Grant Purpose	This Grant will all us to launch 'Breakfast in the Classroom' at 14 Schools in our district. Those schools are: Englewood, Lakeview, EE Booker, Alta Vista, Tuttle, Gocio, Genallan, Wilkinson, Brentwood, Lamarque, Cranberry & Fruitville Elem as well as Booker and Brookside Middle Schools.
Grant Activities	Our goal is to increase participation in breakfast consumption and increase student preparedness for the school day. With the grant funds we will purchase up to 4 breakfast stations for each of the 14 schools, which will provide the ability to transport and keep food at the right temperature. As students enter school, their breakfast will be readily available for them to grab and take with them to their class.
Grant Budget Items	The breakfast stations purchased with the funds will each have a breakfast cart, cooler, two insulated bags, and a tablet for POS data. Grant funds will also be used for expenses and to properly market the new program to ensure its establishment and continued success.
After Grant Plans	Once Breakfast in the Classroom has been established, we envision it to be successfully continued as a program for many years. This grant will provide the equipment that we need to introduce and launch the program. We will continue to market and support the program after the grant period ends.
