Grant Purpose	This project will provide various sensory tools and resources to a variety of different learners throughout our school's autistic classrooms. Our school is a cluster site for autistic students.
Grant Activities	1) Activities and cooperative activities will be facilitated to generate ideas and self awareness. Students will eventually determine their specific needs and problem solve to determine the strategy needed for them to meet their need. 2) Students/teachers will use a daily journal to write/dictate reflections (or an adult

	will write for them) of sensory needs and activities used. Scenario cards will be used for students to determine what activity is appropriate for described sensory processin
