Grant Purpose	The overall purpose of the Amigo One-String Guitar Project grant is to enrich the lives of our fourth graders by allowing them to build and play a musical instrument. Students will be reading across the content areas as they learn about Florida songwriters and the impact they had on our state. Also, students will learn about the science of sound.
Grant Activities	The grant funds will be used to build 126 one-string guitars. In addition, Mr. Fieberts, the visiting artist will lead 5 sessions with each class as well as three combined rehearsals and a dress rehearsal. The culminating activity will be a performance for family and friends. If this grant is awarded, Mr. Fieberts will arrange the Florida state song for the students to perform.
Grant Budget Items	The grant funds will be used for the materials needed to construct 126 one-string guitars. Also, five, one-hour sessions with each of the five classes. The teaching artist will also provide leadership of the combined rehearsals, the dress rehearsal and the final performance. Mr. Fieberts will also be paid to arrange the music for the Florida state song so it can be performed by the students.
