MANAGEMENT LETTER

Board of Directors
Sarasota School of Arts and Sciences, Inc.
Sarasota, Florida

We have audited the financial statements of Sarasota School of Arts and Sciences, Inc. (a Charter School and component unit of the School Board of Sarasota County, Florida) as of and for the year ended June 30, 2010, and have issued our report thereon dated October 28, 2010.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States. We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*. Disclosures in that report, dated October 28, 2010, should be considered in conjunction with this management letter.

Additionally, our audit was conducted in accordance with the provisions of Chapter 10.850, Rules of the Auditor General, which governs the conduct of charter school and similar entity audits performed in the State of Florida. This letter includes the following information, which is not included in the aforementioned auditor's reports.

- Section 10.854(1)(e)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations in the prior year audit.
- Section 10.854(1)(e)2., Rules of the Auditor General, requires a statement be included as to whether or not the Charter School has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the Charter School did not meet any of the conditions described in Section 218.503(1), Florida Statutes.
- Section 10.854(1)(e)3., Rules of the Auditor General, requires that we address in the management letter recommendations to improve financial management. A recommendation was reported under the heading *Current Year Findings and Recommendations*.
- Section 10.854(1)(e)4., Rules of the Auditor General, requires that we address violations of provisions of contracts or grant agreements, or abuse, that have an effect on the financial statements that is less than material but more than inconsequential. In connection with our audit, we did not have any such findings.

- Section 10.854(1)(e)5., Rules of the Auditor General, provides that the auditor may, based on professional judgment, report the following matters that have an inconsequential effect on the financial statements considering both quantitative and qualitative factors: (1) violations of provisions of contracts or grant agreements, fraud, illegal acts, or abuse, and (2) control deficiencies that are not significant deficiencies. In connection with our audit, we did not have any such findings.
- Section 10.854(1)(e)6., Rules of the Auditor General, requires the name or official title of the charter school to be disclosed in the management letter. The official name of the charter school is Sarasota School of Arts and Sciences, Inc.
- Pursuant to Sections 10.854(1)(e)7.a. and 10.855(10), Rules of the Auditor General, we applied financial condition assessment procedures. It is management's responsibility to monitor the Charter School's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Pursuant to Chapter 119, Florida Statutes, this management letter is a public record and its distribution is not limited. Auditing standards generally accepted in the United States of America require us to indicate that this letter is intended solely for the information and use of the Board of Directors and management, and the State of Florida Office of the Auditor General, and is not intended to be and should not be used by anyone other than these specified parties.
