Grant Purpose	Capitalizing on the energy and expertise of our nine member Specials team, and our more than 830 students' enthusiasm for our Specials classes, the Learning through Play: Special of the Day initiative is expected to provide

	our staff, students and their families with research-based strategies and tools to integrate the arts, science, technology, physical and character education with core academic curriculum to enhance students' achievement in all areas.
Grant Activities	The grant would equip our Specials team with materials and equipment to be used in a wide variety of cross-curricular learning opportunities for all students K-5, including those with special needs. Our Specials classes include physical education, art, music, theatre, technology, character education and science. Each student participates in these classes during a 9-day rotation, for 55 minutes each day. The materials purchased through this grant would be used collaboratively between all team mem
