Manatee Community College

Building Construction

High School Course	Technical Institute Course	Student Assessment	Manatee Community College Course(s)	Credits	Manatee Community College Aligned Program(s)
8720300 Building Construction 1 - 7	I460401 Building Construction Technology (1900 clock hours) 2 OCPs	*		3	Building Construction Technology
			TOTAL	3	

In order to be eligible for the above credits, students must:

- ✓ Meet the admission policy requirements of Manatee Community College and be accepted into the program.
- ✓ Begin class within one year of the date of high school graduation or technical institute program completion.
- ✓ Credits will be placed on student's MCC transcript after student has completed 15 semester hours of MCC credits.

* Student may be required to take a written and/or skills assessment given by MCC Civil Engineering Technology or Drafting and Design Technology faculty.

ARTICULATION AGREEMENT BETWEEN MANATEE COMMUNITY COLLEGE
and
THE SCHOOL BOARDS OF MANATEE AND SARASOTA COUNTIES

BUILDING CONSTRUCTION TECHNOLOGY

In a continuing effort to provide seamless transition from secondary to post-secondary career ladder programs, and in accordance with the Carl D. Perkins Vocational Technology Amendments of 1990, Manatee Community College agrees to extend at no cost to the eligible students (other than the requisite application fee(s)) full college credit to those who have completed **Building Construction Technology** program at the Manatee and Sarasota County High Schools.

CONDITIONS OF AGREEMENT:

1. To apply for MCC credit under this Agreement, the student must have official transcripts sent to MCC showing work previously completed at any Manatee or Sarasota County high school.
2. Student must be enrolled and admitted to MCC in the Program of Study leading to the Associate of Applied Science Degree in Building Construction Technology within two (2) calendar years from graduation from high school.
3. Students who have successfully completed the Practical Construction program and have an official transcript sent to the MCC will be awarded three semester hours credit toward the A.A.S. Degree in Building Construction Technology for the courses listed on the front.
4. The articulated credit will be placed on the student's transcript upon completion of fifteen (15) semester hours of college credit courses.
5. Course syllabi/frameworks showing student performance outcomes and standards will be on file at Manatee Community College.

6. The student makes application for CEL (Credit for Experiential Learning) credit with the Director of Occupational and Technical Education. All CEL fees will be waived.

REVIEW PROCESS:

This articulation agreement will be reviewed every two years unless superseded by a statewide articulation agreement.

Once initially established and appropriate approvals are secured, the Articulation Agreement shall remain in effect until revised or revoked. Sixty (60) days written notice must be given by either party to revoke an Articulation Agreement.
