Grant Purpose	These are hands on science explorations that compliment the science units and standards for 5th grade. Students will re-learn concepts taught in the classroom through hands on in school lessons provided by Suncoast Science Center.
Grant Activities	Students will use LEGO technology to learn about the basics of robotics. Students will discover how to hook up and use simple electrical circuits.
Grant Budget Items	The fee for each exploration is $125.00 for Power up and $150.00 for Robotics Challenge. The total to teach each individual class is 1679.10
After Grant Plans	Students will retain information better when they have the opportunity to be involved in the topic and when the information is presented in a manner that is hands on, exciting and applicable to everyday life. It will increase learning when direct instruction and hands on learning are combined.
