**Suncoast School for Innovative Studies**  
**Letter of Intent**

December 10, 2012

To: Superintendent, Lori White  
Sarasota County Board of Directors

Superintendent Lori White,

This correspondence is to serve as our official letter of intent on behalf of the governing board of Suncoast School for Innovative Studies, for the continuation of our Voluntary Pre-Kindergarten, Elementary, and Middle School Charter Agreement. Furthermore, Suncoast School for Innovative Studies has formally submitted the Sarasota County charter renewal application as required for the continuation of our charter.

Please be advised that Suncoast School for Innovative Studies formally requests a renewal period of ten years. This request and justification of such request is based on our 2008 renewal application at which time several concerns were noted. Since 2008, all areas of concern have been alleviated and with significant progress found within vital portions of our program. Details of our program successes are outlined within our charter renewal application.

Secondly, we request our student enrollment projection be increased from 273 to 700 from the years 2013-2016. This request and justification is based on our current enrollment trends from 2009 to the current school year. As of August of 2012 our student count was 403 students in VPK through eighth grade. The total amount of students we received funding for was 387 in grades Kindergarten through Eighth Grade. Detailed plans outlining our student projections, budgets, and facilities are within our charter renewal application as well as our Executive Summary.

From the staff, students, parents, and governing board of Suncoast School for Innovative Studies, thank you in advance for your assistance and support of Sarasota County Charter Schools.

Sincerely,

Stephen Evans, Executive Director  
Suncoast School for Innovative Studies

3. Karen Young
4. Ann Tilman
5. Linda Kneeland
6. Ingrid Messina
7. Tyler Hyslop
8. Katie Kephart
9. Alicia Melendy

## Suncoast School for Innovative Studies

### Executive Summary

Since January 2009, Suncoast School for Innovative Studies has made unquestionable progress in all aspects of our program. We sincerely thank the governing board of SSIS, as well as the many support systems throughout the Sarasota County District. Our program successes can be found within our academics, financial accounting, facilities, staffing, student conduct, the arts, and our sports programs. Below are some of accomplishments that we would like to share with you. Please note that a more detailed description and documentation can be found within our charter renewal application.

**Academic Program** – In spite of nearly doubling our student enrollment and our increasing subgroups, SSIS continues to show and maintain the academic integrity of our program.

**Student Academics**-Student academics are the single most important aspect to the program. SSIS reviews the services and the quality of services provided at every given opportunity. A brief list of accomplishments is provided in chronological order:

- 2009
  - SSIS received a school grade of “A”, which was one of only a select few in Sarasota County. This was the first “A” rating in school history. SSIS received letters of accommodation from Sarasota County School District as well as the State of Florida Department of Education.
- 2010
  - 100% of third grade students successfully passed the FCAT assessment. This was the highest FCAT success percentage of third graders in school history. No students scored a level 1.
  - 100% of fourth and eighth graders were successful on FCAT writing.
- 2011
  - SSIS received the second “A” school rating.
  - Eighth grade maintains perfect FCAT writing scores.

**Student Conduct** - SSIS implemented a PBS system that follows the Florida PBS project model. This system focuses on the positive behaviors of students instead of the traditional discipline method.

**Sports Program** – SSIS worked with the Sarasota County Recreation Department and charter and private schools to open the first co-ed sports program of its kind in September 2009. It was embraced by an overwhelming number of participants. The program includes flag football (co-ed), soccer, and basketball. During the 2011-2012 school year SSIS had its first winning season in flag football, making it to the first round of the playoffs. In 2012 our flag football team won first place among the charter and private schools in the area.

*Special notes: First sports program in school history.*

**Arts Program** – In 2010 SSIS hired its first highly qualified elementary/ middle school art instructor. Due to increased student enrollment a second highly qualified art instructor was hired for our middle school program. Both instructors have been instrumental in ensuring that the students’ art work is present within the Sarasota community.

**Technology** – Suncoast School for Innovative Studies is constantly keeping technology in mind as it will become more important in the coming years with the state’s adaptation of the Common Core Standards.

**Student Enrollment**-During the 2009-2010 year student enrollment increased from 220 to 287. Enrollment increased again during the 2010-2011 year from 287 to 307. The third consecutive increase in student enrollment was during the 2011-2012 year. Enrollment grew from 307 to 321.

*Special note: Last two years posted largest student enrollment in school history.*

In the last two years, SSIS’s socio-economically disadvantaged student population has significantly increased designating us as a Title 1 school.

*Special note: SSIS is currently the only Title 1 Charter School in Sarasota County*

**Financial Accounting** – Since the conception of the SSIS program, archived documents have outlined continued financial management concerns. In 2008, SSIS was required to submit a deficit elimination plan to the State of Florida due to poor financial management.

In August of 2010, working in conjunction with K & B accounting firm, SSIS implemented its first documented Accounting Manual. Since 2010, SSIS has maintained clean audits, as reported by Escoffery Independent Accounting Firm.

**Budget Improvements** -During the close of the 2009 school year, SSIS implemented a new Accounting Manual and Budget Reporting System by working in conjunction with the SSIS Board of Directors and K & B Accounting. Such changes have led to fiscal accountability. These changes have been noted by Al Weidner from the District Accounting Office and our school auditor, Marc Escoffery. SSIS has also received letters of accomplishment from Stephen Altier of Seaside Bank, our banking institution. In 2010, SSIS hired its first in-house school accountant. The 2009-2010 school year had the highest end of year fund balance in ten years.

*Special Note: SSIS was cited for several accounting violations prior to 2009. Our 2010 end of year audit return cited no accounting concerns. This was the first clean report in school history. 2012 marked two consecutive years without any financial audit concerns.*

- ✚ Recognized by Seaside bank for an outstanding end of year audit report
- ✚ Recognized by the SSIS School Board for an outstanding audit report
- ✚ Recognized by Escoffery Auditing Firm for improved end-of-year school financials

**Building Level** -Working in conjunction with the SSIS Staff, a marketing team was developed. This was the first marketing effort made by the school. The results lead to a new school logo, mascot (Florida Panthers), new school colors, and increased student enrollment. The school acquired a new school van with school logo. The efforts increased student population by nearly 100 students in 2010.

SSIS developed and implemented a new school website by working in conjunction with an outside vendor and our newly appointed marketing team. The website details programs, services, logos, sports programs, parent information, and more. Prior to January 2009 the school website consisted of only one page.

In January of 2009 student records were in disarray. There were two cabinets of antiquated records that have since been sent to Records Retention. SSIS's office management worked with Sarasota County School Records Department and Data Reporting to reconfigure our student records in compliance with the district records. Working with our and the Sarasota County School District Student Records Department and Data Reporting, our student records were completely reconfigured in compliance with the District records.

The administrative staff along with the instructional staff worked together to develop student schedules, progress reports, and attendance policies and documentation. Attendance and student progress reports are now posted via Teacher Ease, an internet reporting instrument for parents accessible at [www.teacherease.com](http://www.teacherease.com).

*Special Note: In January of 2009 there were limited student schedules and no student progress reports.*

In 2010 SSIS added new state of the art computer equipment and labs for the elementary and middle school campuses. All staff members also received new laptops. In 2011, Kindle E Readers and IPAD Max, which are used to support literacy, were added. Also, in 2011 the school added Success Maker to support reading and math achievement.

*Special note: All computers used prior to September 2010 have been used computers acquired from the Sarasota County School District. We are thankful to the District for their assistance.*

SSIS was instrumental in negotiating design and contractual terms for the new elementary building. The new building opened in March of 2011. SSIS also utilized a temporary site facility, negotiating terms and contractual arrangement for the middle school during this transition time.

*Special note: This new building provides all the amenities never before available to the SSIS students and parent. It includes a library, gymnasium, special needs classrooms, resource center, multipurpose room, parent resource area, larger classroom spaces, art and computer lab space, and a very nice outside area with much safer access for students and parents.*

During the 2010-2011 school year, SSIS revitalized the Media Center /Library by adding computers, tables and chairs, a parent resource area, space for the book fair. Parents and community members participated in a gently used and new book drive to help fill the library.

A new stage for the gymnasium was built during the 2010-2011 school year. It boasts new wood floors, logos, and a back drop.

**District Supplies and Materials** – As of June 30, 2012 SSIS had 26 Sarasota County District asset items. As of December 1, 2012 all appropriate forms were completed for the return of these items to the district. As of December 12, 2012 these items have not yet been picked up. All remaining assets at SSIS are the property of SSIS. SSIS acquired the appropriate textbooks needed for core academic classes and made them accessible on line to students and parents.

**Employment** – Due to the increased number of students with special needs, combined with their current level of academic performance, an additional special needs provider was hired in 2010. SSIS also hired two highly qualified Art Instructors in 2010. This was the first time an Art instructor at SSIS had been highly qualified.

Prior to 2010 there were issues regarding the highly qualified requirement outlined within NCLB. After working closely with the Sarasota County School District Human Resource Office, Title 1 District Representative, and the State of Florida, all current staff members have been highly qualified since 2010.

In 2011, SSIS hired two full time teachers to provide assistance to identified low achieving students through Title 1. Two Deans of Students were also hired with the primary goal of working with students who are having behavioral difficulties during instructional time and transitions.

Beginning in 2012, SSIS implemented the PRIDE instructional performance evaluation system. This allowed SSIS to begin mentoring its own staff performance.

**Employee Benefits-** Our employee benefits have changed considerably since 2009 to better accommodate our staff members as well as reduce the school's cost. Below is a list of the school's changes.

- During the 2009-2010 school year all staff members were presented with a new, revised employee manual made possible by the SSIS Board of Directors and the administrative staff.

*Special note: Upon arrival in January of 2009 there was no published active employee manual.*

- SSIS was also able to provide Dental and Vision insurance for our Para-educators.

*Special Note: Full time employees had very limited insurance benefits with twice the current co-pay. There were no prior benefits offered to any support staff.*

- In 2010, a human resource representative was hired through Paychex to support our staff with a variety of services including Professional Development.

*Special Note: SSIS had been operating with a Human Resource provider.*

- A retirement plan has been offered to our staff with a 3-5% matching contribution made possible by the SSIS Board of Directors, accountant, and outside providers.

*Special Note: The prior retirement plan was dropped making this the first opportunity for staff to receive matching funds.*

**Student / Parent Update-** SSIS developed and implemented a Student/Parent Handbook which was then presented to all parents, students, and staff members. In 2009-2010, the SSIS administrative staff along with the instructional staff developed a school wide behavioral plan drastically reducing physical altercations between students from 7 to 1. Then, SSIS established a school wide building level behavioral plan in 2011-2012, known as PBS (Positive Behavioral Support System) with the help of the Sarasota County School District.

*Special Note: The current handbook, as presented, does not supersede that of the Sarasota County District.*

**Facilities Update** – It is our goal by August of 2013 to increase both our school campus populations. In order for our campuses to facilitate the increases, property development will be required. This student increase will allow for both our school campuses to operate independently and become self-sustaining.

## Explanation of Renewal Process and Application Instructions

Charter renewal is a function of the charter sponsor, the School Board of Sarasota County. As authorized in *Florida Statute 1002.33(8)*, the sponsor may choose not to renew or may terminate a charter for any of the following grounds:

1. Failure to participate in the state's education accountability system created in s 1008.31, as required in this section , or failure to meet the requirements for student performance stated in the charter.
2. Failure to meet generally accepted standards of fiscal management.
3. Violation of law.
4. Other good cause.

F.S. 1002.33 contains additional information about charter renewal.

The charter renewal process consists of reviews of the following areas of accountability: student performance, business operations and fiscal management, and compliance.

**Student Performance:** The review of this area of accountability is primarily based on examining state and Federal accountability ratings that have been issued since the charter school began operating and determining whether the charter holder has satisfied the student performance requirements under the applicable statutes and rules. In addition, the review will address the performance objectives identified in the charter itself.

**Business Operations and Fiscal Management:** The review of this area of accountability primarily consists of examining the annual financial and compliance reports filed by the charter holder with School Board of Sarasota County. The sponsor will evaluate whether the charter holder has filed all of the required reports and whether the reports demonstrate that the charter holder has satisfied generally accepted accounting standards of fiscal management under the applicable statutes and rules.

**Compliance:** The review of this area of accountability involves evaluating the charter holder's compliance with the initial charter contract, federal and state requirements, and reporting requirements. This review includes but is not limited to services provided to ESE and ELL students, health and safety requirements, class size requirements and general services to parents and students at the school. This review also consists of evaluating the information provided in the completed renewal application.

The charter renewal process provides an opportunity for schools to communicate with the sponsor about their current practices. The renewal process is separate from the charter amendment process. Generally, significant changes from the original charter should not be made in the renewal application unless a charter amendment has been granted.

### Selected Definitions

Listed below are selected terms and definitions:

- *Charter school* – a Florida public school sponsored by the School Board of Sarasota County, Florida that operates under a contract authorized by Florida Statute 1002.33.
- *Governing body of a charter school* – the board of directors that governs the charter school in accordance with Florida Statutes 1002.33 (9) and maintains accountability to the sponsor.
- *Management company* – a person or entity, other than a charter holder, who provides management services for an authorized charter school.
- *Administrative personnel of a charter school* – the principal, director, or other chief operating officer of a sponsored charter school; an assistant principal or assistant director of charter school; or a person charged with managing the finances of an charter school or any personnel defined as administrative by the State of Florida Department of Education.
- *Board chair or chairperson* – generally the board president or presiding officer of the governing board

## APPLICATION INSTRUCTIONS

This application process is designed to give the district, through its Charter Review Committee, a complete picture of the Charter School and its recent history to enable the School Board of Sarasota County to make an informed decision related to the renewal of the charter ending June 30, 2013. By gathering information available from a variety of sources into one document, the Board will have the opportunity to review the school's operation, its record of student performance and its compliance both with appropriate laws and the school's charter. This application will provide the basis from which a discussion between the School Board and the Board of the Charter School can ensue. **This application with one original and 20 copies is due by January 7, 2013.**

The following guidelines are to be used by the Charter School in the preparation of this application:

- The Charter School should use existing documents, wherever possible, to compile the application.
- The school may request a copy of a document already available in the district's Office of Charter Schools (Items such as Financial Recovery Plans would represent such documents).
- While it is not imperative, the Charter School is encouraged to submit copies of parent surveys, special recognitions or other items that support the application as appendices.
- The application is specifically designed to examine the past and current performance of the school. A brief section is included to discuss the school's future plans. It would be most helpful in that section to comment upon any significant problems that have been addressed and the manner in which they will be handled in the future. However, most of the discussion of the future of the school should be held until a new charter is negotiated.
- The narrative used to describe any aspect of the school's performance should be thorough and yet concise. The intent of the narrative sections in the application is to provide the school the opportunity to explain discrepancies, identify rationale for changes from the original charter and document compliance with both laws and the charter language.
- The School should be prepared to answer questions of the Board in a workshop scheduled on February 19, 2013.

**Please address questions about the application process to Dr. Natalie Roca in the Office of Charter Schools at 927-9000 ext 32171 or [natalie\\_roca@sarasota.k12.fl.us](mailto:natalie_roca@sarasota.k12.fl.us)**

# Suncoast School for Innovative Studies

## Mission Policy

*The mission of Suncoast School for Innovative Studies is to celebrate and recognize each individual child so that all students will achieve their full intellectual and social potential. Family commitment to the learning process, as well as the use of multi-age groupings and multi-modality teaching, will help develop in each child a love of learning, the ability to engage in critical thinking and mastery of comprehensive academics. Families and the larger community will be partners in the achievement of the student.*

## Charter Statement

SSIS objective is to involve the community, parents and other stakeholders in the life of the students by forming integral partnerships that will assist in the planning, development and implementation of educational programs.

SSIS will explore and facilitate different learning styles (i.e., visual, auditory, hands-on) to meet the needs of every child in attendance.

Teaching and learning at SSIS will be achieved through corporative partnerships established by administration, teachers, parents and students. SSIS school curriculum will emphasize active participation through hands-on learning.

SSIS vision is centered on enriching the lives of each student by not giving the child a tool or skill, but rather nurturing the tools and skills within the child. Students will be more self-sufficient through learning to be responsible for their education and develop leadership skills to improve the quality of their lives for now and in the future.

## Suncoast School for Innovative Studies

**Please include any information about your students or the services that you provide to those students that you might consider unique to your school.**

At Suncoast School for Innovative Studies we strive to make the learning process of our students as exciting and as innovative as we can. The following is a list of our school-wide accomplishments:

- PBS (Positive Behavior Support) -SSIS utilizes PBS school wide and on a classroom level and has a volunteer committee to discuss praises and/or concerns about the program.
- SWST (School Wide Support Team) –Makes placement decisions about students' individual needs based on input from parents and classroom teachers.
- Progress Monitoring Reading Groups/Class- SSIS uses this instructional method for low achieving students who are not yet receiving support services.
- Push-In Style Math Assistance- SSIS uses this method to provide both small group instruction and individual remediation
- FAIR/LEARN Assessments- These are used to measure student progress, provide parents with data, and guide and differentiate instruction in small groups in the classrooms.
- Success Maker- SSIS added this to our technology program to provide math and reading goals for each student.
- On-site Tutoring Services- SSIS provides free tutoring to all qualifying students in grades K-8 twice a week after school.
- Panaboard Technology- This year SSIS added these to every elementary classroom as well as the science and math classrooms at the middle school. These boards have been useful in playing interactive games and introducing new concepts.
- Kagan Structures- These is used to reinforce concepts learned in class. Some examples are round robin, showdown, and take off-touchdown.
- Journaling- This instructional method is used daily with given prompts.
- MTSSS (Multi-Tiered Student Support System)
- PLC (Professional Learning Community)- These are collaboration meetings that take place weekly between K-2 teachers, 3-5 teachers, and 6-8 teachers
- Title 1 Student Services
- SES Tutoring- This is a state funded, on-site and/or in-home, program in which students who scored a Level 1 or 2 in math and reading on their FCAT last year may participate.
- Gifted Program- This is a newly implemented program at SSIS in which students have to test into in order to qualify. Students are placed in multi-age groupings and receive services three to four times a week.
- Technology- SSIS has several technologies we incorporate into our student's daily learning process. Some examples include: computers, Kindles, Panaboards, Success Maker, and SKYPE
- Science Fair- Each student at SSIS is expected to participate in this activity.
- Backpack Food Program- The school in conjunction with Whole Foods sends home extra food to families in need to use over the weekends.
- Mentoring Program- SSIS has their own mentoring program in which new teachers and/or those new to Florida participate in for one full school year.

- Differentiated Instruction- On professional development days, Dr. Lopez visits our school to teach the staff about differentiated instruction and how important it is to use it continuously.
- Parent Empowerment Event- SSIS invited community organizations to come and present information to the school's parents.
- School-Based Sand Play- The guidance counselor at SSIS uses this technique in counseling sessions.
- Mix It Up Day- This is an opportunity students are given to use their team building skills.
- YMCA Safe Place Presentation
- Gingerbread House Contest- SSIS participates in through Community Youth Development

### **Kindergarten through Second Grade**

- Field trips to Van Wezel, The Children's Garden, Embracing our Differences and Sarasota High School
- Uses music and technology to enhance learning and incorporate the multiple intelligences
- Holiday Heritage Feast- parents are invited to bring a traditional dish from their culture to share
- Author Studies- uses to teach math and science
- Boohoo Breakfast- Kindergarten parents attend to form new bonds with their child's first teacher and parents
- Lively Letters
- Robust Vocabulary- students are encouraged to act out their words in order to better learn them
- Reader's Theater- this instructional strategy is used to practice expression, public speaking, and fluency
- Book-It- SSIS participates in this program starting in October and ending in March, if the students meet their reading goal for the month they receive a free pizza from Pizza Hut.
- Science- act out the orbit of the planets in the solar system using the basketball court, observe the transformation of a butterfly, filter feed krill, and create pumpkin books.
- Reading Fur Fun- Students are referred through SWST and classroom teachers based on reading competence and confidence. The selected students then read to Pet Therapy dogs and their human counterparts.

### **Third through Fifth Grade**

- Novel Studies- vocabulary, character studies, letter writing projects, morals, and self-to-text projects from books such as *The Hundred Dresses*; *Johnny Appleseed*; *Flat Stanley*; *Miss Alaineus: The Vocabulary Disaster*, and more.
- Holiday Activities- students enjoy a Thanksgiving Day feast as an end to the study of Native Americans and Pilgrims. Gingerbread houses are also made yearly by students for their families.
- County Fair Projects- students participate in 4H radish growing, leaf collections, and SW Indian Kachinas.
- Science- Spider projects and Friction projects are done by students.
- Service Projects- Students make cards for seniors and sing to them in a nursing home. 3<sup>rd</sup> graders participate in the Macy's Make a Wish Foundation Letters to Santa Program.

- Field Trips- Based upon units of study, students attend trips to educational locations such as New College, Van Wezel, G-Wiz, and Oscar Shear.
- Games and Technology- Panasonic Pana-boards are used to engage students in games, lessons, and activities. Friendly competition is utilized in many classrooms.
- FST Young Playwright's Competition- Students work in small groups or as individuals to create and write plays. Students are also involved in prop and set making, make-up, direction, and acting.
- Reading Fur Fun

### **Sixth through Eighth Grade**

- Offer Algebra I and Spanish for high school credits
- Math Counts- a club to prepare for the Math Counts competition
- Disney Leadership Trip- students who exhibit positive leadership qualities and conduct are selected by teachers, students then attend the Leadership Conference as well as a Disney theme park.
- Student Government- Democratic committee of students that make student based decisions.
- Co-ed Competitive Sports Teams-football, soccer, basketball, and cheerleading.
- Skills n' Drills- an after school activity in which students work on their basketball skills in preparation for the next season.
- Big Sisters and Big Brothers Program-
- Teen Court- eighth grade students demonstrating positive leadership skills and a career interest in law are invited to participate in this evening event.
- Peersuasion Program- grades 6 and 7 females, in a partnership with Girls Inc., participate in a drug prevention program that emphasizes refusal skills.
- Video Presentations- homeroom teachers use this for select classroom guidance delivery when the counselor is not available.
- Peer Mediation Club- selected students complete an intensive training in conflict resolution and then facilitate peer mediations on non-disciplinary topics that are supervised by the school counselor.
- Peer Helper Club- students apply with teacher referrals and must be accepted, then they help with various activities within the school.
- 504 Self Advocacy- Students review their accommodations and personal goals.
- Drug/Alcohol Awareness Presentation-
- Gatekeeper- program is available for students dealing with self-injury and suicidality.
- Guidance Resource Center- In the counseling office, various resources are made available to parents and students.
- Slick Tracy- 6<sup>th</sup> graders participate in a peer led alcohol prevention curriculum.

- Individualized high school planning meetings- 8<sup>th</sup> grade students have individual conferences to discuss their future in high school.

## Art

- Art Room where students have the opportunity to be creative, collaborate with peers, and learn and reflect upon self, their community and culture through the arts.
- Elementary Art Club meets every Monday 3:30-4:30
- Various Art Shows and Contests in Community-Selby Library, Sarasota County Fair, SRQ Airport (2012 update- 3 students chosen to have artwork displayed for a year at the airport with one student winning 3<sup>rd</sup> place in grade category for Sarasota County) , Sarasota Calendar Contest, Embracing Our Differences, Children's Week, Art Night at the Sarasota Marriott
- Community Art Field Trips- Embracing Our Differences, Art Center Sarasota
- Holiday Art Sharing-Students facilitate a holiday art project with the residents of The Pines of Sarasota.
- Holiday Art Fundraiser-raise funds for art supplies
- Cross-Curricular Art Projects- Rocket Building-1<sup>st</sup> Grade Science, Navajo Weaving-3<sup>rd</sup> Grade Social Studies, "100 Dresses" Art Contest- 3<sup>rd</sup> Grade Language Arts, Florida Eco System Printmaking, USA Map Project, Atom Paintings- 5<sup>th</sup> Grade Science/Social Studies, Book Making-K-5 Language Arts
- Various School Wide Art Projects –
  - Recycle Boxes- Classes collaborated to create a recycle box for their classrooms. Students voted on boxes and winning classes received a pizza party. SSIS has partnered with Sarasota Document Shredding and together SSIS has saved **9 trees, 3500 gal of water, 1-barrel of oil, 1.5cu yards of landfill space, and 2050 kw of electricity**, not to mention 1000lbs of paper has been recycled from our campus since August 2012!! School mural is planned to reflect positive impact on environment.
  - Other examples include- We Are All Pieces to the Puzzle" mural and collaborative art project for National Mix it Up Day, Plates for Peace- School wide art installation for National Peace Day, September 2011, Large Peace Sculpture made with natural materials, September 2012.
- Student Artwork on display throughout the school

## Physical Education

- Integrates Math and Science through movement utilizing “Moving to Math” by Jack Hartman
- Participates in the Presidential Fitness Program
- Utilizes Sarasota County Parks and Recreation by taking walking trips to Payne and Arlington Parks.
- During daily lessons, general explorations of movement are taught and assessed. The following are unique examples:
  - Animal Walks
  - Simple Dances, Partner Dances, Fold and Square Dances
  - Basic Tumbling
  - Partner Stunts and Balances
  - Ultimate Frisbee
  - Football, Softball, Basketball, Volleyball, and Soccer Skills
  - Balloons
  - Beanbags
  - Hoops
  - Scooters
  - Parachutes
- Field Day and Special Activities

## Building Level Accomplishments

### Macy’s Make a Wish Foundation Program

- Since December 2009 Mrs. Kneeland’s third grade class has participated in the Make a Wish Foundation Program at Macy’s. This involves writing a letter to Santa which is then deposited in the mailbox at Macy’s (Southgate). For every letter, Macy’s donates \$1.00 to the Make a Wish Foundation. Each year all students and staff at SSIS participate in writing letters. In 2010 this equated to \$300.00 being donated by SSIS.

*Special Note: When the employees at Southgate Mall found out what SSIS was doing, the 3<sup>rd</sup> grade classes were treated by “Too Jays” to lunch both in 2009 and 2010. Starlight Limousine also donated luxury limo buses to transport the children and adults. They also included a sightseeing trip to St. Armand’s Circle to see the big Christmas tree.*

### Mayor’s Feed the Hungry Program

- For the past 5 years SSIS has been involved in the Mayor’s Feed the Hungry Program.

### **Selby Art Project and other Art Programs**

- In the fall of 2010 the Elementary and Middle School Art Programs at SSIS were invited to display their artwork at the Selby Library.
- In October 2010 the Elementary students of SSIS participated in the Sarasota County Recycle Art Calendar contest.
- Middle School Students created artwork for an empathy poster contest in Atlanta Georgia in the spring 2011.

### **Sarasota County Fair**

- Since 2009 SSIS has displayed assorted artwork done by both Elementary and Middle School Students at the Fair. In 2010 all 43 participants were awarded ribbons.

### **After School Clubs**

- New to SSIS in 2010 is the establishment of After School Clubs running Monday, Wednesday, Thursday and Friday from 3:30 – 4:30 P.M. All staff members were asked to choose an area of interest and offer it to the students. We have clubs such as the Art Club, Earth Club, Fishing Club, Tech Heads, Mad Scientist, Guitar, Model Ship Builders, Book Club, Chess/Checkers, Performing Arts, Chorus, Year Book, Panther News, and Student Government.
- SSIS also participates in the 4-H Club and the Girl Scouts.

### **Staff Involvement**

- In 2009 and again in 2010 the staff of SSIS participated in the American Cancer Society's Relay for Life.
- In 2010 and 2011, the students and staff of SSIS participated in the annual "Pasta for Pennies" program benefitting the Leukemia & Lymphoma Society.
- Since 2009 the staff of SSIS has participated in SPACC's "Stepping out against Domestic Violence Awareness Walk" benefitting The Safe Place and Rape Crisis Center.
- In 2009 Suncoast School participated in the Jump Rope for Heart program.

### **Student Activities**

- Children make holiday cards that are delivered to nursing homes in Sarasota, Lakeland, and Seminole Florida.
- Each Kindergarten child in 2010 donated one of their own gently loved stuffed toys to children in Haiti.
- The entire school helped box and donate clothes and necessities to Haiti in 2010.
- Letters, cards and children's art was mailed to known US Military Service Members in Iraq and Afghanistan.
- The Student Counsel at the middle school proposed a student activity fund to support those in need of funds to attend field trips and other school related activities.
- In 2011, SSIS participated in the "New to Me" book drive and exchange where gently used books were brought in and exchanged within our Suncoast School Family.

### **Grants**

#### **Teacher Rewards Program (Wal-Mart)**

- Suncoast School for Innovative Studies was the recipient in 2009 and again in 2010 of an award from Wal-Mart. Each year, this award consisted of a \$1,000.00 grant given to the school, and, 10 teachers, randomly selected, received \$50.00 Teacher Reward Cards to help purchase much needed classroom supplies.

*Special Note: SSIS was the only school in Sarasota County to receive this award both years.*

#### **Edge of Excellence Grants**

- In December 2009, Mrs. Lee Maxwell and Ms. Tiffany Prince, 2 Middle School Teachers at SSIS, were awarded grants from the Education Foundation of Sarasota County, Inc. at the 20<sup>th</sup> Annual Edge of Excellence Award Ceremony. Mrs. Maxwell received a grant of \$497.51 and Ms. Prince received a grant of \$480.22. These grants were to enable them to use innovative and new approaches to learning.

*Special Note: This was the first time SSIS had received a grant from the Education Foundation.*

#### **Target Field Trip Grant**

- SSIS was awarded \$300.00 in December 2010 to attend the Van Wezel Children's Performances.

**BYLAWS  
Of  
SUNCOAST SCHOOL FOR INNOVATIVE STUDIES, INC.**

A FLORIDA NOT FOR PROFIT CORPORATION

**ARTICLE I**

Definition

- 1.01 These Bylaws constitute the code of rules adopted by the Suncoast School for Innovative Studies, Inc. for the regulation and management of its affairs. The school shall be a not-for-profit corporation established under the laws of the State of Florida. The corporation shall do all things necessary to qualify for and remain exempt from income tax under Section 501 © (3) of the US Internal Revenue Code.

Purpose

- 1.02 The purpose for which this corporation is formed is to establish and maintain a public charter school for children in grades pre-kindergarten through eighth as set forth in the charter issued by the Sarasota County School Board and made a part of these by-laws.

The core philosophy of the Suncoast School for Innovative Studies is to provide an integrated method of education by incorporating an experiential interdisciplinary curriculum, utilizing mentoring, multi-age classes and authentic assessment. The educational program will offer instruction that will be relevant and will be presented in a manner that will reach all students regardless of their individual learning style. The learning environment will be modified to accommodate the uniqueness of each learner. Community involvement and family commitment will be a strong focus. All of this will facilitate each child's desire to become a healthy, well-rounded human being.

## Mission Statement

- 1.03 Suncoast School for Innovative Studies is committed to providing a learning community where each child has the opportunity to reach their full potential.

## ARTICLE II

### Offices

The principle place of business of this Corporation in Florida will be located at 1300 South Tuttle Avenue, Sarasota, FL 34239. The Board is granted full power and authority to change the principle office from one location to another within the attendance boundaries of the Sarasota County School district.

## ARTICLE III

### Non- Membership Corporation

- 3.01 Suncoast School for Innovative Studies is a non – member corporation governed by a Board of Directors.

# ARTICLE IV

## Directors

### General Powers

4.01 Subject to the limitations of the law, Articles of Incorporation, and these Bylaws, the activities and affairs of the corporation shall be conducted and all corporate powers shall be exercised by or under the direction of the Board. The Board may delegate the management of the corporation's activities to any person(s), management company, or committees, however composed, provided that the activities and affairs of the corporation shall be managed and all corporate powers shall be exercised under the ultimate direction of the Board. No assignment, referral or delegation of authority by the Board or anyone acting under such delegation shall preclude the Board from exercising full authority over the conduct of the corporation's activities, and the Board may rescind any such assignment, referral or delegation at any time.

Duties of the Board of Directors will be, but are not limited to:

- Developing an annual budget with the Executive Director
- Reviewing and approving the budget
- Ratifying and monitoring any changes in the charter
- Developing personnel policies
- Developing general school policies
- Selecting the school's Executive Director and creating job descriptions
- Overseeing the implementation of the curriculum
- Developing a student code of conduct, a disciplinary and expulsion policy, personnel policies and student admissions criteria
- Creating a management of operations plan

## Number of Directors

- 4.02 The number of Directors of this Corporation will not be less than three. The exact number shall be determined by resolution of the Board from time to time. Directors must be at least 21 years of age.
- 4.03 Not more than 51% of the Board members will be parents of SSIS students.

## Candidates for Directorship

- 4.04 Candidates will submit a resume along with a letter that includes their reasons for seeking the position and any other information they wish to share with the Board. The criteria for the selection will include the candidate's ability to:
- Demonstrate a shared vision and commitment to the Mission of the school.
  - Demonstrate that they possess credibility and integrity in the community.
  - Demonstrate educational, professional and practical qualifications.
  - Be willing to comply with the bylaws and policies and procedures established by the Board for the School.
- Additionally, the Board will recognize the importance of a diverse membership and will seek representatives of different professions and sectors of the community at large, i.e., finance, law, retail, technology, service, construction or education. An entrepreneurial spirit will be valued. Effort will be made to diversity in terms of gender, race and age. It is understood that some duplication will occur.

## Terms of Directors

- 4.05 A director shall assume responsibility of office following election and shall serve until a successor has been selected and qualified. The terms of the elected Directors shall be for two years so as to create alternating terms where only up to one-half of the Board will change over at a time.
- 4.06 When possible continuity between the Founding Board and the Board of Directors will be achieved by having a Founding Board Member on the Board of Directors. A founding member may continue as an ex-officio member for an indefinite period. Any Founding Board Members not on the Board of Directors may serve on the School Advisory Committee.
- 4.07 The Immediate Past President shall serve as an ex-officio advisor.

- 4.08 Vacancies occurring during the term of a Director, however caused, shall be filled as soon as practicable by a vote of the majority of the remaining Directors in office. A Director so elected to fill a vacancy shall hold office for the remainder of his predecessor's term

### Meetings

- 4.09 The annual meeting of the Board of Directors shall be held each June at a date, time and place to be determined at a preceding meeting of the Board of Directors. The purpose of the annual meeting shall be to elect directors of the Corporation, decide on time and day of monthly meetings and to conduct such other business as may come before the meeting.
- 4.10 There will be regular monthly meetings, held in Sarasota County; all meetings will be advertised to the public. Notice of any meeting of the Board of Directors shall be given personally or by writing at least twenty four hours in advance of the meeting. Meetings may be called by either the President, Vice President, or any three directors.

### Quorum of Directors and manner of Acting

- 4.11 A majority of the whole Board of Directors will constitute a quorum. The act of a majority of the Directors present at a meeting at which quorum is present will be the act of the Board of Directors unless a greater number is required under the provisions of the Articles of Incorporation of the Corporation or any provisions of these Bylaws.
- 4.12 Within thirty (30) days of appointment to the School's governing board, the member(s) shall be fingerprinted by the Sarasota School District.
- 4.13 No member of the School's governing Board or their immediate family will receive compensation, directly or indirectly.

### Removal of Board Members

- 4.14 Any member of the Board may be expelled when the Board determines by resolution that the best interest of the Suncoast School for Innovative Studies may be served, passed by a majority vote of the Board of Directors at any meeting. Such member shall be notified of the intention of the Board to consider their expulsion at least five days prior to the meeting. The member shall be given an opportunity of a hearing before the Board as determined by the Board. The resolution of the Board shall be final.

## ARTICLE V

### Officers

- 5.01 The slate of the officers shall include President, Vice President, Secretary, and Treasurer. Any Board member shall be eligible to be an officer. The Executive Committee shall consist of all the elected officers and the Parliamentarian.

### Selection of Officers

- 5.02 Each vacancy of office of this corporation will be elected and filled by the Board of Directors. Each Officer will remain in office until a successor to such office has been selected and qualified. Such election will take place at the annual meeting of the Board of Directors.

### Multiple Officeholders

- 5.03 In any election of officers, the Board of Directors may elect and appoint a single person to any two or more offices simultaneously, except that of the offices of President and Secretary must be held by separate individuals.

### President

- 5.04 The President shall preside over all meetings of the Board of Directors, work with the Executive Director in procuring items that the school will need and assist in the general administration of the school. He/she shall appoint committee chairperson, schedule meetings and perform other duties as appropriate.

### Vice President

- 5.05 The Vice President shall exercise the powers and perform the duties of the President of the Board in the absence or disability of the President of the Board.

### Secretary

- 5.06 The Secretary shall keep records of all Board meetings; perform all other duties generally associated with the office.

## Treasurer

- 5.07 The Treasurer shall have oversight of all funds of the Corporation. He/she shall present regular financial reports to the Board acting as the liaison between the accounting manager and the Board. He/She will keep the Board informed on the current budget status. He/she shall cause an annual audit of all financial operations. He/she shall be instrumental in develop(ing) the budget, and all other duties associated with the office.

## Removal of Officers

- 5.08 Any officer elected by the Board of Directors may be removed by a majority vote of the Board, whenever in their judgment the best interests of this Corporation will be served.

## Vacancies

- 5.09 A vacancy in any office because of death, resignation, removal or otherwise, may be filled by the Board of Directors upon recommendation of the President for the unexpired portion of the term.

# ARTICLE VI

## Committees

- 6.01 This Corporation may have certain Committees, each of which will consist of two or more members. Such Committees will have and exercise the purpose, powers, and duties from time to time established by the Board of Directors.

## Appointment of Committees

- 6.02 The Board of Directors, by resolution duly adopted by a majority of the Directors in office, may designate Committees and appoint two or more Directors to the Committees and delegate to such committee specific and prescribed objectives, purposes, powers and duties. However, the creation of such Committees will not operate to relieve the Board of Directors, or any individual Director, of any responsibility imposed on such personnel otherwise stated by law.

## **ARTICLE VII**

### **Operations**

#### **Fiscal Year**

7.01 The fiscal year of this Corporation will be from July 1 to June 30.

#### **Execution of Documents**

7.02 Except as otherwise provided by law, checks, drafts, promissory notes, orders for the payment of money, and other evidence of indebtedness of this Corporation will be signed by the President or Treasurer and Countersigned by one other designated Board Director. Contracts, leases, or other instruments executed in the name of and on behalf of the Corporation will be signed by the President.

#### **Nonprofit Operations-Compensation**

7.03 This Corporation will not have or issue shares of stock. No dividend will be paid, and no part of the income of this Corporation will be distributed to its Members, Directors, or Officers.

#### **Parliamentary Authority**

7.04 The parliamentary guidance for the SunCoast School for Innovative Studies shall follow the guidance of ROBERTS RULES OF ORDER, NEWLY REVISED (Glenview, Ill.) (Scott, Foreman & Co.)

## **ARTICLE VIII**

### **Admission Policy**

8.01 The Suncoast School for Innovative Studies admits students regardless of religion, sex, race, color, national or ethnic origin, nor does it discriminate in administration of its educational policies, admissions policies, and other school administered programs.

## **ARTICLE IX**

### **Amendments**

- 9.01 The power to alter, amend, or repeal these Bylaws, or to adopt new Bylaws, insofar as is allowed by law, is vested in the Board of Directors and requires a vote of two-thirds of the Board of Directors.

## **ARTICLE X**

### **Indemnification**

If a trustee or officer of the Corporation is made a party to any civil or criminal action or proceeding in any matter arising from the performance by such trustee or officer of his or her duties for or on behalf of the corporation, then, to the full extent permitted by law, the Corporation, upon affirmative vote of the Board of Directors, a quorum of directors being present at the time of the vote who are not parties to the action or proceeding, shall:

- (a) Advance to such trustee or officer all sums found by the Board, so voting, to be necessary and appropriate to enable the director or officer to conduct his or her defense, or appeal, in the action or proceeding: and
- (b) Indemnify such director or officer for all sums paid by him or her in the way of judgments, fine, amounts paid in settlement, and reasonable expenses, including attorneys' fees actually and necessarily incurred, in connection with the action or proceeding, or appeal therein, subject to the proper application of credit for any sums advanced to the director or officer pursuant to clause (a) of this paragraph.

### **Adoption of Bylaws**

These Bylaws were adopted by the Board of Directors by resolution and vote June 29, 2010, at Sarasota, Florida.

**SUNCOAST SCHOOL FOR INNOVATIVE STUDIES  
GENERAL BOARD MEETING  
MAY 10, 2012**

**6:00 P.M.  
SSIS**

**MINUTES**

**I.**

Board President Larry Robbins called the General Meeting of the Board of Suncoast School for Innovative Studies to order at 6:00 P.M.

**II.**

In attendance were Board Members Michael Johnson, Terrell Neal, Larry Robbins and Patricia Tan. Executive Director Stephen Evans, Administrative Assistant Mary Anne Jablonski and Accounting Manager Larry Coel were also in attendance.

There were 6 members of the public in attendance.

**III. Minutes**

Michael Johnson made a motion to accept the minutes of the April 12, 2012 General Board Meeting. Patricia Tan seconded. All in favor. Motion passed.

**IV. Financials**

Larry Coel, Accounting Manager presented the Financials to the Board via a power point presentation. Larry apprised the Board that enrollment is up for the 4<sup>th</sup> month in a row, cash flow is stable and equity remains strong.

**V. Comments from the Public**

Lisa Leonard a parent of a student at the middle school advised the Board of a concern regarding her child.

**VI. Unfinished Business**

There was discussion regarding the Lease amendment for 1300 South Tuttle Avenue which has been reviewed by all involved including the school attorney. Terrell Neal made a motion to approve the 4<sup>th</sup> amendment of the Lease between Bahia Vista Associates LLLP and Suncoast School for innovative Studies. Patricia Tan seconded. All in favor. Motion passed.

**VII. Report from the Director**

Mr. Evans spoke to the Board regarding record enrollment for next year, FCAT Testing, Summer Food Service Site, and ongoing Instructional Staff Performance Evaluations. Mr. Evans introduced to the Board Susan Morin of Children's Healthy Pantry/Yummy Stuff, Rob Wagner of Brown and Brown Insurance and Kevin Robbins of Robbins Real Estate.

Susan Morin proposed bringing to SSIS a partnership which involves a pantry at SSIS accessible to students which is stocked with healthy foods for the children to eat at various times of the day. There is no cost to the students. She also is involved in Yummy Stuff which is a program of learning tools designed to help children and their families develop everyday habits of healthy eating. Ongoing discussions will continue with Ms. Morin and the school in bringing these program to SSIS.

Rob Wagner Executive Vice President of Brown and Brown Insurance introduced himself to the Board and spoke of new property insurance coverage he is working on for SSIS.

Kevin Robbins updated the Board on potential sites for a new middle school campus, activity regarding the potential sub lease of 1300 South Tuttle Avenue and discussions with Jeffrey Tamkin, President of PFIC in reference to developing and financing of a new middle school.

**VIII. New Business and Reports from Standing Committees**

**Operations:** Larry Robbins, Chair

Nothing to discuss

**Finance:** Michael Johnson, Chair – Committee Members: Terrell Neal, Larry Robbins, Patricia Tan  
Michael advised that we need to look at the budget closer as current spending is not sustainable.

**Governance:** Terrell Neal, Chair – Committee Members: Larry Robbins, Patricia Tan  
Terrell advised that the Executive Director Annual Review is underway. Surveys are being sent to select staff, students, vendors and parents. Terrell also updated the Board on the current status of recruiting additional Board Members. He introduced to the Board David Wertman who has expressed interest in joining the Board of SSIS. Mr. Wertman apprised the Board of his background in Business, Health and Education.

**IX. Adjournment**

There was discussion regarding changing the date of the June Board Meetings. There must be an Annual and a General Meeting during the Month of June. It was decided that the June Annual and General Meetings will be held Tuesday, June 12, 2012. The Annual Meeting will begin at 6:00 P.M. and the General Meeting at 6:15. They will be held at the 845 South School Avenue Campus Cafeteria. Terrell Neal seconded. All in favor. Motion passed. The meeting was adjourned at 7:05 P.M.

Respectfully submitted

SSIS CONFERENCE ROOM**

**MINUTES**

**I.**

Board President Larry Robbins called the General Meeting of the Board of Suncoast School for Innovative Studies to order at 6:10 P.M.

**II.**

In attendance were Board Members Michael Johnson, Terrell Neal, Larry Robbins and Patricia Tan. Executive Director Stephen Evans, Administrative Assistant Mary Anne Jablonski and Accounting Manager Larry Coel were also in attendance.

There was 1 member of the public in attendance.

**III. Minutes**

Terrell Neal made a motion to accept the minutes of the May 10, 2012 General Board Meeting. Patricia Tan seconded. All in favor. Motion passed.

**IV. Financials**

Larry Coel, Accounting Manager presented the Financials to the Board via a power point presentation. Larry apprised the Board cash flow is stable and equity remains strong. Our Year to Date income is \$15K ahead of last year.

**V. Comments from the Public**

None

**VI. Unfinished Business**

None

**VII. Report from the Director**

Mr. Evans updated the Board on the 2011-2012 school year. He was happy to report that we wrapped up a great school year. We purchased computers, playground equipment, lockers, desks, chairs etc. He explained these were conscious and strategic moves, the plan was risky but it worked. We brought in more students than SSIS has ever enrolled. Mr. Evans spoke of FCAT results – disappointed but positively showed AYP this year.

He also apprised the Board of the YMCA summer program at the Middle School, the Free Lunch Program and the SKI Academy summer program at the Elementary School. Lastly, Mr. Evans informed the Board that staff evaluations are complete. Some staff are moving on and 1 staff member is gone due to performance. Mr. Evans was happy to report that the VPK program went from a score of 2 to a 4 in 2 years. The search is on for a new Middle School. Kevin Robbins is on vacation but would be available at the next Board Meeting to update the Board on the search.

## VIII. New Business and Reports from Standing Committees

**Operations:** Larry Robbins, Chair

Nothing to report.

**Finance:** Michael Johnson, Chair – Committee Members: Terrell Neal, Larry Robbins, Patricia Tan  
Michael reported that the Committee has reviewed the 2012-13 Budget, based on 347 students. The anticipation is that in October enrollment will increase, but the budget for now, will be based on 347 students. There was discussion that at this time no pay increases will be initiated but in October if money is managed well and there is the anticipated student increase the matter will be reviewed. The Finance committee also discussed the future creation of new staff positions.

A motion by the Finance Committee recommends that the proposed budget from staff be approved. Motion was approved.

A motion by the Finance Committee requires Finance Committee approval for all new staff positions created in the future. Motion was approved.

**Governance:** Terrell Neal, Chair – Committee Members: Larry Robbins, Patricia Tan

Terrell introduced a potential Board Member to the Board – David Wertman. Mr. Wertman spoke of his visit to SSIS and the love and admiration from the children that was shown to Mr. Evans and the great school spirit and staff. He spoke of marketing SSIS and how the Community should know more about SSIS.

Terrell advised the Board that he will be holding a meeting with Mr. Wertman to review his resume and would be ready to make a recommendation at the next Board Meeting.

## IX. Adjournment

There was discussion regarding changing the date of the July General Board Meeting. It was decided that the July Board Meeting would be held Thursday, July 19, 2012, 6:00 P.M. at the 845 South School Avenue Campus Cafeteria. Michael Johnson made a motion to adjourn the June 12, 2012 General Board Meeting, Terrell Neal seconded. All in favor. Motion passed. The meeting was adjourned at 6:52 P.M.

Respectfully submitted

*Mary Anne Jablonski*

Mary Anne Jablonski

Administrative Assistant

**GENERAL BOARD MEETING  
JULY 19, 2012**

**6:00 P.M.  
SSIS Conference Room  
MINUTES**

**I.**

Board President Larry Robbins called the General Meeting of the Board of Suncoast School for Innovative Studies to order at 6:06 P.M.

**II.**

In attendance were Board Members Michael Johnson, Terrell Neal, Larry Robbins, Patricia Tan and David Wertman. Executive Director Stephen Evans, Administrative Assistant Mary Anne Jablonski and Accounting Manager Larry Coel were also in attendance.

There were 10 members of the public in attendance.

**III. Minutes**

Terrell Neal made a motion to accept the minutes of the June 12, 2012 Annual Meeting and the June 12, 2012 General Board Meeting. Patricia Tan seconded. All in favor. Motion passed.

**IV. Financials**

Larry Coel, Accounting Manager presented the Financials to the Board via a power point presentation. Larry apprised the Board that cash flow is pretty strong and equity is still incredibly strong.

**V. Comments from the Public**

None at this time

**VI. Unfinished Business**

None

**VII. Report from the Director**

Mr. Evans advised the Board that SSIS has turned the corner this year in being competitive with other schools. There will be 100 more students in 2012-2013. In 3 years SSIS has doubled its student population. We have maxed out 2 buildings. Mr. Evans informed the Board that SSIS had received a "B" Grade this year and we are making changes in order to regain our "A" next year.

Mr. Evans updated the Board on the Summer School Programs (YMCA and Shalom Kids) being held on the SSIS campuses this summer. He also apprised the Board that the Food Service Contract and the Transportation Contract have arrived and will be forwarded to the Board for review.

Mr. Evans then updated the Board on the need for additional staff this year in Middle School Math, Science and Social Studies due to increased enrollment at the Middle School. Mr. Evans will work with the Finance Committee regarding additional staff for approval at the next Board Meeting.

Mr. Evans acknowledged to the Board that there were several people in attendance representing benefit providers.

### **VIII. New Business and Reports from Standing Committees**

**Governance:** Terrell Neal Chair, - Committee Members: Larry Robbins, Patricia Tan

Terrell made a motion that the Governance Committee recommends that David Wertman be appointed to the SSIS Board for a 2 year term effective July 19, 2012 ending June 30, 2014. At this point Mr. Wertman was invited to join the Board at the front table.

Terrell advised the Board that the Governance Committee had completed its evaluation of Mr. Evans. Terrell thanked Mr. Evans for all the work that he does and related how the staff, parents and students love him. Goals have been drafted for the Executive Director for 2012-2013 and Terrell will sit down with Mr. Evans and apprise him of them.

**Operations:** Larry Robbins, Chair

Larry Robbins introduced Kevin Robbins to update the Board on the Bahia Vista Property and other items for discussion.

Kevin apprised the Board that he is aggressively marketing 1300 South Tuttle as a sub-lease.

Kevin updated the Board of a new property that may become available. There is nothing positive yet about what will be done with the property but it is a good option for the Middle School. West Florida Christian School is where the property is located. They are shutting down due to low enrollment. They aren't exactly sure what they are going to do yet with the property. The school is on 8.8 acres. He presented to the Board a power point presentation of the site.

Mr. Evans expressed his excitement of all of the amenities that this site would afford the middle school that are lacking at the present location.

Larry Robbins advised that the Finance Committee should further explore this location with Kevin and also expanding the School Avenue site. The committee will be: Larry Robbins, Pat Tan Terrell Neal and Mike Johnson. The meetings that this committee will hold will be open to the public. Kevin Robbins was asked to make the power point presentation available to the Board.

Larry Robbins advised the Board that the Transportation and Food Service Contracts will be tabled for this meeting and copies will be sent to the Board Members for review to be voted on at the August General Board Meeting.

**Finance:** Michael Johnson, Chair – Committee Members Terrell Neal, Larry Robbins, Patricia Tan

Mike advised the Board that the new budget will presented at the August General Board Meeting. Mr. Evans also advised Mike that the new cleaning service has come on board and costs have been cut.

### **IX. Workers Compensation Presentations:**

Bojana Ostojic, Paychex presented to the Board what Paychex can offer SSIS in Workers Comp and Benefits. Since Bojana is not the Workers Comp Representative but the HR Representative she could not fully present.

Robert Wagner, Brown and Brown presented to the Board that they are the Property and Casualty representatives for SSIS and feel that Workers Comp falls in that category and they can best represent SSIS in the marketplace.

After much discussion the Board decided that they did not have enough information to decide who should become the future Broker of Record for Workers Compensation Insurance for SSIS. The subject was tabled for a later date.

#### **X. Employee Benefits Service Presentations:**

Larry Mercer, Mercer Insurance presented to the Board that he has been the Broker of Record for SSIS for the past 4 years for Health Benefits. He explained all the variables of going to the market and getting pricing including the fact that there may be major health issues that affect pricing. He explained the additional services his company provides in customer service to the school.

Shawn Hanlon, Brown and Brown presented to the Board why they should become the Broker of Record for Health Benefits for SSIS. He explained their position in the market place, and the fact they are a national brokerage firm. He proposed that larger groups get more leverage with carriers. He also advised that as an HR provider they could offer additional services aside from health benefits.

There were representatives from Paychex that were waiting to speak but they were not on the agenda and were not allowed to present.

After discussion the Board decided not to make any decision at this time regarding employee benefits. A committee was formed with Mike Johnson and David Wertman representing the Board and the Executive Director, Administrative Assistant and Accounting Manager to review and analyze workers compensation and benefit services and providers and report back to the Board with their findings.

Another Committee was formed regarding the West Florida Christian Property . Kevin Robbins, Patricia Tan and Stephen Evans are to report back their findings to the Board.

#### **XI. Adjournment**

Michael Johnson made a motion to adjourn the July 19, 2012 General Board Meeting. Terrell Neal seconded. All in favor. Motion passed. The next General Board Meeting will be held 6:00 P.M. August 16, 2012. The meeting was adjourned at 7:55 P.M.

Respectfully submitted

**SUNCOAST SCHOOL FOR INNOVATIVE STUDIES  
GENERAL BOARD MEETING  
AUGUST 14, 2012**

**6:00 P.M.  
SSIS CONFERENCE ROOM**

**MINUTES**

**I.**

Board President Larry Robbins called the General Meeting of the Board of Suncoast School for Innovative Studies to order at 6:00 P.M.

**II.**

In attendance were Board Members Michael Johnson, Terrell Neal, Larry Robbins and Patricia Tan. Board Member David Wertman was excused. Executive Director Stephen Evans, Administrative Assistant Mary Anne Jablonski and Director of Finance Larry Coel were also in attendance.

There was 1 member of the public in attendance.

**III. Minutes**

Terrell Neal made a motion to accept the minutes of the July 19, 2012 General Board Meeting. Patricia Tan seconded. All in favor. Motion passed.

**IV. Financials**

Larry Coel, Director of Finance presented the Financials to the Board via a power point presentation. Larry apprised the Board that we broke even in July partly because we pulled in funding streams faster than expected and because of the rent reduction. Cash continues to hold steady.

**V. Comments from the Public**

None

**VI. Unfinished Business**

None

**VII. Report from the Director**

Mr. Evans reported to the Board that it was an extremely busy summer involving marketing and professional development. Mr. Evans also reported that Mr. Escoffery again indicated that SSIS had another clean audit. He has requested of Mr. Escoffery, relating to the Charter review, that he supply us with a 3 year review of our financials.

Mr. Evans advised the Board that the Landings will now Direct Deposit our checks and there will no longer be live checks to be picked up. We have submitted a revised budget based on the new FTE count. The last staff position, ESOL, has been filled.

Lastly, Mr. Evans spoke of both facilities being maxed out and that we have long waiting lists at both campuses. He also invited the Board to come and visit the staff during professional development.

## **VIII. New Business and Reports from Committees**

**Property Committee:** Patricia Tan, Chair – Committee Kevin Robbins, Stephen Evans, Terrell Neal, Mike Johnson, David Wertman, Larry Robbins

Kevin Robbins apprised the Board regarding a walkthrough of the 1300 South Tuttle Avenue property by an interested party.

Pat spoke of the need for a new middle school building and the work that she and Kevin Robbins have done so far in that regard.

Kevin Robbins spoke regarding the West Florida Christian property. He advised the Board that there is a New Board at that Congregation, a new Pastor and they are, at this time, deciding what they want to do regarding that property, i.e., rent, sell. Kevin and Pat will explore further regarding this property.

Larry Robbins requested of Mr. Evans that he bring back to the Board how we propose we want to use this property, how many students, etc. Explore the use as a middle school plus eventually a high school to be located on this property. How will the other buildings on the property beyond the classroom space be used?

There was further discussion regarding expansion of the elementary campus. Mr. Evans apprised the Board that he has spoken with Larry Eger and he indicated he is ready to move on this but cost is an issue for him as well as for us. There are options of how this can be done that were discussed.

Kevin suggests that we get some contractors, engineers and architects to look at the property and make recommendations. Larry Robbins asked that the Property Committee come back to the Board with a proposal as to how much money this would cost and to go to Larry Eger to find out if he might cover the up front costs.

**Governance:** Terrell Neal, Chair – Committee Larry Robbins, Patricia Tan  
Nothing to report at this time.

**Operations:** Larry Robbins, Chair

- i. After discussion the Operations Committee made a motion to approve the Starlight Limousine Contract for 2012-2013 SSIS Student Transportation. All in favor. Motion passed.
- ii. After discussion the Operations Committee made a motion to approve the Lunch and Breakfast Contract and the Snack Program Contract from the Sarasota County School District for 2012-2013. All in favor. Motion passed.
- iii. Terrell Neal presented the Executive Director Contract Extension and Bonus Plan to the Board. Mr. Evans Salary will remain flat until we get budget figures in October the same as staff. The Operations Committee motions to approve the payroll and compensation package for the Executive Director as proposed including goals and objectives for the 2012-2013 school year. All in favor. Motion passed.
- iv. In answer to the question asked by Pat Tan at the last Board meeting, does SSIS have a conflict of Interest Policy, the answer is yes. Kathleen Schoenberg, SSIS attorney has brought to the Board's attention the Statutory Exemptions. After discussion the Operations Committee made a motion based on legal opinion from our attorney Kathleen Schoenberg to adopt the amended conflict of interest policy. All in favor. Motion passed.

**Finance:** Michael Johnson, Chair – Committee Larry Robbins, Terrell Neal, Patricia Tan

- i. After discussion the Finance Committee made a motion to allow Brown and Brown to take over the Workers Compensation Insurance for SSIS effective immediately. All in favor. Motion passed.

- ii. After discussion the Board decided to leave the Benefit Insurance as is for 2012-2013. The Finance Committee recommendation is that Employee Benefit Insurance renewal will be reviewed earlier in making decisions for 2013-2014. The Finance Committee recommendation is that we stay with Larry Mercer Insurance this year for Health Benefits.
  
- iii. Increased Staff Recommendation – None – Analysis to be done – Tabled.

Larry Robbins requested that Michael Johnson try to contact Paychex regarding their costs and investigate HR support with the same due diligence as his work regarding workers comp insurance.

**IX. Adjournment**

Patricia Tan made a motion that the meeting be adjourned until the next General Board Meeting scheduled for September 18, 2012, 6:00 P.M. at the 845 South School Avenue Campus Cafeteria. Michael Johnson seconded. All in favor. Motion passed. The meeting was adjourned at 7:20 P.M.

Respectfully submitted,

*Mary Anne Jablonski*

Mary Anne Jablonski  
Administrative Assistant

**SUNCOAST SCHOOL FOR INNOVATIVE STUDIES  
GENERAL BOARD MEETING  
SEPTEMBER 18, 2012**

**6:00 P.M.  
SSIS CONFERENCE ROOM**

**MINUTES**

**I.**

Board President Larry Robbins called the General Meeting of the Board of Suncoast School for Innovative Studies to order at 6:01 P.M.

**II.**

In attendance were Board Members Michael Johnson, Terrell Neal, Larry Robbins, Patricia Tan and David Wertman. Executive Director Stephen Evans, Administrative Assistant Mary Anne Jablonski, and Director of Finance Larry Coel were also in attendance.

There were 2 members of the public in attendance.

**III. Minutes**

Terrell Neal made a motion to accept the minutes of the August 14, 2012 General Board Meeting. David Wertman seconded. All in favor. Motion passed.

**IV. Financials**

Larry Coel, Director of Finance presented the Financials to the Board via a power point presentation. Mr. Coel apprised the Board of a loss of \$16,000 for the month of August. If the forecast holds true based on 380 students we should show a profit of \$59,000 in September.

David Wertman questioned what happens if we go over our numbers. Mr. Evans advised the Board that the Florida Consortium explained that as long as we stay within our Charter Agreement, we make no amendments until we can confirm our numbers.

**V. Comments from the Public**

None

**VI. Unfinished Business**

None

**VII. Report from the Director**

Mr. Evans reported to the Board that the student count is holding. The staff has been performing excellent and that this is the smoothest school opening ever for SSIS.

He also spoke of maybe at some point we consider upping the Line of Credit from \$300,000 to \$500,000.

He apprised the Board that we are looking at Paychex and 3 or 4 other HR companies for price comparisons.

He informed the Board that the Title 1 Resource Center is established as part of one of the goals he was given to complete.

The SES Tutoring program was approved and will begin on October 15<sup>th</sup>. The Title 1 funded tutoring program was approved also and has already started.

Mr. Evans updated the Board about the October 27<sup>th</sup> Parent Empowerment Fair being held at the Elementary Campus, that the Progress Monitoring is almost completed, Kagan Training has been scheduled at SSIS for the first time with other Charter Schools being invited to participate. Last but not least Mr. Evans advised the Board that the Panasonic smart boards are presently being installed in all classes. Finally, there was discussion regarding meeting up with Food Service Providers at the Charter School Conference in November as an alternative to the district food service provider.

At this point Mr. Evans introduced Karen Young, a founder, former Executive Director and Board Member to the Board. Karen explained that she is with the 360 Church and has garnered volunteers to work with our children here at SSIS. She has also gotten a volunteer to come in and set up the Library at the Elementary Campus.

### **VIII. New Business and Reports from Committees**

**New Property Committee:** Patricia Tan, Chair – Committee Kevin Robbins, Stephen Evans, Terrell Neal, Michael Johnson, David Wertman, Larry Robbins

Pat and Kevin have been working on the following:

Kevin presented to the Board information regarding the expansion of the elementary campus at 845 South School Avenue. Feasibility study should include building expenses, not staff expenses, 5 classrooms, architect costs construction costs, etc. He informed the Board he has not spoken with Larry Eger yet. He will go to Larry Eger the owner to talk about ideas and hopefully get a proposal from him.

Patricia Tan made a motion to authorize Kevin Robbins to approach the Landlord and present our findings so far, as to expansion of the elementary school building, Kevin then to report back to the Board as to the financial proposal that would be acceptable to the Landlord. Terrell Neal seconded. All in favor. Motion passed.

Kevin presented an update on the McIntosh property. There was discussion that we could bring on 88 students without any additional staff. There are currently 144 students at the middle school. There was discussion of a total of 300 students. Cost of project would be based on student count and cosmetic issues which would need to be dealt with (improvements made as enrollment goes up, pay as we go).

There was also the issue of the need to raise revenue in the middle school and also how do we go about getting \$300,000 to pay off the landlord at 1300 South Tuttle Avenue. Kevin advised the Board we have more time to discuss this. What is needed now is a proposal with Temple Baptist for the McIntosh property.

**Governance:** Terrell Neal, Chair – Committee Larry Robbins, Patricia Tan  
No Report

**Operations:** Larry Robbins, Chair

The Executive Director Contract has been approved in concept. The attorney is not yet done with her review. This item is tabled until the contract comes back from the attorney.

Discussion of the Disaster Plan is tabled until next month.

**Finance:** Michael Johnson, Chair – Committee Larry Robbins, Terrell Neal, Patricia Tan

There was discussion regarding the Payroll provider. It was decided to keep Payroll at Paychex, it will not be brought in house. Workers Compensation will be provided by Brown and Brown. There would be no decision at this meeting regarding HR services. Quotes will be requested from various HR providers and 401K providers will be reviewed also.

Mike felt new staff positions were not brought to the Board for review prior to hiring. Mike thought that it was decided that the Board would review all new positions. He also feels that purchases should have to be approved by the Board. He feels there needs to be checks and balances.

It was decided the proposed revised budget will be presented after the October count.

**IX. Adjournment**

David Wertman made a motion that the meeting be adjourned until the next General Board Meeting scheduled for October 11, 2012, 6:00P.M. at the 845 South School Avenue Campus Cafeteria. Terrell Neal seconded. All in favor. Motion passed. The meeting was adjourned at 7:40 P.M.

Respectfully submitted,

*Mary Anne Jablonski*

Mary Anne Jablonski  
Administrative Assistant

**SUNCOAST SCHOOL FOR INNOVATIVE STUDIES  
GENERAL BOARD MEETING  
OCTOBER 11, 2012**

**6:00 P.M.  
SSIS CONFERENCE ROOM**

**MINUTES**

**I.**

Board President Larry Robbins called the meeting of the Board of Suncoast School for Innovative Studies to order at 6:02 P.M.

**II.**

In attendance were Board Members Michael Johnson, Terrell Neal, Larry Robbins, Patricia Tan and David Wertman. Executive Director Stephen Evans, Administrative Assistant Mary Anne Jablonski, and Director of Finance Larry Coel were also in attendance.

There were 2 members of the public in attendance.

**III. Minutes**

Michael Johnson made a motion to accept the minutes of the September 18, 2012 General Board Meeting. David Wertman seconded. All in favor. Motion passed.

**IV. Financials**

Larry Coel, Director of Finance presented the Financials to the Board via a power point presentation. Mr. Coel apprised the Board that the October forecast is for \$220,000 per month based on 380 students. Our income could go up based on our enrollment of 383 students. We are funding 8 staff under Title 1.

Patricia Tan asked of Mr. Coel, where will we be at the end of the year, cash in hand, real money? What will the budget look like at the end of the year?

**V. Comments from the Public**

None

**VI. Unfinished Business**

None

**VII. Report from the Director**

Mr. Evans reported that enrollment is holding stable. Focus & Fair testing is complete. These tests are a predictor for the FCAT. We are now reviewing the data and formulating action plans.

Mr. Evans apprised the Board of the Kagan Seminar being offered at SSIS and the interest it has drawn from other Charter Schools and Private Schools in the area. It is a real coup for SSIS and a great marketing draw. The focus of Kagan is higher level thinking skills. Mr. Evans also informed the Board that the Teachers have received their Lead Teacher checks from the District.

Mr. Evans advised the Board of the following, the Backpack Program is up and running, Title 1 requests look good, the Sports Program is going well (Flag Football), the kids feel good about themselves, CYD is starting October 23<sup>rd</sup> at the Middle School every Thursday 3:30 – 4:30. There are about 25 students interested. This is a Community based leadership program.

Lastly, Mr. Evans reminded the Board that the Charter School Review is coming up. We will be asking for the maximum number of years' extension.

### VIII. New Business and Reports from Committees

a. **New Property Committee:** - Patricia Tan, Chair

Committee Members: Kevin Robbins, Stephen Evans, Terrell Neal, Michael Johnson, David Wertman, Larry Robbins.

- i. Kevin Robbins updated the Board on the 1300 South Tuttle Avenue property. There are a couple of potential opportunities for the sublease of this property.
- ii. Kevin Robbins and Stephen Evans updated the Board on the School Avenue addition. Kevin apprised the Board that he hasn't gotten a proposal from Larry Eger yet. Time is of the essence if we want to make the August 1<sup>st</sup> move in date. Patricia Tan made a motion that Kevin Robbins of Harry Robbins Associates Inc. draw up a letter of intent to Larry Eger the Landlord of 845 South School Avenue incorporating the following: 1) Request to add 6,000 s/f classroom building on the east end of the existing campus and install new drive area for parent pickup, 2) SSIS to execute a 7 year lease with 5 years renewable terms, 3) Annual rent to be \$85,500, 4) Lease to commence on August 1, 2013, 5) Contingent upon Board approval. Terrell Neal seconded. All in favor. Motion passed.
- iii. Kevin Robbins provided to the Board a draft of a Letter of Intent to Temple Baptist. He explained that the letter provides for keeping the rent and risk low for SSIS for the first 3 years. The idea is that we would like them to accept us as a tenant for a longer lease. Pat and Kevin recommend a lease which gives them the option to use some spaces on the property. Pat Tan made a motion we take the Letter of Intent prepared by Kevin Robbins and present it to Temple Baptist Church. David Wertman seconded. All in favor. Motion passed.

b. **Governance:** - Terrell Neal, Chair

Committee Members: Larry Robbins, Patricia Tan, David Wertman

Terrell advised the Board that he is holding an IT strategy Meeting at the Middle School on October 17<sup>th</sup> at 10:30 A.M. He also apprised the Board that the amendment to the charter based on student count will not be necessary at this time as per Katrina Ward and Al Weidner.

c. **Operations:** - Larry Robbins, Chair

Larry apprised the Board that the Executive Director contract has not returned from the Attorney. Item tabled until the November Board Meeting.

The review of the Disaster Plan is tabled until the November Board Meeting.

Mr. Evans presented the Transportation Contract which the district sent to SSIS. The Operations Committee took it under advisement. Tabled to November Board Meeting.

d. **Finance:** - Michael Johnson, Chair

Committee Members: Larry Robbins, Terrell Neal, Patricia Tan

Review of Payroll and HR providers has resulted in the opinion that providers do not want to supply only HR services if Payroll is also not part of the package. It was decided to stay with Paychex for now, looking at cutting some services and lowering cost.

Staff spending requirements must be Board approved. The Finance Committee made a motion that Board approval is necessary on purchases of \$5,000 or more. All in favor. Motion passed.

Revised Budget – Now that we have an actual count the revised budget can be based on current count. Tabled until the November Board Meeting.

There was discussion of raising the line of credit from \$300,000 to \$500,000. It would not be used as a loan but just to be used as a line of credit to fill in gaps in payroll. We would look at other uses at another time. The Finance Committee made a motion to recommend that the line of credit be increased to \$500,000. All in favor. Motion passed.

Patricia Tan inquired when do we work out the cash payout to the Bahia Vista Landlord? It will be brought up at the next Finance Committee Meeting. Pat is to be invited to attend the next Finance Committee meeting, 5:00 P.M. on Monday, November 12, 2012. Mr. Evans advised the Board that he would meet with Mr. Hembree in the next couple of weeks regarding the payout. He will sit down as soon as finances are put together. It is open to negotiation. This item will be placed on the agenda for the November Board Meeting.

**IX. Adjournment**

Terrell Neal made a motion that the meeting be adjourned until the next General Board Meeting scheduled for Monday, November 12, 2012, 6:00 P.M. at the 845 South School Avenue Campus Cafeteria. Michael Johnson seconded. All in favor. Motion passed. The meeting was adjourned at 7:10 P.M.

Respectfully submitted,

*Mary Anne Jablonski*

Mary Anne Jablonski

Administrative Assistant

**SUNCOAST SCHOOL FOR INNOVATIVE STUDIES  
GENERAL BOARD MEETING  
NOVEMBER 12, 2012**

**6:00 P.M.  
SSIS CONFERENCE ROOM**

**MINUTES**

**I.**

Board President Larry Robbins called the meeting of the Board of Suncoast School for Innovative Studies to order at 6:02 P.M.

**II.**

In attendance were Board Members Michael Johnson, Terrell Neal, Larry Robbins, Patricia Tan and David Wertman. Executive Director Stephen Evans, Administrative Assistant Mary Anne Jablonski and Director of Finance Larry Coel were also in attendance.

There were 2 members of the public in attendance.

**III. Minutes**

Terrell Neal made a motion to accept the minutes of the October 11, 2012 General Board Meeting. David Wertman seconded. All in favor. Motion passed.

**IV. Financials**

Larry Coel, Director of Finance presented the Financials to the Board via a power point presentation. Mr. Coel apprised the Board that SSIS made \$32,000 in October and our Year to Date profit is \$80,000. We were paid based on 380 students. Our equity is now at \$453,000. Our student count for November is 387 students.

**V. Comments from the Public**

Calvin Williams a parent of a middle school student spoke of a few small concerns.

**VI. Unfinished Business**

None

**VII. Report from the Director**

Mr. Evans spoke of the student count which is holding steady. He apprised the Board that Parent/Teacher Conferences were held and were fairly well attended. He spoke of the Book Fair, Literacy Night and the Science Fair which are events to be held soon at the individual campuses.

Mr. Evans updated the Board on the Kagan Training which was held on Professional Day, Rotary Club invitation, Technology (New Server), and attendance at the Charter School Conference which is coming soon. The team will be looking to speak with Food Service Vendors to review options for the school.

Mr. Evans then apprised the Board of the newly created Charter School Review Team that will be working on organizing all materials necessary for the Charter Renewal. This also includes Deb Metheny who has offered her services, for a fee, to act as a consultant. SSIS will be going for a 15 year renewal.

## VIII. New Business and Reports from Committees

### a. New Property Committee: - Patricia Tan, Chair

**Committee Members:** Kevin Robbins, Stephen Evans, Terrell Neal, Michael Johnson, David Wertman, Larry Robbins

1. **Bahia Vista** - Kevin Robbins updated the Board that there have been a few walk thru's but nothing definite at this time. Most are interested in only ½ of the building.
2. **845 South School Avenue** – Kevin has spoken with the landlord. More discussion is to come. He is still trying to negotiate business terms.
3. **Wilkinson/McIntosh** – Kevin spoke of changes, additions, deletions of Letter of Intent by Landlord for this property. Patricia Tan made a motion that we move forward with this amended letter of intent with the exception that the rent at option to renew shall not exceed \$16,000 per month. David Wertman seconded. All in favor. Motion passed.

### b. Governance: - Terrell Neal, Chair

**Committee Members:** Larry Robbins, Patricia Tan, David Wertman

Terrell advised the Board that everyone must be in compliance regarding Governance Training. Everyone must be in compliance. Terrell also apprised the Board that SSIS Website is one of the best technological charter school websites in the country. He also spoke of his concerns of securing the Finance Directors files.

### c. Operations: - Larry Robbins, Chair

1. **Executive Director Contract** – SSIS attorney has reviewed the Executive Director Contract. Since the terms of the contract had been previously motioned and passed another motion was not necessary. The Operations Committee recommends that the Executive Director agreement be approved. All in favor. Motion passed. A part of the goals listed in the Executive Director contract the Operations Committee motions that a \$1,000 bonus be paid to the Executive Director upon reaching the goal for completion of the Family Resource Center. All in favor. Motion passed.
2. **Disaster Plan** – SSIS disaster plan was discussed and was found to follow state, federal and district guidelines.
3. **Transportation Agreement** – Tabled

### d. Finance: - Michael Johnson, Chair

**Committee Members:** Larry Robbins, Terrell Neal, Patricia Tan

1. There was discussion regarding payroll/HR providers. The majority of providers want both payroll and HR contract. Staff will continue to explore options.
2. The Finance Committee made a motion to approve the revised budget based on the current student count. All in favor. Motion passed.

### e. Strategic Planning Committee Meeting: There was discussion regarding holding another Strategic Planning Meeting. The meeting was tentatively set for Saturday, January 26, 2013 from 10:00 – 12:00. Lunch will be served.

## IX. Adjournment

Terrell Neal made a motion that the meeting be adjourned until the next General Board Meeting scheduled for December 12, 2012, 6:00 P.M. at the 845 South School Avenue Campus Cafeteria. Michael Johnson seconded. All in favor. Motion passed. The meeting was adjourned at 7:30 P.M.

Respectfully submitted,

## Report of Inspection/Test Annual Fire Sprinkler Systems/ Wet

Date: 6/18/2012

Conducted By: Gregor McAdam  
Inspection Ref: N/A

Property:  
Name: SUNCOAST SCHOOL FOR INNOVATIVE STUDIES  
Address: 845 S. SCHOOL AVE.  
City, State, Zip: SARASOTA FL.

Alarm Company Phone: Operator: Time Off: Time On:

### Sprinklers

- Yes Sprinkler wrench with spare sprinklers?
- Yes Proper number of sprinkler head and type of spare sprinkler heads?
- Yes Free of corrosion?
- Yes Free of obstructions to spray patterns?
- Yes Free of foreign materials including paint?
- Yes Free of physical damage?
- Yes Fast Response sprinklers in service for less than 20 years? If "no" test sample now and every 10 years.
- Yes Standard sprinklers less than 50 years old? If "no" test sample now and every 10 years.
- N/A If sprinklers have been replaced, were they proper replacement?
- N/A Extra high, very extra high and ultra high temperature sprinklers tested for five (5) year inspection?

### Pipe, Fittings and Hangers

- Yes Pipe in good condition?
- Yes Free of mechanical damage and not leaking?
- Yes No external corrosion?
- Yes Properly aligned?
- Yes No external load?
- Yes Visible pipe hangers and seismic braces are not damaged or loose?
- N/A Was an obstruction investigation conducted and the system flushed?

### Water Based System

- Yes Gauges on wet pipe system in good condition and showing normal water supply pressure?
- N/A Gauges checked against calibrated gauge or replace for five (5) year inspection?
- Yes Alarm devices free from physical damage?
- Yes Hydraulic nameplate, if provide, securely attached to riser and legible?
- Yes Valve supervisory switches indicate movement?

### Fire Department Connection

- Yes Visible and accessible?
- Yes Coupling and swivel not damage and rotate smoothly?
- Yes Plugs or caps in place and undamaged?
- Yes Gaskets in place and in good condition?
- Yes Identification sign in place?
- Yes Check Valve is not leaking?
- N/A Automatic drain valve in place and operating properly?
- N/A Interior free of obstructions (if caps are not in place)?

### Owner Information (This section not included in this inspection)

- N/A Is the building occupied?
- N/A Has the occupancy classification and hazard of contents remained the same since last inspection?
- N/A Are all fire protection systems in service?
- N/A Has the system remained in service without modification since the last inspection?
- N/A Was the system free of obstructions of devices or alarms since the last inspection?

## **Suncoast School for Innovative Studies**

**Please provide a brief description of your technology, access to the internet and any other resources used for administrative and instructional purposes.**

In 2009, Suncoast School for Innovative Studies' school wide technology consisted of antiquated equipment, some borrowed and some purchased from the Sarasota County District. There was no computer lab for our students, only 25 outdated lap tops. The staff was equipped with desktop, bubble-back systems that were also borrowed and/or purchased from the district. They, like the students laptops, were often inoperable.

In August 2010, SSIS began the reconstruction of our technology program, installing 26 state of the art Dell 18" large monitor desktop computers and Windows 7, creating our first full functioning student technology lab. Our lab also provided a large screen 60" LCD television to display and demonstrate information during instructional time. All computers were and continue to be equipped with headsets and internet access. The instructional staff, support staff, and administrative team members were provided with Dell super-thin laptop computers and Windows 7. At the building level, two new Lexmark Printers were installed featuring fax and scanning capabilities, networking, and wireless access.

During the 2010-2011 school year, SSIS relocated its elementary campus from 1300 South Tuttle Avenue to 845 South School Avenue thus expanding our technology program. With a nearly \$8,000,000.00 renovation, the elementary campus mirrored the middle school campus with the same technology. SSIS also introduced Super Kindle E-readers to our middle school staff and students. Both campuses were equipped with color printers, USB Document cameras, flip cameras, and Lexmark printers for the administration.

Last year in an effort to support future student academic success in literacy and math, Suncoast School for Innovative Studies added Pearson Success Maker, digital textbooks, and several other technologies. SSIS has also provided the very latest Kindle Fire HD to both campuses. The instructional and administrative staff joined the Sarasota County District with a new student data base, Crosspointe, SIS (Student Information System), and Gradebook for academic reporting.

This school year, 2012-2013, SSIS has introduced Panasonic Interactive boards to all classrooms on the elementary campus and to the math and science classrooms on the middle school campus. We also recently switched our email accounts from Go Daddy to Outlook. Suncoast School for Innovative Studies is constantly keeping technology in mind as it will become more important in the coming years with the state's adaptation of the Common Core Standards.

## **Suncoast School for Innovative Studies**

**Please submit any plans for changes in the facility including expansions, upgrades, moves or changes in use of various parts of the facility or grounds.**

During the 2009-2010 school year, the enrollment at SSIS greatly increased. This increase caused the campus at 1300 S. Tuttle Avenue to become unable to accommodate the needs of both our elementary and middle schools by the beginning of the 2010-2011 school year. With an aggressive marketing plan and anticipated increase in enrollment SSIS began initiating plans for a new elementary building. In order to operate safely and effectively, grades 6-8 were moved to The Jewish Community Center off McIntosh Road while plans were finalized for the new elementary location. Our students at both elementary and middle were able to learn and grow in these temporary locations.

Finally, in the spring of 2011, SSIS successfully split the school into two permanent and separate buildings allowing both the elementary and the middle school to continue to expand. At this time the middle school returned to the 1300 S. Tuttle Avenue campus. SSIS spent much time, effort, and resources to ensure that this location was revitalized to meet the needs of older students. Simultaneously, the elementary school moved to the new 845 S. School Avenue location. The entire move was done during the students' spring break to ensure that their learning experiences were never disrupted.

While SSIS is content with the location of the new elementary campus, it recognizes the need to upgrade the middle school location and amenities as it is already at capacity. Please find our vision for this and other changes in Section IX: Future Plans of the School.

## Section V. Teacher Qualifications

The requirements for certain teachers changed in 2002 with the passage of the No Child Left Behind Act (NCLB). The NCLB requires charter school teachers assigned to teach core academic subject areas (i.e., English, reading or language arts, mathematics, science, foreign languages, civics and government, economics, arts, history, and geography) to be “highly qualified.” To be “highly qualified,” a teacher assigned to teach a core academic subject area must hold a bachelor’s degree and demonstrate competency in each area of assignment

In addition, all teachers must be certified to teach in the areas of their assignments. Please submit the following information about your current **2012-2013** instructional staff:

GRADE LEVEL	NUMBER OF HIGHLY QUALIFIED TEACHERS	NUMBER OF TEACHERS OUT-OF-FIELD	NUMBER OF TEACHERS WITH ESE CERTIFICATION	NUMBER OF TEACHERS WITH ELL ENDORSEMENT	NUMBER OF TEACHERS WITH READING ENDORSEMENT
<b>Kindergarten</b>	2	0	1	1	1
<b>First</b>	2	0	1	1	0
<b>Second</b>	2	0	0	1	0
<b>Third</b>	2	0	0	1	0
<b>Fourth</b>	2	0	0	0	0
<b>Fifth</b>	2	0	1	2	0
<b>Sixth</b>	4	0	1	0	0
<b>Seventh</b>	8	0	1	0	0
<b>Eighth</b>	4	0	0	0	0

- If there are grade levels without teachers holding credentials to provide ESE, ELL or specialized Reading services, how are students in those grade levels accommodated?

**Students in grade levels without teachers holding credentials are accommodated by pull-out groups, both ESE and ELL.**

- Describe your process for dealing with teachers who are considered “out-of-field”.

N/A

## **Section VI. Admissions Policy**

**Please submit the following information to document your admission practices:**

- Please submit a copy of your admission policy.
- Please submit a copy of your school application.
- Please submit a copy of your registration packet or forms.
- If you have used a lottery for admission, please describe that process in detail.

## **Suncoast School for Innovative Studies**

**Please submit a copy of your admission policy.**

All students seeking entry to SSIS must go through the registration process. Pre-applications and registration information may be picked up in the front office or downloaded from the website.  
*Please be advised that all required paperwork must be completed prior to enrollment.*

A student who has been suspended from any Sarasota County Public School will be temporarily denied admission to SSIS during the period of suspension. A student who is expelled from a Sarasota County Public School will not be allowed to enroll at SSIS. If suspended from any prior Sarasota School, in order to be considered for admission to SSIS, the circumstances of the suspension and any other factors the Executive Director determines to be relevant, will be reviewed.

**Suncoast School for Innovative Studies**

**Please submit a copy of your school application.**

**Please submit a copy of your registration packet or forms.**

**Suncoast School  
for Innovative Studies**  
*Reaching Toward the Future*

April 1, 2012

Dear Parents/Guardians:

Greetings and Blessings to you from the staff of Suncoast School (SSIS). We're very proud to be one of the original Charter Schools in Sarasota County serving Grades VPK through 8<sup>th</sup> Grade.

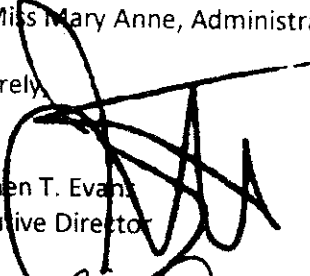

Attached you will find registration materials for the 2012-2013 school year. Please fill out these forms and return them to our office as soon as possible.

The entire staff of SSIS is looking forward to the prospect of serving you and your child(ren) in the coming year. For the first time in SSIS history we opened the 2011-2012 school year with two separate and distinct campuses. This has allowed both Elementary and Middle School staff and students to develop their own identity and thrive both academically and socially. We have exciting plans in store for the upcoming academic year and would love to have you and your child(ren) share in our excitement. When a child registers at SSIS we become family.

If you have any questions regarding our great schools or anything within this packet please feel free to call Miss Mary Anne, Administrative Assistant at 941-953-4433. Welcome to the SSIS.

Sincerely,

Stephen T. Evans  
Executive Director

  
Mary Anne Jablonski  
Administrative Assistant

*Reaching Toward the Future*

1o de Abril, 2012

Queridos Padres/Guardianes:

Saludos y Bendiciones a ustedes de parte de el personal de Suncoast School (SSIS). Estamos orgullosos de ser una de las originales Charter Schools de el condado de Sarasota sirviendo Grados VPK a 8o Grado.

Adjunto encontrara materiales de inscripcion para el ano escolar 2012-2013. Por favor llene estas formas y entrquen a nuestra officina lo antes posible.

Todo el personal de SSIS estan esperando perspectivamente servirles a usted y a su hijo en este ano que viene. Por primera vez en la historia de SSIS abrimos el ano escolar 2012-2013 con dos localidades diferentes. Esto nos permite a los dos colegios Primaria y Secundaria a desarrollar su propia identidad y prosperar academicamente y socialmente. Tenemos exitosos planes en mente para este ano academico que viene y nos gustaria compartir este excito con usted y su hijo. Cuando un nino se inscribe en SSIS se convierten en familia.

Si tiene cualquier pregunta acerca de nuestros Grandes colegios o sobre algo en el paquete porfavor tenga la libertad de llamar a la Senora Mary Anne, Asistente Administradora al 941-953-4433. Bienvenidos a SSIS.

Sinceramente

Stephen T. Evans  
Director Ejecutivo

Mary Anne Jablonski  
Asistente Administradora

## **Kindergarten/New to County Registration Checklist**

**Please note that a student entering Kindergarten must reach the age of FIVE years old ON or BEFORE SEPTEMBER 1<sup>st</sup>:**

- Birth Certificate**
- Immunization Record or Religious Exemption Medical**
- Physical Exam**
- Student's Social Security Number**
- If the student has attended any previous **PUBLIC Pre-School Programs**, please bring the names and addresses of those programs.
- Proof of Current Residence Address:** Please complete and have notarized the "Address Verification Affidavit" and bring in a **copy of a bill** or other correspondence that includes the printed address.
- Name Verification:** The student's LEGAL name (that which appears on the birth certificate) must be used to enroll students. IF a child's name has been legally changed, the proper court documents must be shown to the registrar.
- Custody Verification:** If there has been a divorce, an original copy of the Final Dissolution of Marriage (Court Order) must be presented and copied, for inclusion in the student's file. Only the primary residential custodian (per the court order) can register the student. It is this parent's address which must be used during registration. If the parents were never married and the mother seeks to enroll the child, she must complete the Non-Marital Status Affidavit to further ensure the custody situation. If someone other than the natural parents or legal guardian seeks to register the student, custody papers must be presented.

### **THE FOLLOWING FORMS MUST BE COMPLETED AND TURNED IN:**

- Student Registration Form
- Reassignment Form
- Media Release Form
- Address Verification Affidavit
- School Registration Disclosure Form
- Health History Form
- Home Language Survey
- Transportation Questionnaire
- Health Card
- Parent-Student Commitment

Do you authorize the District to release Directory Information?  YES  NO

**Media Release** [for all grades]:

Do you grant permission for this child to participate in media activities?  YES  NO

**Anonymous Survey** [for grades 6-12 ONLY]:

Do you authorize the District to administer anonymous surveys to this child?  YES  NO

**Military Access for Recruiting** [for grades 9-12 ONLY]:

Do you authorize release of information for military recruiting purposes?  YES  NO

**Please indicate your choice. I would like school-related information sent to my home in:**

English only

English and Spanish

YES  NO Have parents/guardians moved within the last three years from another county/state due to working in agriculture, fishing, or dairy activities?

Florida Statutes 837.06 provides that whoever knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his/her official duty shall be guilty of a misdemeanor of the second degree.

**PARENT/GUARDIAN SIGNATURE** \_\_\_\_\_ **DATE** \_\_\_\_\_

**We look forward to working with You and Your Child!**

## Permission to Release Student Information

Parents or guardians must grant permission for schools to release some classes of student information. Schools may release other classes of information unless parents request that it not be released. Please read each section below carefully to be certain you understand your choices and check the appropriate boxes in the Release Information section on the front of this form. Ask the school registrar if you have any questions or concerns about the permissions you are granting.

### Directory Information (All Grades)

Although student files are confidential, state law and district policy permit schools to publish the following "directory information" unless parents request that it not be released: **Name, address, phone number if listed, date and place of birth, dates of attendance at schools in the district, name of most recent previous school or program attended, participation in officially recognized activities and sports, height and weight of athletic team members, degrees and honors received.**

If you agree to allow your student's directory information to be released, please check the "YES" box on the front of this form.

If you do **not** permit your student's directory information to be released, please check the "NO" box on the front of this form or otherwise notify your school principal in writing within 30 days of the beginning of the school year.

If neither box is checked, the school will be authorized to release directory information about your student.

### Media Release (All Grades)

Reporters and photographers from news outlets such as newspapers and television stations occasionally visit schools to photograph, videotape and/or interview students for stories about schools. School staff or volunteers also may photograph videotape or interview students for school newsletters or websites. Images of students also may be transmitted during virtual classroom instruction. Those images may be widely distributed by public or school media through the Internet.

Permission to publish a student's photograph or interview also includes permission to identify the student by name, school, grade level or age and to describe the school activity in which the student was engaged when the image or comment was recorded. Because school publications such as newsletters, yearbooks and athletic programs are routinely posted on websites, parent permission also must be granted for students to appear in those publications.

If you agree to allow your child to be photographed, interviewed and identified in public and school media, check the "YES" box on the front of this form.

If you do **not** agree to allow your child to be photographed, interviewed or identified in public or school media, check the "NO" box on the front of this form.

If neither box is checked, your student will not be permitted to participate in media activities.

### Anonymous Student Behavior Surveys (Grades 6-12)

Annual surveys are administered in middle schools and high schools regarding high-risk behaviors among students. The information collected in the surveys is used to help improve programs to reduce high-risk behavior. Participation is voluntary. Individual students or classrooms are not identified on the surveys or in the published results.

Surveys may inquire about one or more of the following areas:

1. Political affiliations or beliefs of the student or student's parent
2. Mental or psychological problems of the student or the student's family
3. Sexual behavior or attitudes
4. Illegal, anti-social, self-incriminating or demeaning behavior
5. Critical appraisals of others with whom respondents have close family relationships
6. Legally recognized privileged relationships such as with lawyers, doctors or ministers
7. Religious practices, affiliations or beliefs of the student or parents
8. Income, other than as required by law to determine program eligibility

Parent permission is required for students to participate in anonymous student behavior surveys. If you agree to allow your student to participate in anonymous student behavior surveys, check the "YES" box on the front of this form.

If you do **not** agree to allow your student to participate in anonymous student behavior surveys, check the "NO" box on the front of this form.

If neither box is checked, your student will not be permitted to participate in anonymous student behavior surveys.

### Military Recruiting Information (Grades 9-12)

Federal law requires schools to provide military recruiters access to high school students' contact information, including their name, address and phone number unless parents request that the student's contact information not be released to military recruiters. Denying permission for contact information to be released to military recruiters will not block the release of directory information to other interested parties such as prospective employers, colleges or scholarship providers.

If you allow your student's contact information to be released to military recruiters, please check the "YES" box on the front of this form.

If you do **not** allow your student's contact information to be released to military recruiters, please check the "NO" box on the front of this form.

If neither box is checked, the district will be authorized to release your student's contact information to military recruiters.

---

Suncoast School for Innovative Studies

Application for Enrollment  
2012-2013

Please take a few moments and answer the questions below. In order to best meet the needs of our students, these will be reviewed by our Director.

1) Why are you interested in enrolling your student(s) at Suncoast School for Innovative Studies?

2) Please let us know of any special needs/concerns you have for your student(s).

**Elementary Campus**

845 South School Avenue • Sarasota, FL 34237 • 941-953-4433 • 941-953-4435 fax

**Middle School Campus**

1300 South Tuttle Avenue • Sarasota, FL 34239 • 941-952-5277 • 941-952-5087 fax

## 2012 – 2013 Parent and Student Commitment Contract

### Parent Commitments

Enrolling my child(ren) in the Suncoast School for Innovative Studies, I (we) agree to:

1. Support the program, philosophy, staff and parent organization.
2. Support the standards for student conduct.
3. Help my child understand and adhere to the guidelines outlined in the Student Commitment Contract.
4. Be an active participant in the assessment/ review of my child(ren)'s progress.
5. Initiate and respond to regular parent-teacher communication and attend conferences at scheduled times.
6. Contribute an average of six volunteer hours per month.
7. Phone each day by 8:30 a.m. and inform the registrar why my child(ren) is/are absent.
8. Keep the school registrar updated immediately as to changes in phone number, address, and/ or emergency contact. The school must be able to reach me during the school day.
9. That my child(ren) will be returned to his/her districted school if this contract is deemed unfulfilled during regular reviews.
10. Provide a suitable study area for my child(ren) within my home.
11. Help my child(ren) with homework and school projects or get appropriate help if needed.
12. Participate in workshops and parent organization meetings.
13. Support all school fundraisers and related activities.
14. Remove my child(ren) from school on a given day if so requested due to illness or disciplinary action. If I cannot do so, I will make alternate arrangements.

### Student Commitments

Having elected to attend the Suncoast School for Innovative Studies, I agree to:

1. Exhibit respect for others as well as myself at all times by acting and reacting appropriately.
2. Protect and care for our facility, furniture, books, and equipment.
3. Complete class assignments, homework and projects as assigned.
4. Dress appropriately and change dress if so requested.
5. Abide by the expectations of this contract. I understand that failure to do so will result in dismissal from the Suncoast School for Innovative Studies and a return to my districted school.
6. Support other students and adults in any way I can.
7. Attempt to work through my feelings including anger with another person within the school by honestly and directly sharing my feelings. If that approach does not help, I will ask a peer or adult for help.
8. Bring home school related notices to my parent/ guardian AND if needed return them as directed.
9. Read and follow the Sarasota County School District Code of Student Conduct. This is to be shared with my family. If I don't understand any sections, I am responsible for seeking the help needed for clarification.

**THE SCHOOL BOARD OF SARASOTA COUNTY, FLORIDA**  
**SUNCOAST SCHOOL FOR INNOVATIVE STUDIES**  
**Parent-Staff-Student Compact**

**As a Parent of an SSIS Student it is My Responsibility to Strive to:**

- Send my child to school on time, rested and ready to learn.
- Get involved in school activities.
- Openly communicate with school personnel.
- Teach my child that there are consequences to his/her behavior.
- Be an active participant in my child's learning.
- Be a positive role model to my child.
- Gather information from all sources for effective decision making concerning my child's education.

**The Staff of SSIS Accept Responsibility to:**

- Monitor students' behavior, creating a safe and orderly school environment.
- Provide a quality instructional program in a positive setting for each student.
- Know and use techniques and materials that work best for each student.
- Display school and classroom rules and expectations.
- Assist families in helping their children develop self-discipline, self-respect and self-confidence.
- Communicate with parents.

**As an SSIS Student I Will Strive to:**

- Follow school and classroom rules.
- Display on-task behavior in the classroom.
- Attend school every day and be on time.
- Display a positive attitude toward learning and believe I can succeed.
- Finish all assigned school work which includes classroom assignments and homework assignments.
- Respect all school property, community members including students, visitors, volunteers and staff.

| 3. (B2c)... Does the student most frequently speak a language other than English? | _____ YES _____ NO | Which language? _____ |

**SPANISH / ESPAÑOL**

El Estatuto del Estado (6A-6.0902) de la Florida requiere que las escuelas determinen el idioma que cada estudiante habla en su casa. Esta información es importante para que la escuela pueda proveer la mejor instrucción a todos los estudiantes, y será utilizada para determinar la necesidad de evaluar al estudiante para servicios de apoyo en cuanto al idioma. Su cooperación es importante para que podamos cumplir con este requisito.

**Favor de marcar la respuesta apropiada para cada una de las siguientes preguntas:**

- |  |                   |                     |

2012-2013

Dear Suncoast Parents:

We often have "walking " field trips to sites nearby the school. Examples are: trips to Arlington Park, Payne Park, the SCAT bus, YMCA, to the library, etc. All of these trips are chaperoned by coaches and/or assistants. Please fill out the following permission slip and return it to the office so that we will have it on file for such occasions. Students who have not returned this form will not be eligible to participate.

**MEDIA RELEASE FORM**

From time to time during this school year, the school district, as well as SSIS, newspapers and television stations, interview, photograph and video tape our school, teachers and students to visually explain the many and varied types of programs and events which the Sarasota County public schools offer and SSIS have to offer. Those photographs, video tapes or audio tapes may be used in newspapers, on television, or in School Board publications and productions.

If you **do** or **do not** want your student to be interviewed, photographed or video taped for such purposes, please sign below and have your child return this letter to the school.

- No, I do not want my child to participate in the media activities described above.

# Algo que nunca te abandonará: Inmunizaciones

## Guía de Inmunizaciones Requeridas por el Estado de Florida para entrar a la escuela en el año escolar 2012-2013

Las inmunizaciones son requeridas antes de entrar a cualquier escuela de Florida.\* A continuación se indican las vacunas necesarias para el año escolar 2012-2013. (Nota: puede haber excepciones, por favor contacte a su doctor si tiene alguna pregunta)

**POR FAVOR LLEVAR SU TARJETA DE VACUNAS CUANDO VAYA A LA CLINICA DEL DEPT. DE SALUD (vea la parte trasera para ubicación.) No se darán inmunizaciones sin el record de vacunas previas.** Si necesita una copia del record de vacunas de su hijo/a, este puede obtenerse de su doctor o escuela.

- Pre Jardín** 4 DTPs (Difteria, Tétano, Tos Ferina)
- 3 Polio
- 4 Hib (Haemophilus Influenza Tipo B)
- 1 MMR (Sarampión, Papera, Rubela)
- 3 Hepatitis B
- 1 Varicela (chicken pox)

- Jardín y Grados 1-6** 5 DTPs
- 4 Polio KG y grado 1** (Si Polio #4 fue dado antes del 4<sup>th</sup> aniversario)
- 4 Polio **grados 2-6**
- 2 MMRs
- 3 Hepatitis B
- 2 Varicela para **Jardín y grados 1, 2, 3 y 4**
- 1 Varicela (chicken pox) para **grados 5 & 6**

- Grados 7-12** 5 DTPs
- 4 Polio
- 2 MMRs
- 3 Hepatitis B
- 1 TDaP (grados 7,8, 9 & 10)**
- 1 TDaP or TD (grados 11-12)
- 1 Varicela (chicken pox) para **grados 7, 8, 9, 10 & 11**

### ¿Están al día las inmunizaciones en su familia?

Las inmunizaciones para infantes deben ser completadas a la edad de 2 años. Inmunizaciones adicionales son requeridas para entrar a Jardín y a 7mo. Grado. ¡Los adultos también necesitan inmunizaciones!

\*Estatutos de Florida 1003.22 y 402.305, Código Administrativo de Florida 64D-3.011, y Regla de la Junta Directiva de las Escuelas del Condado de Sarasota 7.104.

# Something You Never Outgrow: Immunizations

## State of Florida Immunization Requirement Guidelines for school entry for the 2012-2013 school year

Immunizations are required prior to entry into any Florida school.\* Listed below are the shots needed for the 2012-2013 school year. (Note: there may be exceptions, please contact your health care provider with questions.)

**PLEASE BRING YOUR SHOT RECORDS WHEN YOU GO TO A HEALTH DEPT. CLINIC (see reverse for side for locations). Immunizations will not be given without a record of previous shots.** If you need a copy of your child's shot record, it can be obtained from his/her health care provider or school.

**Suncoast School for Innovative Studies**

**If you have used a lottery for admission, please describe that process in detail.**

## Suncoast School for Innovative Studies Application, Lottery and Selection Process

Suncoast School for Innovative Studies (SSIS) will accept new student admission applications beginning January 1<sup>st</sup> through June 30<sup>th</sup> of each year for eligible students entering kindergarten through eighth grade for admission for the upcoming school year. For example, the application window for the 2012-2013 school year is January 1, 2012 through June 30, 2012.

- Please note that the reenrollment process for returning students is March 1<sup>st</sup> through April 30<sup>th</sup> of each year. Re-enrollment requests and sibling/same household of current students supersedes new applicants.

If the number of applications received does not meet the maximum enrollment capacity of students for each grade level by June 30<sup>th</sup>, SSIS will give sufficient public notice and extend the application deadline until capacity is met. If the number of applications received by June 30<sup>th</sup> exceeds the capacity of the grade level, all applicants will have an equal opportunity of being admitted through a random selection process in accordance with Florida Statute 1002.33, subsection (10), article (b).

Enrollment offers are also contingent upon review of any special resources a student may require. With the appropriate documentation, enrollment preference may be given to siblings (brother/sister/same household) of students currently enrolled in the school, to the child(ren) of employees of the school, and to the child(ren) of current governing Board Members.

Students enrolled in SSIS the prior year are not subject to the lottery process each year. Current SSIS students are required to reapply between March 1<sup>st</sup> and April 30<sup>th</sup>.

### **Lottery Process-Random Draw**

All applications that are turned in between January 1<sup>st</sup> through June 30<sup>th</sup> are logged and assigned a confirmation number.

1. After the June 30<sup>th</sup> deadline, SSIS will assess how many applicants turned in completed applications as compared to openings in that particular grade level.
2. If the number of applications exceeds enrollment capacity, SSIS will hold a random draw (lottery) to fill the available vacancies. If the number of applications received is less than the number of openings, then all eligible students are admitted.
3. The random draw, or lottery process, starts with putting all confirmation numbers of eligible applicants into a container.

# Suncoast School for Innovative Studies

---

4. A designee, who is neither an employee of SSIS nor a current governing SSIS Board Member, will draw one confirmation number at a time out of the container, starting with the lowest grade levels for which there are openings (kindergarten). This confirmation number is then checked against the application list for sibling applicants, to allow older sibling applicants an automatic position, if there are openings at that other grade level.
5. After all vacant seats have been filled at each grade level; SSIS will then continue the lottery process by drawing from the remaining confirmation numbers of applicants who submitted their applications during the priority window of January 1<sup>st</sup> to June 30<sup>th</sup>. These applicants will be assigned a waiting list number in the order that they are drawn. If openings occur during the summer or the school year for which the applicants applied, these applicants will be offered a position in the order of their lottery assigned waiting list number.
6. Any application received after the June 30<sup>th</sup> deadline will be accepted but will not be considered unless all applicants from the first lottery have either filled vacancies or turned down offers of enrollment. After that time, SSIS will put all applications received after the June 30<sup>th</sup> deadline into a lottery system to fill openings at that grade level. It is not first-come/first-serve, but an additional lottery for all applicants who turned in an application after June 30<sup>th</sup>.
7. Students drawn for the first round of admissions (and their siblings, if applicable) will be notified by the second week in July. If offers of enrollment are turned down or there is a vacancy identified for some other reason, additional applicants will be notified in the order of their lottery assigned waiting list number.
8. Students not offered admission may reapply for the subsequent school year during the next enrollment window beginning January 1<sup>st</sup>. **Applications and all associated confirmation numbers and waiting list positions expire after one school year.**
9. If any information on the application is false or not openly disclosed, it will be grounds for immediate withdrawal.

## **Section VII. Student Achievement**

### **Please provide the following information:**

- Please attach a copy of your latest School Improvement Plan
- Please describe any discrepancies in goals between the School Improvement Plan and the Charter goals.
- Please explain any instructional methodologies that are critical to the success of your program goals.
- In any area in which there is needed improvement, please highlight the strategies in place to remediate problems or strengthen achievement.
- Please attach a graph or chart showing 5 year trends in reading, math, science and writing achievement and any other data that may be relevant.
- Please attach a chart showing the history of your school grades/AYP  
(You can access/print from FL DOE web site).

School Grades Trend Data
Florida Comprehensive Assessment Test (FCAT)/Statewide Assessment Trend Data
High School Feedback Report
K-12 Comprehensive Research Based Reading Plan

### ADMINISTRATORS

List your school's administrators and briefly describe their certification(s), number of years at the current school, number of years as an administrator, and their prior performance record with increasing student achievement at each school. Include history of school grades, FCAT/Statewide assessment performance (percentage data for achievement levels, learning gains, Lowest 25%), and Ambitious but achievable annual measurable objective (AMO) progress.

Position	Name	Degree(s)/ Certification(s)	# of Years at Current School	# of Years as an Administrator	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO Progress along with the associated school year)
Principal	Stephen Evans	AA in Science Ferrum College  BA in Education Marshall University  MA in Counseling  NC A&T State University  PhD Studies in Leadership Walden University	4	15	School Grades: 2008-2009 A rating 2009-2010 C rating 2010-2011 A rating 2010-2011 B rating  Stephen has expanded both the elementary and middle school campuses. Although the middle school remains in the same facility it has almost doubled in enrollment.

### INSTRUCTIONAL COACHES

List your school's instructional coaches and briefly describe their certification(s), number of years at the current school, number of years as an instructional coach, and their prior performance record with increasing student achievement at each school. Include

history of school grades, FCAT/Statewide assessment performance (Percentage data for achievement levels, learning gains, Lowest 25%), and AMO progress. Instructional coaches described in this section are only those who are fully released or part-time teachers in reading, mathematics, or science and work only at the school site.

Name	Degree(s)/ Certification (s)	# of Years at Current School	# of Years as an Instructional Coach	Prior Performance Record (include prior School Grades, FCAT/Statewide Assessment Achievement Levels, Learning Gains, Lowest 25%), and AMO progress along with the associated school year)
No data submitted				

### EFFECTIVE AND HIGHLY EFFECTIVE TEACHERS

Describe the school-based strategies that will be used to recruit and retain high quality, effective teachers to the school.

Description of Strategy	Person Responsible	Projected Completion Date	Not Applicable (If not, please explain why)
1 We advertise open positions, contact local colleges, and by word of mouth. We screen the resumes that are submitted, set up appointments to interview, and then, lead teachers join the interview process. Finally, interviewee are either asked to join our team or not.	Executive Director Administrative Assistant Lead Teachers	Within 2 weeks of position opening	

### Non-Highly Effective Instructors

Provide the number of instructional staff and paraprofessionals that are teaching out-of-field and/or who received less than an effective rating (instructional staff only).

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% [35]).

Number of staff and paraprofessional that are teaching out-of-field/ and who are not highly effective.	Provide the strategies that are being implemented to support the staff in becoming highly effective
No data submitted	

### Staff Demographics

Please complete the following demographic information about the instructional staff in the school.

\*When using percentages, include the number of teachers the percentage represents (e.g., 70% (35)).

Total Number of Instructional Staff	% of First-Year Teachers	% of Teachers with 1-5 Years of Experience	% of Teachers with 6-14 Years of Experience	% of Teachers with 15+ Years of Experience	% of Teachers with Advanced Degrees	% Highly Effective Teachers	% Reading Endorsed Teachers	% National Board Certified Teachers	% ESOL Endorsed Teachers
39	12.8%(5)	66.7%(26)	20.5%(8)	5.1%(2)	20.5%(8)	0.0%(0)	2.6%(1)	0.0%(0)	12.8%(5)

### Teacher Mentoring Program/Plan

Please describe the school's teacher mentoring program/plan by including the names of mentors, the name(s) of mentees, rationale for the pairing, and the planned mentoring activities.

Mentor Name	Mentee Assigned	Rationale for Pairing	Planned Mentoring Activities
Alicia Melendy	Rita Ginnapolus Kayla Blum Amy Warren Sarina Brewer Magaret Green	She took the mandatory classes last year at the	Mentoring, modeling, classroom observations,

	Corey Schwerin Gerardo Behori Allyson Snow Alicia Christian	district and meets the requirements.	and collaborative planning
--	---	--	----------------------------

## ADDITIONAL REQUIREMENTS

### Coordination and Integration

Note: For Title I schools only

Please describe how federal, state, and local services and programs will be coordinated and integrated in the school. Include other Title programs, Migrant and Homeless, Supplemental Academic Instruction funds, as well as violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education, and/or job training, as applicable.

#### Title I, Part A

The Title I Program is now in the third year and will enable the school to give more individualized attention to the skill areas that are the weakest as indicated on FCAT (Levels 1 and 2) and FAIR. The teachers will plan with the Title I teachers and will also monitor the progress of this additional instruction. The Title I personnel will do additional assessments to pinpoint other areas of concern and plan for the remediation of these areas as well. This program will coordinate the responsibilities for all Tier 1 and 2 students. Parents will become partners with us in regards to the education of their children. Resource materials have been and will continue to be purchased in order to support these students in the classrooms. A parent resource center has also been established in the library on the elementary campus and in the conference room on the middle school campus.

#### Title I, Part C- Migrant

#### Title I, Part D

#### Title II

#### Title III

#### Title X- Homeless

#### Supplemental Academic Instruction (SAI)

#### Violence Prevention Programs

#### Nutrition Programs

All Faiths Food Bank provides weekend supplemental foods for those in need. During the summer months, SSIS partnered with the district to offer a hot lunch program to provide continued support for those in need.

#### Housing Programs

#### Head Start

#### Adult Education

Career and Technical Education

Job Training

Other

Multi-Tiered System of Supports (MTSS)/Response to Instruction/Intervention (RtI)

School-based MTSS/RtI Team

Identify the school-based MTSS leadership team.

Suncoast School for Innovative Studies RtI Team is comprised of SSIS Administration, ESE providers, School Psychologist, School Counselor, and General Education providers. Its goal is to meet or exceed the district and state requirements for assisting in both the identification of students and eligibility. The team consists of and lists their primary responsibility: Executive Director- the primary purpose is to ensure that all participants are present and all options for intervention are explored within the ability of the services offered. General Education Teachers- provides information about the identified student and the services that are currently being offered, interventions taken, and parent communication. Exceptional Student Education (ESE) Teachers- provides information about support and assist in the Intervention Plan. Counselor- provides information about support programs and assists in the Intervention Plan. Psychologist- provides information as to the students' ability, if accessible, supports and assists in the Intervention Plan.

Describe how the school-based MTSS Leadership Team functions (e.g., meeting processes and roles/functions). How does it work with other school teams to organize/coordinate MTSS efforts?

The RtI Team meets twice a month to discuss the following: formative and summative student data, review grades, academic needs, instructional strategies, and delivery of services for identified students and monitors the time-lines of implementation of services for identifying students. Ongoing student progress and monitoring will occur to determine progress and assessment, needs and further instructional interventions. Several training sessions have been held for the members of this team both in the past and present year.

Describe the role of the school-based MTSS Leadership Team in the development and implementation of the school improvement plan. Describe how the RtI Problem-solving process is used in developing and implementing the SIP?

The school-based RtI Leadership Team will employ a continuous improvement process to create the SIP as outlined in the document. Input will be gathered from the grade level teams, the SAC and district teams. On a monthly basis, DBLT in collaboration with SBLT will oversee the implementation of the SIP Plan.

MTSS Implementation

Describe the data source(s) and the data management system(s) used to summarize data at each tier for reading, mathematics, science, writing, and behavior.

The Sarasota District provides a variety of student academic reports which disaggregate subgroups in all subject areas tested: reading, math, science, and social studies. We will continue to use FAIR (Florida Assessment for Instruction in Reading) and FOCUS (as data that will assist in our determination of academic needs).

Describe the plan to train staff on MTSS.

All staff of Suncoast School for Innovative Studies will receive training from the Sarasota School District on the RtI process. All staff members will be given ongoing communication throughout the year to keep them current on the support systems related to RtI.

Describe the plan to support MTSS.

Executive Director and Guidance Counselor continually monitor the process.

## Literacy Leadership Team (LLT)

### School-Based Literacy Leadership Team

Identify the school-based Literacy Leadership Team (LLT).

The Leadership Team consists of the Executive Director, Guidance Counselor, ESE Representative, and Lead Teachers from the primary, intermediate and middle grades.

Describe how the school-based LLT functions (e.g., meeting processes and roles/functions).

Lead Teachers meet on a weekly basis with their grade appropriate coworkers to address any concerns and/or issues.

What will be the major initiatives of the LLT this year?

As in years past, the major initiatives are focused on improving academics. In the past year we have seen both retention rates as well as our enrollment increasing. At this point in time we have a waiting list for most grades which warrants expansion initiatives.

## Public School Choice

Supplemental Educational Services (SES) Notification  
No Attachment

### \*Elementary Title I Schools Only: Pre-School Transition

Describe plans for assisting preschool children in transition from early childhood programs to local elementary school programs as applicable.

VPK and Kindergarten have a reciprocal relationship.

### \*Grades 6-12 Only

Sec. 1003.413(b) F.S.

For schools with Grades 6-12, describe the plan to ensure that teaching reading strategies is the responsibility of every teacher.

The majority of teachers have completed the Florida Online Reading Professional Development program and work together with their colleagues to promote reading instruction in content areas.

### \*High Schools Only

Note: Required for High School - Sec. 1003.413(g)(j) F.S.

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

How does the school incorporate students' academic and career planning, as well as promote student course selections, so that students' course of study is personally meaningful?

## Postsecondary Transition

Note: Required for High School - Sec. 1008.37(4), F.S.

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the High School Feedback Report

## PART II: EXPECTED IMPROVEMENTS

### Reading Goals

\* When using percentages, include the number of students the percentage represents (e.g., 70% (35)).

Based on the analysis of student achievement data, and reference to "Guiding Questions", identify and define areas in need of improvement for the following group:	
<b>1a. FCAT2.0: Students scoring at Achievement Level 3 in reading.</b>  <b>Reading Goal #1a:</b>	By the year 2013, there will be a minimum of a four percentage point increase for Level 3 students, when less than 70% are currently demonstrating proficiency (across Levels 3,4,5). There will be a minimum of a two percentage point increase for Level 3 students where 70% or more are currently demonstrating proficiency (across Levels 3,4,5). If 90% or more students are proficient, the school can maintain or demonstrate an increase in the percent proficient. No overall proficiency target will be less than 35% (across Levels 3,4,5) for any subgroup.
<b>2012 Current Level of Performance:</b>	<b>2013 Expected Level of Performance:</b>
Level 3 - 28%(61) Level 3,4,5 - 52%(113)	Level 3- 32% Level 3,4,5 - 56%

#### Problem-Solving Process to Increase Student Achievement

	Anticipated Barrier	Strategy	Person or Position Responsible for Monitoring	Process Used to Determine Effectiveness of Strategy	Evaluation Tool

<b>Adequate Progress of Lowest 25% in the School?</b>	61% (YES)	50% (YES)			111	Adequate Progress based on gains of lowest 25% of students in reading and math. Yes, if 50% or more make gains in both reading and math.
FCAT Points Earned					440	
Percent Tested = 100%						Percent of eligible students tested
<b>School Grade*</b>					C	Grade based on total points, adequate progress, and % of students tested

## **Suncoast School for Innovative Studies**

**Please describe any discrepancies in goals between the School Improvement Plan and the Charter goals.**

The School Improvement Plan was created in isolation of the Charter goals due to the fact that the Student Performance Objectives in the 2003 Charter Review are currently obsolete. These previous goals are no longer measurable. However, the current SIP plan takes in to account the previous year's FCAT scores and the state student achievement goals.

## Suncoast School for Innovative Studies

**Please explain any instructional methodologies that are critical to the success of your program goals.**

At Suncoast School for Innovative Studies we use a myriad of instructional strategies, all of which make our program what it is today. Some approaches we use include Kagan strategies, multiple intelligences, real world experiences, current events projects and technology. However, the instructional method that stands out for us is Howard Gardner's Theory of Multiple Intelligences.

Suncoast School for Innovative Studies has been using Gardner's theory of Multiple Intelligences since the school's inception and still finds it critical in the instructional process of our students. Howard Gardner believed we all learn and/or process information differently. SSIS screens each student using the TEELE Inventory for Kindergarten through Second Grade and an online screening through Edutopia for grades three through eight. After the screening each teacher incorporates the results and adapts his/her lesson plans accordingly.

According to Howard Gardner there are eight different ways we process information. The intelligences are: 1) logical-mathematical, 2) visual-spatial, 3) verbal-linguistic, 4) bodily-kinesthetic, 5) musical, 6) Interpersonal, 7) Intrapersonal, and 8) naturalistic. SSIS incorporates all eight of these intelligences into our student's daily learning. Our kindergartners sing the alphabet song as well as the days of the week song. First grade uses bodily-kinesthetic intelligence by acting out their robust vocabulary words each week. Our second graders incubate chicken eggs for 21 days while following the development from embryo to newborn chicks, using the naturalistic intelligence. In third grade our students design their own hats based on a vocabulary word and present the school with a Vocabulary Parade which uses the verbal-linguistic intelligence. Both our fourth graders and middle school students incorporate the interpersonal intelligence by journaling. Our fifth graders are exposed to Brain Pop in their classrooms as well as hands-on science experiments with friction using the logical-mathematical intelligence.

## Suncoast School for Innovative Studies

**In any area in which there is needed improvement, please highlight the strategies in place to remediate problems or strengthen achievement.**

- **Positive Behavior Support System-** In 2011, SSIS implemented a PBS system that follows the Florida PBS project model. This system focuses on the positive behaviors of students instead of the traditional discipline method. The strong collaboration that SSIS has between parents and staff allows for a team based approach to this model. Beginning in January 2013 a staff incentive plan will be added to PBS plan to reinforce a positive workplace for staff as well as students. Please see the details of our PBS plan in the attached documents.
- **Progress Monitoring-** All students who scored a level 1 or 2 on FCAT Reading or Math the prior year receive additional services from our support staff. Students in grades 3-8 that scored a level 1 or 2 in reading attend a 50 minute supplemental reading class once per week with our Title 1 student services teachers. Students in grades 3-8 who scored a level 1 or 2 in math receive additional support through a “push-in” method by these same teachers within their regular math classes. Student progress is measured using FAIR and LEARN scores three times per year as well as FCAT data at year end.
- **Florida Center for Reading Research-** Three times per year our teachers analyze student data from the Progress Monitoring and Reporting Network. They then utilize the resources from the FCRR to provide specific strategies to students in need of additional support.
- **English Speakers of Other Languages-** Due to the growing number of English Language Learners in need of additional support SSIS provides “pull-out” services. Students in need are pulled out and provided support on their classwork in their heritage language. These services are provided daily, bi-weekly, and weekly depending on the needs of the student.
- **Success Maker-** All students grades K-8 utilize the Success Maker computer program 2-3 times per week. This program allows each student to work at his/her own pace while receiving adaptive personalized lessons that aid in mastery of reading and mathematics concepts. Our teachers also use the data provided by Success Maker to differentiate instruction within their classrooms.

- **SSIS Free Tutoring Program-** SSIS provides free tutoring to all qualifying students grades K-8 2 times per week after school. Any student who scored a level 1 or 2 on the FCAT or has been referred by his/her teacher qualifies for this program. All tutors are highly qualified SSIS teachers. Students are tutored on the topics that they are currently covering in class through homework assistance. Students are grouped by grade level to allow peer assistance.
- **SES Tutoring-** Starting in 2012, SSIS students who received a level 1 or 2 on FCAT reading or math were given the opportunity to receive free tutoring funding by the state of Florida. Students who are selected receive 20 hours of small group or individual tutoring sessions provided by private tutoring companies. SSIS has taken full advantage of this program and currently has 43 students receiving services.

## Acknowledgement of Positive Behavior

### Monthly Incentives: *Panther Paws*

- Given out for behavior only (not academics)
- Can NOT be taken away from a student
- Each staff member receives a bag of paws. All staff should hand out paws randomly.
- Teachers should collect and track the number of paws per student on a weekly basis. Then, gather and return all yellow paws to Mrs. Loomis on Friday afternoons. Finally, totals from the month should be given to Mrs. Loomis on the designated date for that month.
- The reward store will be open the last Friday of each month
- All students present will be allowed to shop.

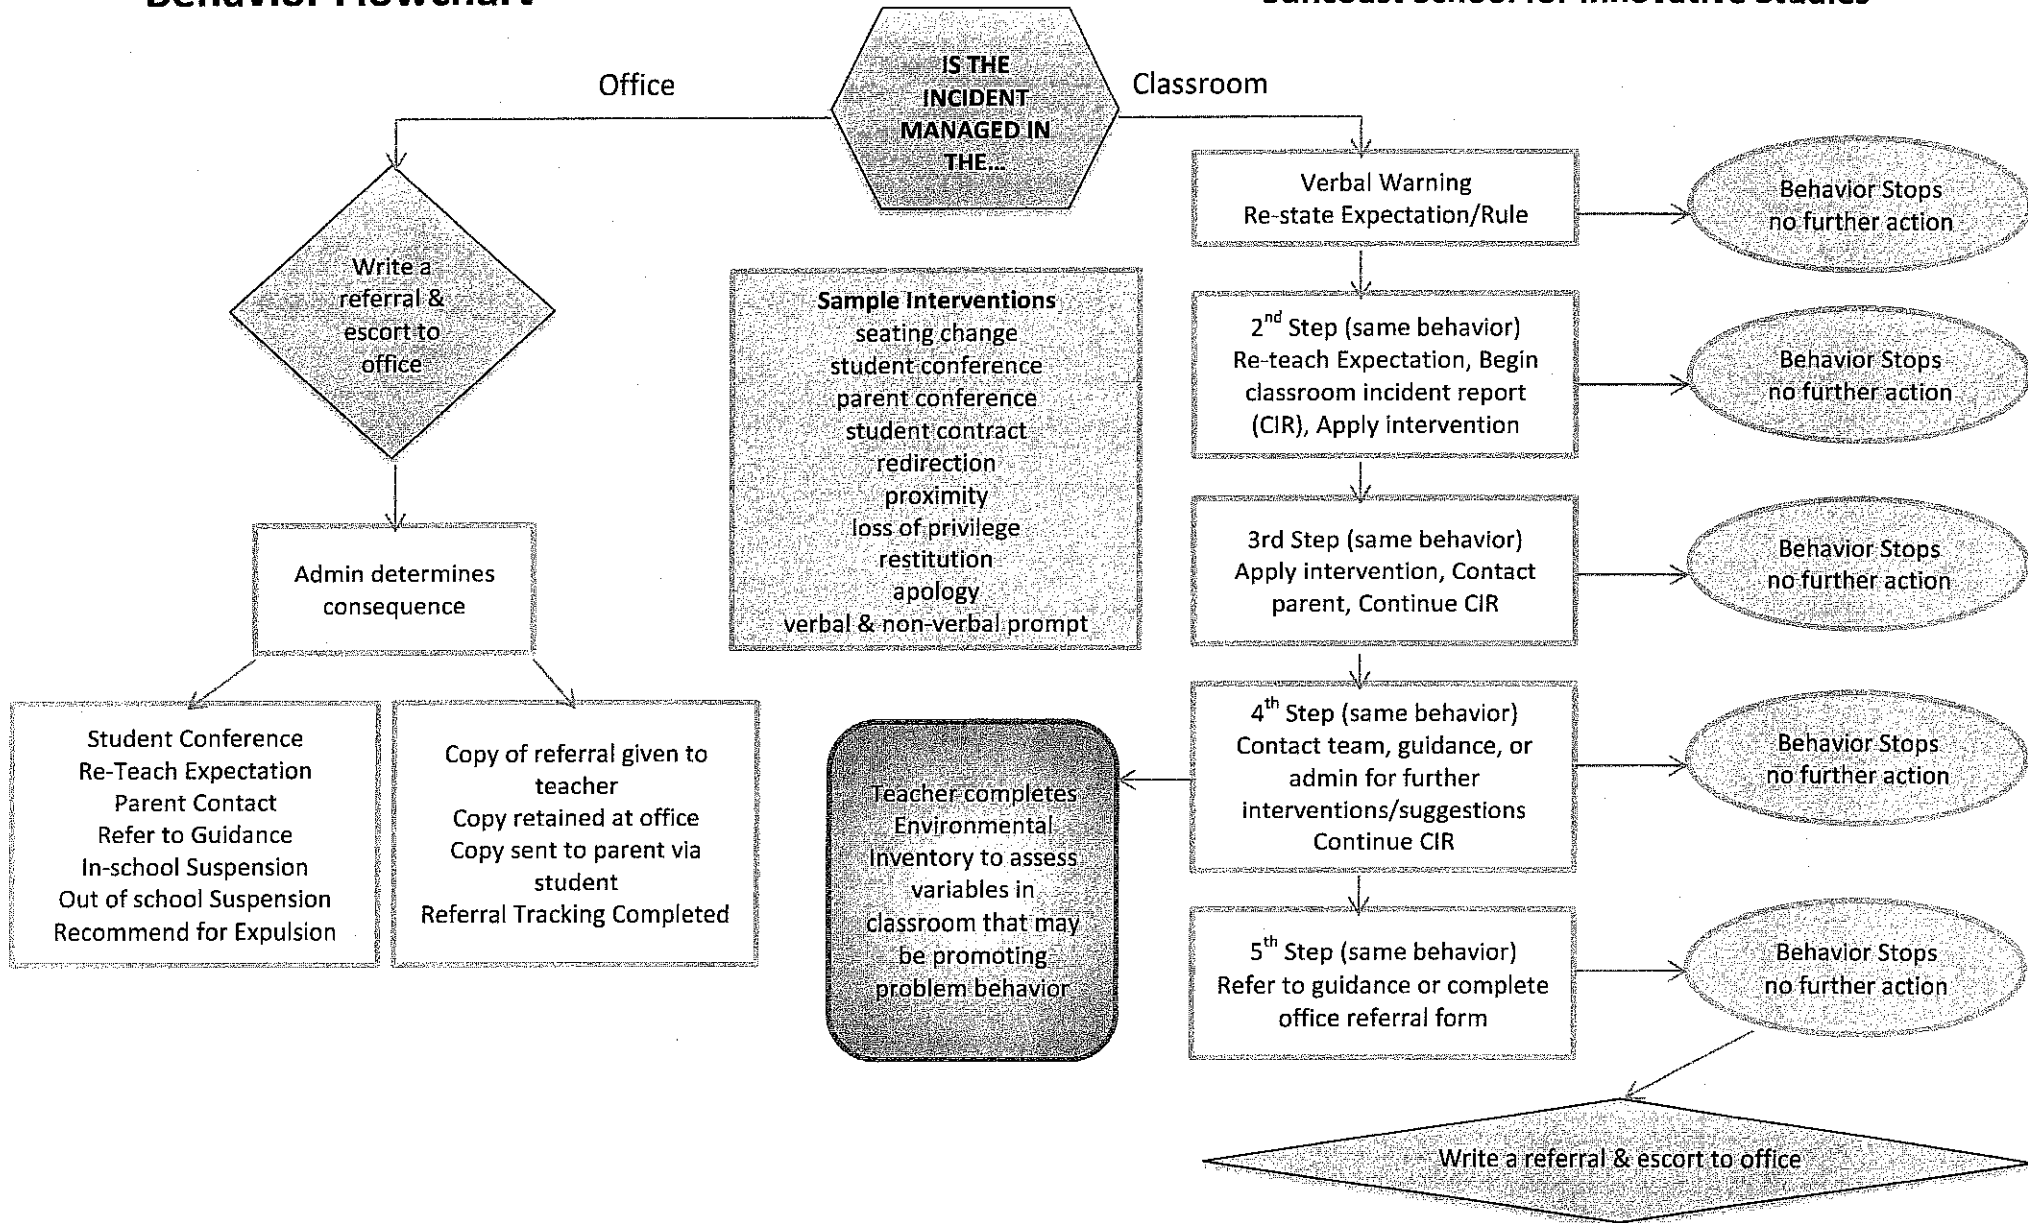

### Quarterly Incentives: *Panther Awards*

Each classroom and specials teacher will recommend 1 student per quarter for a Gold, Silver, and Bronze award. Classroom teachers should choose 3 from their own class. Specials teachers should choose 3 from the entire elementary population.

- Students should be chosen based upon the criteria for each award level.
  - Gold Award:** Student ALWAYS follows PAWS Expectations.
  - Silver Award:** Student gives his/her best effort to follow PAWS Expectations.
  - Bronze Award:** Student has made improvements in effort to follow PAWS Expectations.
- Once per quarter VPK-2 and 3-5 will have an awards assembly to honor Panther Award recipients. This assembly will not honor academics. Awards will be pre-made. Classroom teachers will present the awards to their students.
- Panther Award recipients will be invited to join in all or part of the quarterly **Reward Day**.
  - Bronze Reward:** snack/treat given out during lunch.
  - Silver Reward:** snack/treat given out during lunch and ½ hour of outside games after lunch.
  - Gold Reward:** snack/treat given out during lunch, ½ hour of outside games after lunch, and end of the day movie.

# Behavior Flowchart

## **Section VIII. Financial Sustainability**

**Please provide the following information to document the school's financial sustainability:**

- Please submit a copy of the school's financial policy and procedure manual including all instructions for managing internal controls.
- Please submit a copy of the school's Financial Recovery Plan (if applicable).
- Please detail any anticipated significant changes in school revenue or expenditures during the next five years, including grants or other external funding, enrollment changes, and capital needs.
- If there is a plan for a change in the school's current site or a plan to move to another site, please give a detailed description of the manner in which those changes would be financed.

## **Suncoast School for Innovative Studies**

Suncoast School for Innovative Studies (SSIS) is one of the oldest charter schools in Sarasota County, opening its door in 1998. Since its inception, SSIS has had its share of good times, however, good times were at times overshadowed by continuous concerns. Since 1998 SSIS has had five different administrative leaders. There has been on-going student behavioral concerns, and low to average academic performance. The schools technology and overall amenities were well below standard as well as the facilities which were overpriced, thus leading to serious financial concerns and the schools inability to increase its student population. In July of 2009, due to the schools poor financial over site, SSIS was required by the State of Florida to submit a Deficit Elimination Plan in an effort to keep its doors open.

During its tenure the school suffered a variety of concerns in the following areas: poor administrative leadership, staff turnover, poor attendance and student enrollment, records, finance, disciplinary issues and insufficient overpriced facilities. In three years our program has established clear leadership within our elementary and middle school buildings. We are pleased to share that 2010-2011 was our first year that we did not encounter any staff turnover. We have also increased our student body by over 100 students and now maintain one of the highest attendance rates in the district. Our student reenrollment for the last two years has been over 85%. Currently our reenrollment has surpassed 90% on both our campuses. Our student records and building level organizational records are exceptional. We are also pleased to share that our last two building audits have been clean with no outstanding concerns to report. In February of 2011, our elementary school broke from the 1300 South Tuttle Avenue location, shared with the middle school, and into a separate facility at 845 S. School Avenue. We also purchased the school's first outside play structure.

Our current enrollment at the elementary school is 233 students with 20 voluntary pre-kindergarteners. The middle school enrollment currently stands at 149. The total enrollment for the 2011-2012 school year for both campuses is 382 students. Our building capacity for the elementary school, complying with the Florida Class Size Amendment, is 254 students. Our current middle school building capacity, complying with the Florida Class Size Amendment and building space availability, is 192. We are currently working to facilitate such numbers for 2012-13 school year.

**Suncoast School for Innovative Studies**

**Please submit a copy of the school's financial policy and procedure manual including all instructions for managing internal controls.**

## **INTRODUCTION**

The Directors and management of Suncoast School for Innovative Studies, Inc. (SSIS), recognize their responsibility to the students, teachers, taxpayers and general public to provide cost-effective educational services to its student population. As part of that responsibility, the Directors have adopted this accounting policy manual. The procedures in this manual are designed to safeguard the assets of the school and permitting the effective collection and distribution of financial information to interested parties.

The policies in this manual are constantly evaluated in lieu of changes in the external environment outside of the immediate control of SSIS. Such environmental issues may include but are not limited to changes in laws and regulations, technology, and generally accepted accounting principles. The Board of Directors may make changes to all or any portion of these policies as needed.

As with any system of internal control designed to protect assets, insure compliance with lawful regulations and accurate financial reporting, the cost of implementing control procedures must be compared with the related benefit. Larger organizations may use procedures and techniques that simply do not work well in smaller organizations like SSIS. The most common of these techniques is the adequate segregation of duties, denying any single employee the ability to safeguard an asset while having access to the related accounting records. The small number of administrative staff makes such safeguards difficult to implement. The accounting policies were designed assuming a limited number of administrative personnel and include an adequate separation of duties whenever this technique can be implemented on a cost effective basis.

## **BUDGETS**

The Directors and Management of SSIS mandate the use of a one- year operating budget to:

- Monitor the operations of SSIS and take corrective action as needed.
- Evaluate the effectiveness of certain programs and initiatives in lieu of the resources utilized.
- Determine the need for additional short-term or long-term financing.

A summary of the budget follows:

### Preliminary draft (Due June 1<sup>st</sup>)

The Executive Director and Accounting Manager will provide a preliminary draft of the operating budget to the SSIS Board of Directors no later than June 1<sup>st</sup>. The preliminary drafts will be created using:

- Prior year actual
- Known changes in existing contracts or expenditures
- Proposed changes in future operation

### Budget modifications proposed by Executive Director and staff

The Executive Director, working in conjunction with the school staff, will make changes as needed. The budget ultimately presented to the Board of Directors cannot propose an operating deficit in excess of the amount of the prior year's accumulated surplus.

### Board Approval due (June 1<sup>st</sup>)

A majority of the Board of Directors must approve a final budget before August 1<sup>st</sup>.

### Subsequent changes

The Executive Director may propose changes to the budget during the year. The justification for the change as well as estimated cost shall be the Executive Director's considerations when making a change to an existing operating budget.

Changes to the budget that change the total revenues or expenditures by more than \$5,000 must be approved by a majority vote of the Board of Directors.

## PURCHASING

The Directors and Management of SSIS recognize a need for certain procedures to:

- Limit authorized expenditures to the ordinary and necessary needs of SSIS
- Assure that SSIS obtains value for the resources expended.
- Implement these controls in a cost effective manner.

The related procedures vary according to the amount of the anticipated purchase and the type of product or service acquired.

### Contracts for instructional, professional and similar services

The Executive Director shall be responsible to negotiate contracts with:

- Instructors (both full-time and part-time)
- Teachers Aides
- Other certified providers (speech & language therapy, physical therapy, tutoring)
- Professional service providers (curriculum development, accounting, human resources)
- Other service providers ( custodial, maintenance, facility maintenance)

The value of these contracts should consider the current market conditions for the service acquired and associated educational and work experience. The aggregate of these contracts will not exceed the annual budget for such services as approved by the Board of Directors.

### Individual purchases of goods or services valued at less than \$5,000

Purchases of \$5,000 or less may be initiated by any school employee with written approval of the Executive Director and require 1 signature, that of the Executive Director. These purchases must be made from an approved vendor list created with management approval of any other vendors (well recognized, used in the past, recommended by the Executive Director, or alike).

The Purchases may be executed by:

- Employee using their own money and requesting reimbursement
- Employee given a check payable to the vendor for the amount of purchase
- Employee may charge the purchase using a school credit/debit card.

Regardless of the method of purchase a receipt must be presented prior to reimbursement.

Individual purchases of \$5,000 or more

These purchases must be approved by the Executive Director and a majority of the Board of Directors after a competitive bidding process. The bidding process must include written estimates from no less than (3) recognized vendors. The Board of Directors should consider the overall value of each proposal and is permitted to, but not required to, select the lowest bidder.

The table below summarizes the various approvals needed for each purchase:

<u>Type of Purchase</u>	<u>Type of approval</u>	<u>Level of approval</u>
Contracts for services	Executive Director	Written
Less than \$5,000	Executive Director	Written
\$5,000 or more	Executive Director and Board	Written plus 3 bids

**Invoice Approval**

Strict adherence to the purchasing procedures described in the previous section mitigates much of the risk or processing of an inappropriate invoice. The remaining invoices will likely relate to recurring expenses related to occupancy and routine expenses. These expenditures are normally predictable and significant variations can easily be detected by the Accounting Manager while performing more routine duties.

Invoices that arrive in the incoming mail will be delivered to the Accounting Manager who will:

- Review the invoices for inappropriate vendors/or purchases and bring the same to the attention of the Executive Director for signature.
- Match any related paperwork (purchase orders, approvals or evidence of delivery) to the invoice and submit to Accounting Manager.
- Process the invoice into the computer system so it appears on the list of outstanding invoices to be paid. Get the Director's signature or Board signatures as appropriate.
- Provide the Executive Director with a current list of unpaid invoices as requested.

The Executive Director will approve each invoice for payment by signing off on the invoice.

## **DEPOSITS**

Management recognizes that retaining or processing cash payments generates a significant risk of misappropriation. SSIS will make an effort to limit the amount of cash collected by the employees and management. Parents and funding sources will be asked to make remittances by check whenever possible.

The Administrative Assistant will gather and deposit funds as necessary. All deposits will be made intact and details of the payee and reason for the remittance will be documented on the deposit slip, funds identified and coded and submitted to the Accounting Manager. A duplicate deposit slip shall be retained in the books and records of SSIS.

## **COMPUTERIZED DISBURSEMENTS**

Management recognizes that making expenditures by manual check generates an increased risk of misappropriation or misclassification. Every effort will be made to limit the number of manual checks written by SSIS.

As needed, the Accounting Manager will process unpaid invoices by writing computerized checks. In most circumstances, the budget process should enable each invoice to be paid in a timely manner. Every effort should be made to avoid late charges and penalties.

The computerized check should have at least one check stub. The check stub will be stapled to the supporting documents and/or invoice and presented to the Executive Director for signature. In compliance with the purchasing policy checks less than \$5,000 shall be signed by the Executive Director, over \$5,000 by the Executive Director and a Board Member. The signed checks should be given to the Administrative Assistant for mailing. After mailing, the supporting documents and/or invoices should be returned to the Accounting Manager for filing. The documents should be retained for no less than three years.

## **MANUAL DISBURSEMENTS/PETTY CASH**

It may be necessary to write a manual/petty cash check if the Accounting Manager is not available. Efforts should be made to avoid these manual/petty cash checks since the risk of erroneous coding or mishandling increases when checks are written by hand.

## **CREDIT/DEBIT CARD**

As banking becomes more and more automated, it is likely that SSIS will be encouraged to use a magnetic strip card (i.e. Credit/Debit Card) to make routine purchases from recognized vendors. While the Credit/Debit Card makes it easier to purchase goods and services, the lack of documentation and/or pre-approvals makes the control of these transactions more difficult.

The Credit/Debit Card should be released to SSIS employees only to make specific purchases and only after approval by the Executive Director. The card should be returned to the Administrative Assistant when the purchase is complete. The user of the Credit/Debit Card should also provide to the Administrative Assistant or Accounting Manager all related paperwork.

The Executive Director should make random examinations of the on-line bank statements to look for unauthorized charges and report those charges to the bank as soon as possible. Employees who use the Credit/Debit Card in an inappropriate manner are subject to disciplinary action which may include termination of employee and/or legal action.

## **CASH REPORTING AND BANK RECONCILIATIONS**

The Accounting Manager is required to maintain a contemporaneous record of the cash balances and provide such a record to the Executive Director and/or Board of Directors as requested.

The monthly bank statements should be delivered directly to the Executive Director. The Executive Director will then forward them to the Accounting Manager. The Executive Director should review the statements and enclosures for significant or unusual items before delivering same to the Accounting Manager and Board Treasurer as requested.

The Accounting Manager should prepare a bank reconciliation for each cash account. The reconciliation should include a list of outstanding deposits and outstanding checks, enabling the user to evaluate the nature and quantity of reconciling items. The monthly bank reconciliations should be reviewed by the Executive Director and Board Treasurer for completeness and accuracy.

## **FINANCIAL REPORTING- EXECUTIVE DIRECTOR**

The Executive Director shall have access to all of the books and records of SSIS and can request various reports and schedules from the Accounting Manager as considered necessary.

It is anticipated that the Executive Director will request:

- Check registers ( a summary of deposits, withdrawals and cash balances)
- Accounts receivable aging schedule
- Accounts payable aging schedule
- Schedules of projected cash balances (near-term, long-term)
- Schedule of property, plant and equipment (including allowances for depreciation)
- Payroll summaries
- Balance sheets
- Statements of income and/or operations
- Statements of budget versus actual
- General ledgers

The Executive Director must specifically authorize the distribution of financial information to outside parties other than the Board of Directors and the School Board of Sarasota County.

## **FINANCIAL REPORTING- BOARD OF DIRECTORS**

The Accounting Manager shall provide to the Executive Director for subsequent distribution to the Board of Directors monthly financial statements which include:

- Balance sheets
- Statements of income and/or operations
- Statements of budget versus actual
- General ledgers

Additional financial information may be requested by the Board of Directors as considered necessary.

## **FINANCIAL REPORTING-SCHOOL BOARD OF SARASOTA COUNTY**

### **Interim Financial Statements**

The Accounting Manager shall provide to the School Board of Sarasota County no later than August 15<sup>th</sup> an unaudited financial statement prepared in accordance with governmental accounting standards including:

- All Funds
  - Statement of Net assets
  - Statement of Activities

#### \* Government Funds

- Balance Sheet
- Reconciliation of the Government Funds Balance Sheet to the statement of Net Assets
- Statement of Revenues, Expenditures, and Changes in Fund Balances-Governmental funds
- Reconciliation of the Statement of Revenues, expenditures and changes in Fund Balances of Governmental Funds to the Statement of Activities

These financial statements may only omit the management discussion and analysis or MD&A, footnote disclosures, the report to the Auditor General and the management letter comments.

## **AUDIT**

As a continuing effort to safeguard the public trust and improve the operations of SSIS, an annual audit of the financial records shall be performed by an independent certified public accountant licensed in Florida. The audit report and related management letter must be delivered to the Executive Director, School Board of Sarasota County and the Auditor General's office no later than November 1<sup>st</sup>.

## Suncoast School for Innovative Studies

**Please detail any anticipated significant changes in school revenue or expenditures during the next five years, including grants or other external funding, enrollment changes, and capital needs.**

During the next 5 years SSIS is anticipating significant changes. The current rental rate for the elementary program is \$12,000.00 per month with a ten (10) year lease. The middle school rental rate was \$25,000.00 per month in a smaller facility with no amenities. The middle school lease rate has been renegotiated to \$13,000.00 per month, through June of 2013. The current middle school lease agreement is through the 2015-16 school year, however, we have negotiated a buy-out option for the close of the 2012-13 school year. It is imperative that we have an option for our 2013-2014 middle school campus.

Our business plan consists of opting out of this current middle school lease agreement in an effort to continue to grow our middle school and our elementary program. If this is achieved within the next three years, we will then implement our high school leadership program. The leadership high school program/campus will consist of three rotations of each grade level 9-12 at 22 students each for a total of 264 students, thus increasing our revenue to over \$6 million annually.

As of June 30, 2012 SSIS had 26 Sarasota County District asset items. As of December 1, 2012 all appropriate forms were completed for the return of these items to the district. As of December 12, 2012 these items have not yet been picked up. All remaining assets at SSIS are the property of SSIS. SSIS acquired the appropriate textbooks needed for core academic classes and made them accessible on line to students and parents.

The technology that SSIS currently uses has been on a lease to own basis. At the end of the 2012-2013 school year, the entire elementary computer lab and phone system will be paid in full and the property of SSIS. All Dell super thin laptop computers utilized by SSIS employees will also be paid in full. In 2012 Panasonic Elite Panaboards were installed in all elementary classrooms and middle school science and math classrooms. These will become the property of SSIS by the close of the 2014-2015 school year.

The combined elementary, middle and high school campuses would make SSIS one of the largest and most innovative charter schools in Sarasota County, and the only K-12 charter school in Sarasota County.

**If there is a plan for a change in the school's current site or a plan to move to another site, please give a detailed description of the manner in which those changes would be financed.**

### Current Status

In the spring of 2009, under the direction of a new Board of Directors and new Executive Director, SSIS has made substantial improvements to its program over the last three years. Our current status includes:

- School population is 382 students
- Separate elementary school building, with all amenities, 845 School Ave
- Renegotiation of 1300 S. Tuttle Avenue building lease reduced by half; \$25,000 per month to currently \$13,000 per month with a buy out option in June of 2013, thus allowing early termination of our current lease which runs through 2015 It is saving the school over \$400,000
- State of the art computer technology for staff and students on both campuses including kindles, smart PADs, and Interactive Panaboard technology
- Health and retirement plan coverage for employees
- Three consecutive clean financial audits

### 3-6 Year Student Growth Plan:

It is our goal by August of 2013 to increase both our school campus populations. In order for our campuses to facilitate the increases, property development will be required. This student increase will allow for both our school campuses to operate independently and become self-sustaining. In order to meet this aggressive timeline, SSIS is....

- Negotiating the terms to increase our elementary population from 233 to 400.
- Negotiating the terms for the relocation of our middle school, currently located at 1300 S. Tuttle Avenue. This relocation will allow for increased building wide amenities and a population from currently 149 to 300 students while maintaining a lower rental rate of \$11,000 as opposed to the renovated rate of \$23,000 per month.

It is our goal to increase our VPK-8<sup>th</sup> grade population from approximately 400 to 700 by 2014-2015.

Based on current parent and student interest, the Board of Directors has begun considering the implementation of a high school. If our three year development plans progress as scheduled, it will be our goal to amend our charter and move forward August 2015. We will increase our enrollment with the addition of grades 9 to 12 by the year 2018 with a maximum enrollment of 300 students at the high school level.

*Special Note: All charter amendment requests require the SSIS Board of Directors' approval. This document should only be used as a proposed growth plan.*

## **Section IX. Future Plans of the School**

**The Charter School should briefly discuss the future plans for the school, its students, and community.**

- Please itemize any new instructional approaches planned for the future.
- Please submit any facility drawings or other building improvement documents (if applicable).
- Please define any ongoing concerns for which the school will need external assistance.

## **Suncoast School for Innovative Studies**

**Please itemize any new instructional approaches planned for the future.**

If space is made available, it is our goal to grow our middle school program to at least 250 students mirroring the number and size of our elementary school. With 250 students the middle school would consist of at least three rotations of sixth, seventh, and eighth grade classes. If space is provided to do so, we would then have the option to grow our elementary campus to increase enrollment to 400 students. The combined campuses would increase our student enrollment to nearly 700 students. This additional class space would increase our annual revenues from \$2,952,372.00 to an estimated \$4,611,489.00.

We would then be able to accommodate an Arts program that would include music and drama. This would also allow SSIS to continue to add additional innovative technologies that will align with the approaching Common Core Standards. In order to continually improve student achievement SSIS plans to use Kagan strategies more aggressively. These strategies would include, but not be limited to mixed pair share, show down, round robin, and take off; touch down. The combined usage of Kagan Strategies and Gardner's Theory of Multiple Intelligences allows for more opportunities to incorporate differentiated instruction.

### **Current Numbers of Classroom Spaces:**

Elementary Campus: 13

Middle School Campus: 6

### **Expected Number of Classroom Spaces by 2016-2017:**

Elementary Campus: 18

Middle School Campus: 9-12

## **Suncoast School for Innovative Studies**

**Please submit any facility drawings or other building improvement documents.**

The future plan of the elementary campus is to add a modular building to the existing structure at 845 S. School Avenue. This would give 4 classrooms on the first floor of slightly over 800 square feet and five on the top floor of just over 700 square feet. The roof of the first floor would carry the walkway that would connect to the bridge going to the other building and restrooms on the second floor. The Board of Directors has plans to further discuss these ideas at the December 12<sup>th</sup> Board Meeting.

Sketches and pictures are on the following page.

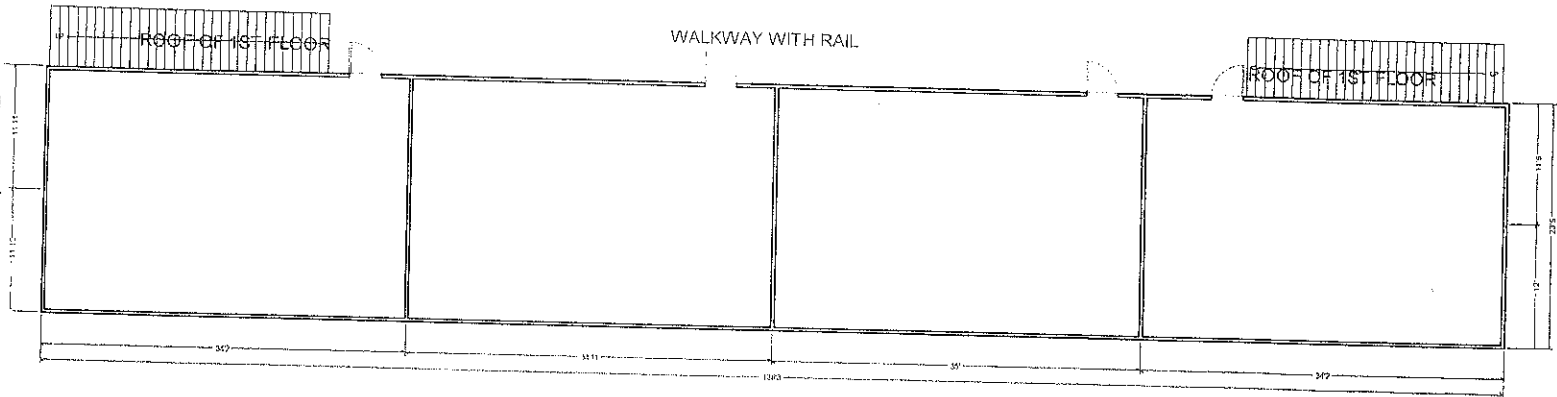

The future plan of the middle school is to relocate to the former West Florida Christian School Campus located at 4311 Wilkinson Rd. This campus will provide two classroom wings with 18 classrooms. There is a gym with lockers, a regulation size sports field, a music room, science lab, and library. Moving to this campus will allow amenities never offered before. Also, this campus is located off two main roadways, and provides for a safe school operating environment.

Sketches and pictures are on the following pages.

**CHARLIE CRIST**  
GOVERNOR

November 6, 2009

Mr. Stephen Evans  
Suncoast School For Innovative Studies  
Sarasota  
1300 South Tuttle Avenue  
Sarasota, FL 34239-2603

Dear Mr. Evans:

Congratulations to the students and teachers of Suncoast School For Innovative Studies for their outstanding academic performance during the 2008-2009 school year. In recognition of this achievement, the State of Florida is pleased to present to you \$17,701 in School Recognition Funds.

Earning this recognition is a distinct honor and demonstrates the proven ability of your staff to create a positive learning environment to ensure that all students are well prepared for their future. Your hard work and dedication are evidenced by the success of your students, and you should take pride in this accomplishment.

The 2009 Florida School Recognition Program rewards schools that receive an "A," improve one or more letter grades from the previous school year, or maintain their grade after having improved two or more letter grades from 2007 to 2008. The funds can be used for nonrecurring bonuses to your school's faculty and staff, nonrecurring expenditures for educational equipment or materials, or for temporary personnel to assist your school in maintaining or improving student performance. With funding provided by the Legislature, the state calculated awards based on \$75 per full-time equivalent student. Awards will be electronically transferred to your school account, and you may access the funds as soon as your school's staff and school advisory council jointly decide how to use the award.

Thank you for your leadership and commitment to raising student achievement. Our best wishes to your entire school community for continued success in the new school year.

Sincerely,

Handwritten signature of Charlie Crist in black ink.

Charlie Crist  
Governor

**MEMORANDUM**

**TO:** Mr. Stephen Evans, Director  
Suncoast School for Innovative Studies

**FROM:** Scott Lempe  
Chief Operating Officer

**DATE:** June 29, 2009

**SUBJECT:** Grade "A" School

I want to take this opportunity to say congratulations to the Suncoast School for Innovative Studies staff and students for being graded an "A" school by the Florida Department of Education. Because our District has achieved at such high levels, we often take these significant accomplishments for granted. In truth, an "A" grade is only possible through the hard work and dedication of the entire team; teachers, staff, parents and students.

You and your staff have every right to be very proud of your accomplishments. At the end of the day it's all about kids – and something is obviously working at Suncoast School for Innovative Studies.

Please pass my congratulations and thanks to your staff. I'm personally proud to be associated with such outstanding professionals. I hope you and your staff enjoy an extra long summer and are ready to come back to a new and exciting school year focused on our nation's most precious resource --- our children!

Sincerely,

Scott J. Lempe  
Chief Operating Officer
