ARTICULATION AGREEMENT BETWEEN MANATEE COMMUNITY COLLEGE
and
MANATEE & SARASOTA COUNTY TECHNICAL INSTITUTES
and
THE SCHOOL BOARDS OF MANATEE AND SARASOTA COUNTIES

Drafting and Design Technology

In a continuing effort to provide seamless transition from secondary to post-secondary career ladder programs, and in accordance with the Carl D. Perkins Vocational Technology Amendments of 1990, Manatee Community College agrees to extend at no cost to the eligible students (other than the requisite application fee(s)) full college credit to those who have completed the **Materials and Process Technology** programs at the technical institutes and the Manatee and Sarasota County High Schools.

CONDITIONS OF AGREEMENT:

- Students who have successfully completed the Materials and Processes Technology and have an official transcript sent to MCC and receive a score of at least 70% on an **appropriate** examination will be awarded 6 semester hours credit toward the **A.A.S. Degree in Drafting and Design Technology** for ETI 2411C - Materials and Manufacturing Processes.
2. The student meets the established admission criteria of MCC and is accepted into Drafting and Design Technology A.A.S. degree program.
3. The articulated credit will be placed on student's transcript upon completion of fifteen (15) semester hours of college credit courses.

REVIEW PROCESS:

This articulation agreement will be reviewed every two years unless superceded by a statewide articulation agreement.

Once initially established and appropriate approvals are secured, the Articulation Agreement shall remain in effect until revised or revoked. Sixty (60) days written notice must be given by either party to revoke an Articulation Agreement.
