MATERIALS MANAGEMENT DEPARTMENT

101 OLD VENICE ROAD

OSPREY, FLORIDA 34229

TELEPHONE (941) 486-2183 • FAX (941) 486-2188

MEMORANDUM

**TO: Members of the School Board
Lori White, Superintendent
Mitsi Corcoran, Chief Financial Officer**

FROM: Pat Black, CPPB, Director of Materials Management

**TITLE: APPROVAL TO AWARD BID #12-0102 FOR EDUCATION CHANNEL
EQUIPMENT AND INTEGRATION**

Bids to provide 'Education Channel Equipment and Integration' were received from three vendors on September 15, 2011. The bid of Pro Sound, Inc., dba Pro Sound and Video was the best low bid meeting the advertised specifications. The bid of Encore Broadcast was non-responsive to the requirement of providing a bid bond per the bid specifications. The Systems Group, LLC, was non-responsive as they qualified the bid terms and conditions. Reasons for not selecting the apparent low bid are included with the bid tabulation. The funds for this purchase are contained in the capital budget allocated for the project.

Requested by:
Gary Leatherman

"Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to post the protest bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes."

Posting Date: 12-20-11

Fiscal Impact: Not to exceed
\$967,181

Funding: Capital

Recommended Motion: That the bid of Pro Sound, Inc., dba Pro Sound and Video to provide 'Education Channel Equipment and Integration' in the amount of \$967,181, be approved for award and purchase.

Ed Channel Equipment and Integration - Bid #12-0102

Opened: September 15, 2011 - 2:00 PM

BIDDER		
Encore Broadcast	Vendor was non-responsive to the requirement of supplying a Bid Bond with bid as per bid specifications.	
	Vendor's Response	SBSC's Specification
	See all Vendor's terms and conditions as noted below and on the following pages.	Page 6 - Terms and Conditions - No additional terms and conditions included with the bid response shall be evaluated or considered. All such additional terms and conditions shall have no force and effect and are inapplicable to this bid. If submitted either purposely through intent, design or inadvertently appearing separately in transmitted letters, specifications, literature, price estimates or warranties, it is understood and agreed that the general and special conditions in this bid solicitation are the only conditions applicable to this bid and the bidder's authorized signature affixed to the bidder certification page attests to this.
The Systems Group, LLC	Section 2.3.3 - The SBSC's project managers will provide written acceptance for all shipments upon receipt and review of all items in that shipment.	Page 15 - Bid Specifications - Equipment Delivery and Storage - It shall be the responsibility of the Contractor to make appropriate arrangements, and to coordinate for the proper acceptance, handling, protections, and storage of equipment so delivered. The SBSC will not accept deliveries on behalf of the Contractor as per bid specifications.
	Section 2.3.4.1 - Telephones - Two working telephone lines are to be made available to TGS crews throughout the course of the project.	Page 12 - Bid Specifications - Scope of Work - The Contractor shall provide all the labor, supervision, equipment, additional supplemental and sundry materials, tools, travel, fuel, and training, necessary for this fully functional upgrade and integration of new and existing equipment.
	Section 2.3.4.1 - Rubbish Removal - General Contractor shall remove rubbish on a daily basis.	Page 14-15 - Bid Specifications - Periodic and Final Cleanup - The Contractor shall provide an on-site container for the collection of debris and rubbish and disposal of waste off the SBSC's property.
	Section 2.3.4.1 - Dust Conditions - The rooms shall be sustainably dust free. Necessary cleaning materials shall be available at all times for a dust-free environment.	Page 12 - Bid Specifications - Scope of Work - The Contractor shall provide all the labor, supervision, equipment, additional supplemental and sundry materials, tools, travel, fuel, and training, necessary for this fully functional upgrade and integration of new and existing equipment.
	Section 2.3.4.1 - Requires the rooms shall have inherent or adjoining space where The Systems Group crews can store tools and materials.	Page 14 - Bid Specifications - Responsibility of the Contractor - The Contractor shall be responsible to safeguard all their tools, equipment, etc., while operating on any SBSC properties.

Opened: September 15, 2011 - 2:00 PM

BIDDER	Vendor's Response	SBSC's Specification
The Systems Group, LLC	Section 2.3.6 - TSG installation technicians and engineers, supported by the Vendor's technical teams and assisted by the SBSC's engineering staff, will comprise the Operations Test Team (OTT).	Page 12 - Bid Specifications - Scope of Work - The Contractor shall provide all the labor, supervision, equipment, additional supplemental and sundry materials, tools, travel, fuel, and training, necessary for this fully functional upgrade and integration of new and existing equipment.
	Section 2.3.6 - It is expected that the SBSC provides full time support during this phase to thoroughly acquaint the various technical staff members.	
	Section 2.3.6 - Specific equipment operational training can be provided by the manufacturer at an additional cost.	Page 12 - Bid Specifications - Scope of Work - The Contractor shall provide all the labor, supervision, equipment, additional supplemental and sundry materials, tools, travel, fuel, and training, necessary for this fully functional upgrade and integration of new and existing equipment.
		Page 16 - Bid Specifications - Equipment Pricing - The Contractor's bid pricing shall include the following: engineering; including all required engineering, CAD drawings, run sheets, instruction manuals, training, etc.
Section 2.3.6.1 - We understand the SBSC will supply engineering personnel dedicated and responsible for working side by side with TSG staff during the installation and test phases.	Page 16 - Bid Specifications - Owner Training - The Contractor shall provide on-the-job training by a suitably qualified instructor, to personnel designed by the SBSC, in the operation and maintenance of the system. All training shall take place after the system is operational. Training shall consist of at least eight (8) hours of training for up to six (6) personnel. The final training program and schedule will be arranged after consultation with the authorized representative of the SBSC.	
	Page 12 - Bid Specifications - Scope of Work - The Contractor shall provide all the labor, supervision, equipment, additional supplemental and sundry materials, tools, travel, fuel, and training, necessary for this fully functional upgrade and integration of new and existing equipment.	
		Page 16 - Bid Specifications - Equipment Pricing - The Contractor's bid pricing shall include the following: engineering; including all required engineering, CAD drawings, run sheets, instruction manuals, training, etc.

Opened: September 15, 2011 - 2:00 PM

BIDDER	Vendor's Response	SBSC's Specification
The Systems Group, LLC	Section 2.3.6.1 - OTT will provide designated SBSC personnel with systems training. (As mentioned in Section 2.3.6.1 - the OTT includes the SBSC engineering staff).	<p>Page 12 - Bid Specifications - Scope of Work - The Contractor shall provide all the labor, supervision, equipment, additional supplemental and sundry materials, tools, travel, fuel, and training, necessary for this fully functional upgrade and integration of new and existing equipment.</p> <p>Page 16 - Bid Specifications - Equipment Pricing - The Contractor's bid pricing shall include the following: engineering; including all required engineering, CAD drawings, run sheets, instruction manuals, training, etc.</p>
	Section 2.3.10 - The SCSB shall have a period of fifteen calendar days from the date of receipt of such notice in which to inspect the system. If any non-conformances with the contract specifications are noted as a result of such inspection, they shall be posted to AXIS in the form of a written "punch list" and TSG shall correct such such deficiencies within a reasonable time. Failure to advise TSG of any deficiencies in writing shall constitute a waiver of this provision.	Page 16 - Bid Specifications - Acceptance - Final acceptance and authorization for payment shall be given by the SBSC only after a through inspection indicates that the equipment meets bid specifications and conditions.
	Section 2.4.1.6 - Technical Facilities Relocation Plan - The transportation of all items of equipment to the new location. An experienced electronic air-ride moving company should be utilized.	<p>This statement is unclear as to which party will incur the cost for the moving company.</p> <p>Page 12 - Bid Specifications - Scope of Work - The project for the Integrator involves removing and relocating legacy equipment outlined on the bid form from the old location and reinstalling in the first set of equipment racks.</p> <p>Page 12 - Bid Specifications - Scope of Work - The Contractor shall provide all the labor, supervision, equipment, additional supplemental and sundry materials, tools, travel, fuel, and training, necessary for this fully functional upgrade and integration of new and existing equipment.</p>
	Section 2.4.3 - Existing Equipment Delivery - All of the customer-supplied equipment can be staged on the studio floor for reinstallation.	<p>Unclear as to who will be doing the delivery and staging of equipment.</p> <p>Page 15 - Bid Specifications - Equipment Delivery and Storage - It shall be the responsibility of the Contractor to make appropriate arrangements, and coordinate for the proper acceptance, handling, protections, and storage of equipment so delivered.</p>

Ed Channel Equipment and Integration - Bid #12-0102

Opened: September 15, 2011 - 2:00 PM

BIDDER	Vendor's Response	SBSC's Specification
The Systems Group, LLC	Section 2.4.7 - The accomplishment of the move plan will be organized as to utilize the combined personnel resources of the SBSC and TSG as well as an outside electronic moving subcontractor.	Unclear as to whether the Vendor's price includes the moving subcontractor.
	Section 2.4.7 - Based upon overall final move plans, it is possible and very likely desirable that some level of "outside technical assistance" labor will be utilized. This more than likely will include equipment vendor field engineers and specialized freelance maintenance and operational personnel.	Unclear as to whether the Vendor's price includes outside technical assistance labor.
	Section 2.6.2 - Plenum and CL2 rated cable will be utilized only if deemed necessary for a given environment and will typically impact project costs.	Page 12 - Bid Specifications - Scope of Work - The Contractor shall provide all the labor, supervision, equipment, additional supplemental and sundry materials, tools, travel, fuel, and training, necessary for this fully functional upgrade and integration of new and existing equipment.
	Section 2.6.7 - TSG is not responsible for any technical power and grounding system failures.	Page 4 - Addendum 2 - Contractor's design and equipment should integrate into the current configuration, which includes electrical infrastructure.
	The engineering drawings and documentation necessary for installation of the power system should be provided by the electrical contractor or electrical engineering firm on the project.	
	The SBSC is responsible for the power and grounding system.	
We expect that all power and ground wiring is to be provided by the SBSC electrical contractor.		
Section 3.1.4 - We understand that the SBSC is responsible for the security and storage of equipment and materials once delivered to the installation site.	Page 15 - Bid Specifications - Equipment Delivery and Storage - It shall be the responsibility of the Contractor to make appropriate arrangements, and coordinate for the proper acceptance, handling, protections, and storage of equipment so delivered.

BIDDER	Vendor's Response	SBSC's Specification
The Systems Group, LLC	Section 5.1 - Terms of Shipment - Unless otherwise agreed in writing (i) all shipments shall be F.O.B. TSG's warehouse in Hoboken, New Jersey (the "Shipping Point") and (ii) Customer shall pay all shipping charges and all related freight and transit insurance costs.	Page 7 - Delivery a. - All deliveries will be F.O.B. Destination freight prepaid (freight fully paid by Contractor) to indicated destinations (schools or departments) within Sarasota County, Florida.
		Page 11 - Bid Specifications - Bid pricing shall remain firm for the period and shall include all freight and handling charges.
		Page 15 - Bid Specifications - Equipment Delivery and Storage - Costs of all shipping to the site, offloading of all equipment, and of all unusual storage requirements, shall be borne by the Contractor.
		Page 15 - Bid Specifications - Equipment Pricing - Unit prices will be usable for additions or deletions to the Contract. Prices shall be priced FOB: Destination Freight Prepaid. Freight paid by Contractor.
		Page 16 - Bid Specifications - Equipment Pricing - General and Administrative: including all shipping/receiving, insurance, bonds, and guarantees, (if required), etc.
	Section 5.5 - Damage to Equipment - Customer is responsible for the security and storage of the equipment and materials at the Site.	Page 15 - Bid Specifications - Equipment Delivery and Storage - It shall be the responsibility of the Contractor to make appropriate arrangements, and to coordinate for the proper acceptance, handling, protections, and storage of equipment so delivered. The SBSC will not accept deliveries on behalf of the Contractor as per bid specifications.
	Section 5.5 - Damage to Equipment - TSG's work does not include the refurbishing, repair and/or recalibration of existing equipment that may be reutilized by Customer.	Page 1 - Addendum 1 - The awarded vendor will be responsible for the upgrade to the EBS On-Air Apella Server Upgrade, to include uninstalling, packing, shipping, receiving, and reinstalling to the new location.
		Page 12- Bid Specifications - Scope of Work - Some items will be returned to the manufacturer for an upgrade, in short turnaround is the responsibility of the Contractor including the upgrade to the EBS on-air Apella server.
Section 7.1 - Permits - Customer shall at its own cost and expense obtain all consents, licenses, permits, approvals, authorizations and inspections from federal, state and local government authorities, agencies or officials required for the prosecution and completion of the Work and the delivery of the System.	Page 2 - Addendum 2 - The Contractor will be responsible to pull permits for this work. Signed and sealed drawings will be required for permitting and these, along with a permit application will be submitted to attention: Mr. Mike Foley, Building Code Official for the School Board of Sarasota County.

Opened: September 15, 2011 - 2:00 PM

BIDDER	Vendor's Response	SBSC's Specification
The Systems Group, LLC	Section 8.2 - Risk of Loss - Risk of loss of each item of Equipment shall pass to Customer upon delivery to the Site. Insurance will be provided by TSG on the value of the Equipment at all times until it is delivered to the site.	Page 7 (b) - Inspection, Identification and Acceptance - The Contractor shall file with the carrier all claims for breakage, imperfections and other losses.
	Section 9.2 - Site Cleanliness - TSG will place all trash and debris in locations or containers provided by Customer. Customer shall dispose of such containers and/or debris at its cost.	Page 17 - Bid Specifications - Insurance - Prior to commencing work, the Contractor/Subcontractor shall acquire and maintain insurance as outlined on page 9 INSURANCE REQUIREMENTS. Insurance certificates regarding liability coverages, as required by the contract documents, shall name the SBSC as additional insured. Failure to provide valid insurance documentation may result in removal from the vendor list and/or removal of Contractor from the bid.
	Section 10 (b) - Changes - If any item of equipment is not available to TSG notwithstanding commercially reasonable efforts to acquire such item of Equipment, then: (i) TSG may provide an alternate item of Equipment that provides the same functionality to the System: and (ii) the Price shall be equitably adjusted to reflect additional cost incurred by TSG in procuring such alternative item of Equipment, plus 10%.	Pages 14 - 15 - Bid Specifications - Periodic and Final Cleanup - The Contractor shall provide an on-site container for the collection of debris and rubbish and disposal of waste off the SBSC's property.
		Page 11 - Bid Specifications - Bid pricing shall remain firm for the period and shall include all freight and handling charges.
		Page 16 - Bid Specifications - Should the Contractor install materials that are not specified, the Contractor, on SBSCs request, will remove and install specified materials at no additional cost to the SBSC.
		Page 16 - Bid Specifications - Unapproved substitutes will not be allowed. In the event an item is discontinued by the manufacturer then the Contractor must provide an acceptable substitute at the originally awarded price of the item being substituted.

BIDDER	Vendor's Response	SBSC's Specification
The Systems Group, LLC	Section 13.1 - Training - If requested by Customer, TSG shall provide post-acceptance service and/or training. Unless otherwise provided in the Scope of Work, all such services will be provided by TSG's then current rates and in accordance with TSG's then current terms and conditions for such training.	<p>Page 12 - Bid Specifications - Scope of Work - The Contractor shall provide all the labor, supervision, equipment, additional supplemental and sundry materials, tools, travel, fuel, and training, necessary for this fully functional upgrade and integration of new and existing equipment.</p> <p>Page 16 - Bid Specifications - Equipment Pricing - The Contractor's bid pricing shall include the following: engineering; including all required engineering, CAD drawings, run sheets, instruction manuals, training, etc.</p> <p>Page 16 - Bid Specifications - Owner Training - The Contractor shall provide on-the-job training by a suitably qualified instructor, to personnel designed by the SBSC, in the operation and maintenance of the system. All training shall take place after the system is operational. Training shall consist of at least eight (8) hours of training for up to six (6) personnel. The final training program and schedule will be arranged after consultation with the authorized representative of the SBSC.</p>
	Section 14.2 - Warranties - Exclusion of Certain Equipment - Equipment or parts not manufactured by TSG and incorporated into a System without modification as a functional component or assembly are warranted only by and to the same extent, and subject to the same limitations, as each such manufacturer warrants such equipment or parts to its direct Customers. TSG does not separately warranty such Equipment.	Page 15 - Bid Specifications - Warranty - The Contractor shall provide labor and material warranty on the entire system for one year from date of acceptance by the SBSC and provide all equipment, material, and labor at no charge to the SBSC during the warranty period in the event of system or equipment malfunctions.
	Section 14.5 (c) - Other Exclusions (to Warranty) - After ninety (90) days, integrated circuits, transistors, diodes, fuses, lamps, and batteries.	Page 15 - Bid Specifications - Warranty - The Contractor shall provide labor and material warranty on the entire system for one year from date of acceptance by the SBSC and provide all equipment, material, and labor at no charge to the SBSC during the warranty period in the event of system or equipment malfunctions.
	Section 14.5 (c) - Other Exclusions (to Warranty) - Video heads and discs which are subject to a different and separate warranty.

Ed Channel Equipment and Integration - Bid #12-0102

Opened: September 15, 2011 - 2:00 PM

BIDDER	Vendor's Response	SBSC's Specification
The Systems Group, LLC	<p>Section 21.3 - Insolvency - In the event that either party shall cease conducting business in the normal course, become insolvent, make a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for its business or assets or shall avail itself of, or become subject to, any proceeding under the Federal Bankruptcy Act or any other statute of any state relating to insolvency or the protection of rights of creditors, then (at the option of the other party) this Contract shall terminate and be of no further force and effect.</p>	<p>Page 2 - Addendum 2 - Performance and Payment Bond - Within ten (10) working days from notice of award of the bid, the Contractor shall provide a Performance and Payment Bond in the amount of 100% of the total value of the awarded contract. Bond coverage must automatically expand to include the value of all change orders which may be incorporated during the course of the project.</p>
	<p>Section 21.4 - Remedies - In the event that (i) Customer fails to make any payment(s) when due, (ii) Customer's financial condition, in the opinion of TSG, so warrants, or (ii) Customer otherwise defaults hereunder, TSG may, in its sole discretion, alter the terms of payment hereunder including requiring full or partial payment prior to shipment, delay shipment, or pursue any remedies available under law (including, but not limited to, the rights and remedies of a secured creditor pursuant to the Uniform Commercial Code), equity or this Contract, Customer shall reimburse TSG for all of TSG's expenses including, but not limited to, reasonable attorney's fees and collection agency fees, resulting from TSG pursuing its rights and remedies hereunder.</p>	<p>Page 6 - Terms and Conditions - No additional terms and conditions included with the bid response shall be evaluated or considered. All such additional terms and conditions shall have no force and effect and are inapplicable to this bid.</p>
	<p>Section 22.2 - Liquidated Damages - The harm suffered by TSG arising out of breach by Customer of this restriction is difficult to measure, the parties agree that in the event of such a breach, Customer shall pay to TSG, as liquidated damages, an amount equal to the gross amount of the employee's last paycheck from TSG multiplied by 26. The parties agree that this amount constitutes a reasonable estimate of the loss suffered by TSG and is not a penalty.</p>	<p>Page 17 - Bid Specifications - Payment - Payment will be tendered only for services or the portion of services completed, providing the services performed are satisfactory to the SBSC. No later than thirty (30) days after receipt and approval of invoice, the SBSC shall remit payment to the Contractor.</p>
		<p>Page 6 - Terms and Conditions - No additional terms and conditions included with the bid response shall be evaluated or considered. All such additional terms and conditions shall have no force and effect and are inapplicable to this bid.</p>

BIDDER	Vendor's Response	SBSC's Specification
The Systems Group, LLC	<p>Section 23.3 (a) - Arbitration - The arbitration shall be held in Hoboken, New Jersey before a panel of three arbitrators. Either Customer or TSG may, by notice to the other party, demand arbitration, by serving on the other party a statement of the dispute, controversy, or claim, and the facts relating or giving rise thereto, in reasonable detail.</p>	<p>Page 7 - Venue - The laws of the State of Florida shall govern this contract. Venue shall be in Sarasota County, Florida and the sole and exclusive jurisdiction to resolve any disputes arising under the contract shall be in the county or circuit court for the Twelfth Judicial Circuit in and for Sarasota County, Florida.</p>
	<p>Section 25.8 - Entire Contract - This Contract represents the entire integrated Contract between the parties. It supersedes, terminates, and otherwise voids any and all prior written and/or oral agreements between the parties with respect to the System. This Contract incorporates the parties' entire understanding and there are no warranties, representations, or understandings of any kind, nature, or description whatsoever made by either party to the other, except such as are expressly set forth herein. This Contract may be modified only by a written instrument signed by both parties, making specific reference to this Contract and to the charges to be made.</p>	<p>Page 4 - Bid and Purchase Order Agreement - This bid and the purchase orders issued hereunder constitute the entire agreement between the School Board and the Contractor awarded the bid. No modification of this bid shall be binding on the School Board or the bidders unless mutually agreed upon in writing by the parties.</p>
	<p>Section 25.9 - Governing Law - This contract is governed by the laws of the State of New Jersey without regard to conflicts of law principals.</p>	<p>Page 6 - Terms and Conditions - No additional terms and conditions included with the bid response shall be evaluated or considered. All such additional terms and conditions shall have no force and effect and are inapplicable to this bid.</p>
