FIELD TRIP AUTHORIZATION

Instructions: Provide the following information for all field trips.

1. Explain the direct instructional connection with instructional program. Include any potential risks or hazards (e.g. water activity).

   Students will participate in the World Odyssey of the Mind Competition. This is a program where students use creativity to solve problems, create structures and verbally respond to questions. Students have been working on this project for 8 months.

2. Describe how students are being selected to participate with assurances of equal access for all students, regardless of economic level.

   All 3rd, 4th and 5th grade students were given an opportunity to try out for the Odyssey Team. Seven team members were picked based on their creative responses during try-outs. They became the Odyssey Team to represent Tatum Ridge.

3. Describe how students will be supervised once they arrive.

   Coaches and chaperones will be assigned specific students and will supervise these students the duration of the trip. They will have the responsibility to supervise students from the time students leave Tatum Ridge, on the charter bus, in both airports, on airplane and the entire time spent on the competition campus when not under the supervision of their own parent. Students will also be supervised during the night when in the dorms as chaperones will be assigned 2 students to stay in a dorm room with.

4. Should an emergency arise, how will communication and transportation be handled?

   If an emergency arises 911 will be called, the parent attending with the child will be notified as well as the attending administrator Barry Dunn. Heather Wiehke will have all contact information on each child with her at all times.
