# Proposed New Programs

## Show One

### School Matters (working title):

- using the areas of focus from the MGT study and their commendations
- talk show format with Leanne McIntire, Scott Lempe and one expert from each area in the episode - Finance, Transportation, Facilities/Construction, Food/Nutrition, Technology, Human Resources, Safety & Security, Curriculum

# Proposed New Programs

## Show Two

### SCS Round Table (working title):

- focus from the MGT study on how we followed some of their recommended cuts and that it was an outside study
- state money- how allocated: lottery, etc.
- benefits of the school district to the community

# New Proposed Program Show Two (cont'd)

- how the school district works with many entities in the community to deliver quality education
- what the referendum does and does not do
- talk show format with Leanne McIntire, Lori White, one board member and one community guest each episode
