Estimated End Date	5/30/2016
Grant Purpose	The exploration will cover the science standards SC2P13.1, SC2P13.3, SC2P13.4. Students will demonstrate that magnets can be used to make some things move without touching them, recognize that objects are pulled toward the ground unless something holds them up, and demonstrate that the greater the force (push or pull) applied to an object, the greater the change in motion of the object.
Grant Activities	The Circus Arts Conservatory will provide hands on lessons where the students will develop a 3-ring science presentation that shows their knowledge of the laws of motion. Students will also use a website that will give them circus facts, watch a video on each of the science concepts that will be discussed in the classroom and students will be using a workbook that will be provided with additional lessons.
Grant Budget Items	Contracted Services for Circus Arts Conservatory
After Grant Plans	Teachers can continue the services in future years after receiving materials and training from the Circus Arts Conservatory. Therefore, students in future years will benefit from this training that will be provided.
