## ATTENDANCE MATTERS YOU CAN HELP!

February 2, 2018

To the Parents/Guardians of:  
John Doe  
1960 LANDING BLVD  
SARASOTA, FL 34231

RE: John Doe

Dear Parent(s)/Guardian(s):

John was absent 28 days so far this school year.

Your student has missed more school than their classmates.

Your student's absence

28 days

Typical classmate's absence

Students fall behind when they miss school - whether students are absent for excused or unexcused reasons. You can have a big effect on John's absences this semester. We appreciate your help.

Sincerely,

***Barbara Shirley***

Thank you Mrs. Botti  
You made a positive impact in my life by:  
Always encouraging me to be an  
overall better person and helping me  
strive for things I don't think I can  
achieve.

I am so thankful for you!

Sincerely,
