Grant Purpose	This award recognizes public schools that have implemented innovative, effective and replicable technology programs that contribute meaningfully to student, instructional or operational success. Focus is on Maker Movement Initiatives.
Grant Activities	Englewood Elementary School established a student leadership group that set up a 3D printing "business" geared toward brainstorming, designing, prototyping and printing a variety of products requested by each of our homeroom classes, grade level teams and even other schools. For example, our students created class sets of math manipulatives to help kindergarten and 1st graders better understand math concepts, saving the school over \$1,000. They also designed and printed awards and other items fo
Grant Budget Items	Budget was not required since this is an award program.
After Grant Plans	Englewood will continue to offer its program each year.
