

The School Board of Sarasota County, Florida
 Charter School Request for Voted Operating Millage Referendum Funds
Instructions For Request

The Voted Operating Millage Referendum Funds are to be used to insure the students of Sarasota County are receiving educational services beyond what the state funding formula provides. The estimated dollar amount is based upon the charter school's percentage of weighted FTE as a percentage of the total school district weighted FTE. Please provide the listing of instructional services that will be provided by the charter school that will insure a quality educational program above what the state funding provides.
