RE: *Deletion List*

Listed on the attached pages are items of furniture, equipment, and vehicles that are unaccounted for, traded in, irreparable, otherwise inoperative or obsolete. Upon Board approval, these items will be deleted from the active property records and disposed of in accordance with Chapter 274 of the Florida Statutes and any applicable Federal regulations. The following information is listed for each item:

Asset Number – This is the property record number and the inventory number assigned to the item by the Fixed Asset Accounting Office.

Description - This is a brief description of the item.

In-Service Date - This column indicates the year the item was acquired.

Acquisition Cost - Chapter 274 of the Florida Statutes does not provide for any depreciation in the value of equipment. Therefore, all values shown are historical or estimated costs.

Retirement Reason - This column gives a brief reason why the item is classifiable as property to be deleted. This description is taken from the "Deletion of Property Report" form that is completed by the cost center head of the school or department to which the item is assigned.

Additional non-tagged items with an original acquisition value below \$750 will be recycled, sold at auction, or otherwise disposed of.
