

**Agreement Between The
School Board of Sarasota County, Florida
And
Sarasota Military Academy, Inc. operating as
Sarasota Military Academy Prep
For Transportation Services**

This Agreement is made and entered into this 1st day of September, 2015, effective August 24, 2015, by and between The School Board of Sarasota County, Florida, a body corporate existing under the laws of the State of Florida (the "School Board") and Sarasota Military Academy, Inc. operating as Sarasota Military Academy Prep ("Sarasota Military Prep"), a charter school in Sarasota County, Florida, pursuant to Section 1002.33, Florida Statutes.

WITNESSETH:

WHEREAS, Sarasota Military Prep is operating a charter school within Sarasota County; and

WHEREAS, Sarasota Military Prep is desirous of receiving the School Board's services in transporting students to and from its school and maintaining its vehicles; and

WHEREAS, the School Board's Transportation Department has the capability to provide the services requested.

NOW, THEREFORE, in consideration of the foregoing and the covenants contained herein, the parties agree as follows:

1. **Services.** The School Board hereby agrees to provide daily transportation services for students attending Sarasota Military Prep for the 2015-2016 school year on mutually agreed bus routes. This Agreement is not intended to prevent Sarasota Military Prep from also independently providing daily transportation services for some or all of its students.

2. **Routes.** All bus stops and bus routes will be mutually agreed upon prior to the start of the school year. Additional stops will not be added until approved by Sarasota Military Prep and reviewed for safety and approved by the School Board's Transportation Department. Route changes, if approved, will require seven (7) calendar days from the date of request to the date of implementation. Special needs transportation requests must be made a minimum of fourteen (14) days prior to the requested date of implementation.

3. **Costs.** The cost for each route will be determined by mileage and driver costs. If the entire route(s) is dedicated to Sarasota Military Prep students only, Sarasota Military Prep agrees to pay the School Board \$24.50 per hour, per driver and \$20.25 per hour, per attendant (if required), and \$2.90 per route mile (cost of mileage may change to reflect fuel increase) for transportation services. If Sarasota Military Prep students share the route(s) with other schools, the charge will be \$575.00 per student, per school year for transportation services. If a bus cannot be used for three (3) time slots, it impacts the Average Bus Occupancy (ABO) which negatively impacts the dollar amount the School Board receives per student, and the above charges will be increased by ten percent (10%) to compensate for loss of FTE funding. The

School Board will deduct this amount from the monthly disbursement made by the School Board to Sarasota Military Prep as shown on monthly earnings report.

Additionally, for each bus whose entire route is dedicated to Sarasota Military Prep, Sarasota Military Prep will pay to the School Board a risk management fee of \$527.40 on or before September 15, 2015. For those routes that are shared with students from other schools, Sarasota Military Prep will pay to the School Board a risk management fee (“shared fee”) equal to the percentage of Sarasota Military Prep students riding a shared bus times \$527.40 per bus. The percentage will be calculated on the load levels as determined at the October 2015 FTE survey. The School Board will deduct the amount of this shared fee from a monthly disbursement made to Sarasota Military Prep by the School Board.

4. **FTE.** The School Board will collect all generated FTE for Sarasota Military Prep students who ride during survey weeks. All generated FTE will be credited to Sarasota Military Prep's monthly earning report.

5. **Communication.** It will be the responsibility of Sarasota Military Prep to designate a transportation liaison. Parents of Sarasota Military Prep students requesting a change in service or transportation information will communicate with Sarasota Military Prep rather than contacting the School Board. Any parent inquiries or concerns regarding transportation services received by the School Board will be forwarded to Sarasota Military Prep. Sarasota Military Prep's liaison will also be responsible for communicating all requests for service, discipline concerns, and other transportation requests or concerns to the School Board's Transportation Department. The School Board will appoint a route supervisor to serve as a liaison with Sarasota Military Prep and to monitor all drivers, routes and students during the school year.

6. **Field Trips.** In addition to daily transportation services, Sarasota Military Prep may submit requests for field trip buses. Buses are available for field trips from 9:30 am to 1:00 pm. All field trip buses will be billed directly by the School Board to Sarasota Military Prep on a monthly basis with payment due within fifteen days of billing. The costs for field trips will be \$2.90 per mile plus \$24.50 per hour, per driver, minimum three (3) hours. Requests for field trip services must be made at least two (2) weeks in advance of the event.

7. **Conduct.** Sarasota Military Prep will adopt the School Board's STUDENT CODE OF CONDUCT for the purpose of addressing school bus disciplinary problems. The School Board reserves the right to refuse transportation to any student whose behavior it deems unacceptable.

8. **School Year.** Sarasota Military Prep agrees that opening and closing dates of the school year and school holidays will coincide with other Sarasota County schools.

9. **Opening/Closing Times.** Sarasota Military Prep agrees that opening and closing times will be established by the School Board to provide maximum utilization of school buses.

10. **List of Student Riders.** Sarasota Military Prep will send specific lists of students to be transported, with names and addresses, to the School Board's Transportation Routing Department by August 24, 2015.

11. Sarasota Military Prep Vehicles Used for Transportation of Students.

- a. Sarasota Military Prep agrees that if it uses vehicles other than those owned by the School Board to transport students to and from school or for any school sponsored activity, those vehicles will meet all federal and state standards for school buses. These requirements apply regardless of whether the vehicle is owned, operated, rented, leased, or contracted by Sarasota Military Prep. The parties recognize that full size vans do not meet these standards.
- b. All vehicles owned or contracted by Sarasota Military Prep and used for the transportation of students must be inspected every twenty-eight (28) days by School Board transportation personnel or a state certified school bus inspector according to state standards prescribed in the Florida Bus Safety Inspection Manual. Transportation personnel will provide a schedule of the inspection dates for the vehicles. Copies of all outside inspections must be submitted to the Transportation department upon completion with a copy of the inspector's certification.
- c. Any person operating a vehicle transporting Sarasota Military Prep students on behalf of the school is defined as a school bus driver and must meet all state requirements prior to transporting students. These requirements provide that a driver:
