted on June 17, 2008, provides guidance for incurring and managing the debt of the District. Debt instruments are used to finance new school construction, renovate existing facilities, as well as facilitate major purchases such as computers and other capital equipment.

The District's long-term debt is in the form of Capital Outlay Bond Issues (COBI), Certificates of Participation (COPs), and Lease Purchase Agreements for personal property.

The Debt Service budget for 2016-2017 is \$46,100,720. This reflects a \$63,704,570 or 58.02% decrease from the actual 2015-2016 fiscal year of which \$2,126,395 represents payments made into the sinking fund reserve balance for the Series 2010-A Qualified School Construction Bonds (QSCB) and \$68,168,044 represents payments made to an escrow agent for the advance refunded portion of the Series 2009 and Series 2010-B Certificates of Participation. The District will receive \$1,944,861 in revenue from the Internal Revenue Service as a direct payment credit subsidy to offset interest expense for our QSCB.

Capital Outlay Bond Issues (COBI)

The State Constitution provides that a portion of motor vehicle license tax revenues may be dedicated to local school districts. These revenues may be used by the State to issue bonds on behalf of a school district. Annually, the Department of Education notifies each district of the amount of potential bonding capacity available to the district. At the district's request, the State issues COBI bonds on behalf of the district, withholding sufficient motor vehicle tax revenues to cover the debt service and administrative expenses. Each year, the Department of Education provides the District with "book entry" information showing the status of our State Board of Education bond account.

The District has a total of \$6,926,000 in outstanding bonds payable for Series 2006-A, 2008-A, 2009-A, 2010, 2011-A, 2014-A and 2014-B. (See pages 8 and 10 for further detail)

Certificates of Participation (COPs)

A Certificate of Participation (COP) is a pro-rata share of future lease payments and is repaid by transfers from the Local Capital Improvement Fund whose revenue is derived from property tax levies as authorized by Section 1011.71(2), Florida Statutes. The lease purchase financing of capital improvements through the issuance of COPs is a technique

frequently utilized by Florida school districts to finance school facilities. District policy 7.102 states that lease payments shall not exceed fifty percent (50%) or 1.0 mills of the authorized capital outlay millage, unless approved by a supermajority of the School Board.

The District currently has the following financing arrangements outstanding (See pages 9 and 10 for further detail):

Series 2009

On March 25, 2009, the District entered into a financing arrangement (School Board of Sarasota County, Florida - Certificates of Participation, Series 2009), whereby the District secured financing of various educational facilities in the amount of \$75,625,000

The District properties included in the ground lease under this arrangement are Sarasota County Technical Institute and Atwater Elementary School.

The lease payments on the Series 2009 issue are payable by the District semiannually on June 15 and December 15 at interest rates ranging from 4.375 to 5.50 percent.

On April 28, 2016, the District advanced refunded the callable portion of the Series 2009 in the amount of \$31,235,000 and will realize a net present value debt service savings of \$2,214,266 or 7.09%.

Series 2010-A

On June 28, 2010, the District was awarded an allocation of \$43,026,000 in Federal Qualified School Construction Bond program funds as authorized in the American Recovery and Reinvestment Act of 2009 (ARRA). On September 1, 2010 the District entered into a financing arrangement (School Board of Sarasota County, Florida - Certificates of Participation, Series 2010A QSCB), whereby the District secured financing of various educational facilities for the allocation amount of \$43,026,000.

The District property included in the ground lease under this arrangement is Booker High School.

The lease payments on the Series 2010A issue are payable by the District semiannually on June 15 and December 15 at the fixed interest rate of 4.94%. The District also receives a direct payment credit subsidy from the Internal Revenue Service at the rate of 4.85% for a net interest cost to the District of .09%. As of March 1, 2013, as a result of the Balanced Budget and Emergency Deficit Control Act of 1985, more commonly referred to as sequestration, the direct payment credit subsidy amount was reduced by 8.7% for June 30, 2013, 7.2% for June 20, 2014, 7.3% for June 30, 2015 and 6.8% for all direct payment credit subsidies thereafter until September 30, 2017, for a net subsidy amount of 4.52% for 2016-2017 fiscal year. An annual deposit into the sinking fund of \$2,085,087 (as adjusted for current investment yields) is required to repay the principal balance due July 1, 2027.

Series 2010-B

On September 16, 2010 the District entered into a financing arrangement (School Board of Sarasota County, Florida - Certificates of Participation, Series 2010-B), whereby the District secured financing of various educational facilities in the amount of \$70,070,000.

The District properties included in the ground lease under this arrangement are Booker High School and Venice High School.

The lease payments on the Series 2010-B issue are payable by the District semiannually on June 15 and December 15 at interest rates ranging from 3.00 to 5.00 percent.

On April 28, 2016, the District advanced refunded the callable portion of the Series 2010-B in the amount of \$28,460,000 and will realize a net present value debt service savings of \$1,642,888 or 5.77%.

Series 2016

On April 28, 2016 the District entered into a financing arrangement (School Board of Sarasota County, Florida - Certificates of Participation, Series 2016), whereby the District advanced refunded the callable portions of the Series 2009 and Series 2010-B Certificates of Participation in the amount of \$68,365,000.

The proceeds from the Series 2016 issue have been placed in escrow to pay the lease payments on the refunded certificates until the call dates of July 1, 2019 for the Series 2009 and July 1, 2020 for the Series 2010-B.

The District was able to achieve \$3,857,154 of net present value debt service savings or 6.46% of the refunded par amount. This equates to approximately \$450,000 of annual savings through July 1, 2024 and \$183,000 on July 1, 2025.

The lease payments for the Series 2016 issue are payable by the District semiannually on June 15 and December 15 at a fixed interest rate of 1.74%.

DEBT SERVICE LEGAL LIMITS

General Obligation Bonds

The Florida State Board of Education Administration Rule 6A-1037(2) establishes a parameter on bonded indebtedness for school districts. Limits are computed as ten percent of the assessed value of taxable property as of the most current year. The District can bond approximately \$5 billion with voter approval. Funds may be used for schools listed in the advertised project list.

Calculation:

Non-Exempt Assessed Valuation of Sarasota County – 2016	\$54,838,821,256
Limit of Bonded Indebtedness (10% of Assessed Valuation)	\$5,483,882,126

Certificates of Participation (COPs)

According to Section 1011.71(2)(e), Florida Statutes, debt service may not exceed an amount equal to three-quarters (75%) of the proceeds from the capital millage levied by the School Board. These revenue certificates are used as payment for educational facilities, sites, equipment, and buses under a lease purchase agreement entered into by the School Board. In addition, the School Board adopted Debt Management Policy 7.102 provides debt service shall not exceed fifty percent (50%) or 1.0 mills of the authorized capital outlay millage, unless approved by a supermajority of the School Board.

Non-Exempt Assessed Valuation of Sarasota County – 2016	\$54,838,821,256

Approximate Additional COPs Borrowing Capacity **\$264,927,260**

AVAILABLE BORROWING CAPACITY – OTHER DEBT INSTRUMENTS

In addition to the previously listed debt instruments that the District currently employs, the following options are also available. With the exception of Emergency Loans, the School Board has expressed no interest in pursuing any of these options at this time.

General Obligation Bonds

Pursuant to Sections 1010.40 and 1010.41, Florida Statutes, each school district is allowed to seek a voter-approved general obligation bond issue. The referendum, if approved, allows payment of the debt using local debt service millage as required to retire the annual principal and interest payments of the bond issue. Since it is voter approved, the school board must pay for the election and the annual commission to the County Tax Collector. As stated on page 4, the limit on the amount of General Obligation Bonds that a school district can issue cannot exceed a value equal to 10% of the assessed value of taxable property on the tax roll.

Special Revenue Bonds

The State of Florida Constitution and Statutes provides school districts authorization to bond recurring revenues. These special revenue bonds are limited and special obligations of the district payable solely from and secured by a prior lien upon and pledge of the proceeds received by the District from the levy and collection of a discretionary sales surtax pursuant to Section 212.055(6), Florida Statutes. The bonds and the indebtedness evidenced thereby do not constitute a lien upon any property of the district, but constitute a lien only on the pledged funds as provided in a bond resolution.

Loans Pursuant to Section 1011.14, Florida Statutes (Emergency Loans)

Section 1011.14, Florida Statutes, allows for the creation of obligations by way of anticipation of budgeted revenues accruing on a current basis without pledging the credit of the district or requiring future levy of taxes for certain purposes for a period of one year. Such obligations may be extended from year to year with the consent of the lender for a period not to exceed four (4) years, or for a total of five (5) years including the initial year of the loan.

DISTRICT BOND RATINGS

Sound financial management and the School Board's commitment to maintaining a healthy fund balance have led to very high bond ratings from all three major rating agencies. Debt issued by the School District of Sarasota County is considered to be of high quality and very secure. The high bond ratings translate to lower interest rates on District debt issues and save millions in interest expenditures. The District is currently one of the highest rated school districts in the State of Florida. Below is a breakdown of the bond ratings:

Rating Agency	Long Term – General Obligation Bonds	Long Term – Certificates of Participation	Ratings Outlook
Fitch	AA+	AA	Stable
