Dear Mr. Lempe:

While working with other carriers to limit the proliferation of telecommunication towers throughout our communities, New Cingular Wireless PCS, LLC, successor to BellSouth Mobility, Inc. is proposing to assign that certain Option and Lease Agreement between the Sarasota County Board of Education (as Landlord) and BellSouth Mobility, Inc. (as Tenant) dated December 8, 1998 to Alltel Communications. In conjunction with a sublease of tower space, for which consent has been requested, this will allow Alltel to make use of AT&T's cellular tower in the adjoining compound. The Option and Lease Agreement provides in section 13, "...Otherwise, this Agreement may not be sold, assigned or transferred without the written consent of Lessor, such consent not to be unreasonably withheld." Approval for AT&T's assignment to Alltel will be represented by the execution of this document where referenced below.

Upon your approval of the assignment to Alltel, please execute these two documents, and forward one original to me for AT&T's records. I have enclosed a self-addressed, stamped envelope for your convenience. If you have any questions, please do not hesitate to contact me at 916-868-6751 or tbowman@lyleco.com.

Sincerely,

Todd Bowman
