In consideration of the mutual covenants contained herein, the Owner and Design/Builder agree as follows:

ARTICLE 1
TERM OF AGREEMENT AND RIGHT TO TERMINATE

1.1 Subject to the Owner's right of termination contained in paragraph 1.2, this Contract is valid for a period of two (2) years ***beginning January 22, 2019 and ending January 21, 2021***. This Contract shall terminate and expire at the end of such two-year period. **This Contract, at the Owner's discretion, may be extended for an additional one-year period, by Owner giving written notice to DB of Owner's intent to so extend within at least thirty (30) calendar days prior to the expiration of the two-year period.**

1.2 This Contract may be terminated by the Owner, with or without cause, at any time, by Owner providing the DB with thirty (30) days' notice of such termination in writing. Termination of this Contract by the Owner shall not terminate any contractual agreement Owner and DB may have with respect to a particular subproject or study activity which had previously been assigned to DB unless the notice of termination so provides.

1.3 This Contract represents the entire agreement between the Owner and the DB as to the scope of services contemplated by this Contract and supersedes all prior negotiations, representations or agreements. However, upon the Owner's election to accept the DB's proposal for an assigned subproject, or for a study activity, pursuant to Article 2, Owner and DB will enter into a subsequent contract, which will supersede this contract as to that particular subproject or study activity. If the Owner elects to reject the DB's proposal for any particular subproject or study activity, the Owner may, at its sole discretion, assign the subproject or study activity to another design-build firm who has similarly contracted with the Owner pursuant to a non-exclusive continuing contract, or place the subproject for either competitive bidding pursuant to Florida Statute 287.057 or competitive selection pursuant to Florida Statute 287.055, 1013.45 and School Board Policy 7.71, as may be determined by Owner.

1.4 DB acknowledges and understands that as part of its services under this Contract, it may be required to have access to property owned by the Owner, which property may at various times during its services be occupied by students, teachers, parents and school administrators. Accordingly, in order to secure the property, and otherwise comply with applicable law, the DB agrees to the following provisions and also agrees that the failure to comply with any of these provisions may result in the termination of this Contract;

1.4.1 Unauthorized Aliens. Owner considers the employment of unauthorized aliens by the DB, or any of its subcontractors, a violation of Section 274A of the Immigration and Naturalization Act. If it is determined that an unauthorized alien is working on the property, the DB shall take all steps necessary to remove such unauthorized alien from the property. Owner shall have the right to terminate this Contract if the DB does not comply with this provision.

1.4.2 Possession of Firearms. Possession of firearms will not be tolerated on any subproject or the Owner's property. No person who has a firearm in their vehicle may park their vehicle on the Owner's property. Furthermore, no person may possess or bring a firearm on School District property. If any employee/independent contractor of the DB, or any of its sub-contractors, is found to have brought a firearm on to the Owner's property, said employee/independent contractor shall be removed and terminated from the property by the DB. If a sub-contractor fails to terminate said employee-independent contractor, the DB shall terminate its agreement with the sub-contractor. If the DB fails to terminate said employee/independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee-independent contractor, this Contract may be terminated by the Owner. "Firearm" means any weapon (including a starter gun or antique firearm) which will, is designed to, or may readily be converted to expel a projectile by the action of an explosive; the frame or receiver of any such weapon; any destructive devise, or any machine gun. Powder actuated construction nailers and fasteners are excluded from this definition.

1.4.3 Criminal Acts. Employment for any services by DB, or of its sub-contractors, of any employee, or independent contractor, with any prior convictions of any crimes against children, crimes of violence or crimes of moral turpitude will not be tolerated. If it is determined that any person with such criminal

history is on the Owner's property, the DB agrees to take all steps necessary to remove such person from the property. Owner shall have the right to terminate this Contract if the DB does not comply with this provision.

1.4.4 Sexual Predators/Sexual Offenders. In order to ensure that no sexual predators or sexual offenders are working on the Owner's property, DB shall perform a query of all its employees/independent contractors working on Owner's property, and require all of its sub-contractors to perform a query of their employees/independent contractors working on the Owner's property, against the Florida Department of Law Enforcement Sexual Predator/Offender Registry (www.fdle.state.fl.us). Any person who is on the Sexual Predator/Offender Registry shall not be allowed on the Owner's property, and DB shall immediately remove such person from the property. DB shall, upon request by the Owner, provide evidence that such queries have been done on all personnel working on the Owner's property. Owner shall have the right to terminate this Contract if the DB of any sub-contractor, does not comply with this provision.

1.4.5 Possession/Use/Under the Influence of Mind Altering Substances. Possession/use and/or being under the influence of any legal or illegal mind altering substances, such as, but not limited to alcohol and/or substances delineated in Chapter 893, Florida Statutes, or made illegal under Federal law, by DB's employees/independent contractors or its sub-contractors' employees/independent contractors will not be tolerated on the Owner's property. If any employee/independent contractor is found to have brought and/or used or is under the influence of any legal or illegal mind altering substances as described above on the Owner's property, said employee/independent contractor shall be removed and terminated by the DB. If a sub-contractor fails to terminate said employee/independent contractor, the DB shall terminate its agreement with the sub-contractor. If the DB fails to terminate said employee/independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee/independent contractor, the Contract may be terminated by the Owner.

1.4.6 Background Screening Requirements. DB agrees that before any of its employees, agents or sub-consultants will be permitted on school grounds while students are present, such employees, agents or sub-consultants will be fingerprinted and have their backgrounds checked as provided by Florida law. DB's employees, agents and sub-consultants will coordinate with the Owner to arrange a mutually convenient time for the Owner to conduct the fingerprinting. DB agrees to bear the cost of the fingerprinting/background checks. The Owner has the right to refuse entry onto any school grounds to any individual whose background check does not meet the requirements established by the Owner pursuant to Florida law.

ARTICLE 2 **DESIGN / BUILDER'S SERVICES**

2.1 The DB's services under this Contract are limited to either providing professional services for study activities or for providing proposals for design/preconstruction and construction services for assigned subprojects.

2.1.1. Study Activity Professional Services: The Owner may assign to the DB projects which consist of preparing study, feasibility, and/or estimates for minor or major projects, which may or may not include construction activities. Prior to beginning any such assignment, DB agrees to provide Owner with a detailed proposal for such work and shall not begin such work until Owner approves the proposal and Owner and DB enter into a contract for such work.

2.1.2 Design/Preconstruction and Construction Services for Assigned Subprojects: No later than thirty (30) days after receiving notice of assignment of a particular design/build subproject by the Owner, the

DB shall provide to the Owner a detailed proposal for all design/preconstruction and/or construction work required for the particular subproject.

.1 Within thirty (30) days of the Owner's receipt of the DB's detailed proposal, the Owner will have the option, in its sole discretion, to either reject or accept the DB's proposal. In evaluating the DB's proposal, the Owner may consider all factors and terms of the proposal, and is not limited solely to considering the amount of the proposal.

.2 If the DB's proposal is accepted by the Owner, a contract will be executed relating to the particular subproject and the relationship between Owner and DB as to that particular subproject shall thenceforth be governed by the terms of that contract.

.3 If the DB's proposal is rejected by the Owner within the time period referenced in Article 2.1.2.1, the Owner and DB agree that the DB will be given an opportunity within fourteen (14) days after the Owner's rejection, to meet with the Owner's representative to discuss the basis of the rejection of the proposal and to revise the proposal to obtain the Owner's approval. However, nothing contained in this Contract shall require the Owner to accept any of the DB's proposals. Further, the DB agrees that the Owner has the unrestricted discretion to reject the DB's proposals if, based on the Owner's opinion and judgment, the rejection of the proposals is in the Owner's best interest.

.4 The Owner's failure to specifically notify the DB of the Owner's decision not to accept the DB's proposal shall not be construed as the Owner's implicit acceptance of the proposal. Rather, in order for the DB's proposal to be accepted, the Owner must so specify such acceptance, in writing. The Owner's failure to so notify the DB of the acceptance within said time period shall constitute a rejection of the DB's proposals.

.5 DB agrees, notwithstanding any other provisions to the contrary, that should the Owner reject the DB's proposal, the Owner has the discretion, but not the obligation, to assign the subproject to another design-build firm who has similarly contracted with the Owner pursuant to a non-exclusive continuing contract, or to place out the particular subproject for either competitive bidding pursuant to Florida Statute 287.057 or competitive selection pursuant to Florida Statute 287.055, 1013.45 and School Board Policy 7.71, as may be determined by Owner. Owner agrees that if competitive bidding or selection occurs, nothing in this Contract restricts the DB from bidding on the subproject along with all other qualified bidders.

ARTICLE 3 **OWNER'S RESPONSIBILITIES**

3.1 The Owner shall designate a representative to act on its behalf as to each subproject, or study activity, assigned in accordance with this Contract. This representative, or his/her designee, will monitor the progress of the Work, serve as liaison with the DB, receive and process communications and paperwork, and represent the Owner in the day-to-day conduct of the subproject or study activity. The DB will be notified in writing of the representative and of his/her designee or any changes thereto.

3.2 The Owner shall provide the DB with a proposed budget for each subproject that may be mutually adjusted throughout the subproject.

3.3 Notwithstanding anything herein to the contrary, the Owner shall make all final decisions regarding matters relating to each subproject or study activity.

ARTICLE 4
PAYMENTS TO DESIGN / BUILDER

4.1 Notwithstanding anything herein to the contrary, DB agrees that is shall receive no payment, compensation, or reimbursement for preparing, submitting or seeking Owner approval for any proposal required under the terms of this Contract. DB further agrees that its right to payment, if any, for design/build services for any particular subproject, or for any professional services provided for a study activity, shall be governed by the specific contract for that subproject or study activity and that this Contract shall provide no basis or right to such payment.

4.2 Notwithstanding the second sentence of paragraph 4.1 above, DB agrees that for any individual contracts which may be entered into for Owner assigned individual subprojects, but not for any study activity, its percentage Design/Builder Fee for design/build services projects shall be controlled and determined by the following schedule which shall be dependent on the Cost of Work for each individual subproject:

<u>Cost of Work</u>	<u>D/B Fee</u>
\$0 - \$75,000	14 %
\$75,001 - \$200,000	12 %
\$200,001 - \$500,000	11 %
