<sup>1</sup> Paper-based accommodations (e.g., regular print, large print, braille, one-item-per-page) for computer-based tests are available to eligible students if indicated as an accommodation on an IEP or Section 504 plan.

<sup>2</sup> Any student taking an ELA Retake or EOC assessment who has not completed the session by the end of the allotted time may continue working up to half the length of a typical school day.

<sup>3</sup> If indicated, "applicable students" relates to the sub-group(s) of students who may take that assessment; it does not indicate that all students throughout the state in that sub-group will take that assessment.

Assessments for which no applicable student group is listed are available to students as needed but are not limited to any specific sub-group.

<sup>4</sup> The FSA Algebra 1 EOC Assessment is only offered as a separate Retake assessment during the Spring administration; students retaking the FSA Algebra 1 EOC in Fall, Winter, or Summer participate in the regular EOC administration.
