Subject: portable demo 99-315

Hi to all,

As I am coding the Gulf Gate security contract and looking thru the exhibits, I see in exhibit C that "demo of existing RO trailer". BJ said that it is 99-315. This needs to go to the Board for deletion, so that Finance can take it off the books in ESD. Doreen, please do a Board deletion for this and put it on the first Board in August, as the July 17 is now closed at this point in time. Please send to Jody for signature and let me know.

Thanks

Mary
