			TOTAL	9	

In order to be eligible for the above credits, students must:

- ✓ Meet the admission policy requirements of Manatee Community College and be accepted into the program.
- ✓ Begin class within one year of the date of high school graduation or technical institute program completion.
- ✓ Credits will be placed on student's MCC transcript after student has completed 15 semester hours of MCC credits.

* Student may be required to take a written and/or skills assessment given by MCC Civil Engineering Technology or Drafting and Design Technology faculty.
See "Conditions of Agreement" on the official/signed agreement in the appendix of this document.

**Credit may be awarded upon the discretion of the Civil Engineering Technology faculty and/or evaluation of student's portfolio and passing the final exam for the course.

ARTICULATION AGREEMENT BETWEEN MANATEE COMMUNITY COLLEGE
and
MANATEE & SARASOTA COUNTY TECHNICAL INSTITUTES
and
THE SCHOOL BOARDS OF MANATEE AND SARASOTA COUNTIES

Drafting

CONDITIONS OF AGREEMENT:

1. The student must enroll and be admitted to MCC in the Program of Study leading to an Associate in Applied Science degree in one of the following designated programs: Civil Engineering Technology within two (2) calendar years from either graduation from high school or completion of the Drafting Program at the postsecondary adult vocational program.
2. The student makes application for CEL (Credit for Experiential Learning) credit with the Director of Occupational & Technical Education for the above courses. All CEL fees will be waived. To meet CEL requirements for college equivalency credit the student must present a portfolio and pass MCC final exam for each of the courses for which credit is to be awarded.
3. SCTI/MTI submits a transmittal form, signed by the Director, to the MCC records office indicating the competencies completed by the student.
4. The student has completed all other requirements for graduation.
5. Portfolio shall include at least 50% of manual board drafting.

The articulated credit will be placed on student's transcript upon completion of fifteen (15) semester hours of college credit courses.

7. Additional credit for previous training may be awarded at the discretion of the program manager and upon presentation of a portfolio or results of additional testing.

REVIEW PROCESS:

This articulation agreement will be reviewed every two years unless superseded by a statewide articulation agreement.

Once initially established and appropriate approvals are secured, the Articulation Agreement shall remain in effect until revised or revoked. Sixty (60) days written notice must be given by either party to revoke an Articulation Agreement.
