

**Agreement Between The  
School Board of Sarasota County, Florida  
And  
The Student Leadership Academy of Venice, Inc.  
For Transportation Services**

This Agreement is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2009, effective July 1, 2009, by and between The School Board of Sarasota County, Florida, a body corporate existing under the laws of the State of Florida (the "School Board") and The Student Leadership Academy of Venice, Inc. ("Leadership Academy"), a charter school in Sarasota County, Florida, pursuant to Section 1002.33, Florida Statutes.

WITNESSETH:

WHEREAS, the Leadership Academy is operating a charter school within Sarasota County; and

WHEREAS, the Leadership Academy is desirous of receiving the School Board's services in transporting students to and from its school and maintaining its vehicles; and

WHEREAS, the School Board's Transportation Department has the capability to provide the services requested.

NOW, THEREFORE, in consideration of the foregoing and the covenants contained herein, the parties agree as follows:

1. **Services.** The School Board hereby agrees to provide daily transportation services for students attending the Leadership Academy for the 2009-2010 school year on mutually agreed bus routes. This Agreement is not intended to prevent the Leadership Academy from also independently providing daily transportation services for some or all of its students.

2. **Routes.** All bus stops and bus routes will be mutually agreed upon prior to the start of the school year. Additional stops will be not be added until approved by the Leadership Academy and reviewed for safety and approved by the School Board's Transportation Department. Route changes, if approved, will require 7 calendar days from the date of request to the date of implementation. Special needs transportation requests must be made a minimum of 14 days prior to the requested date of implementation.

3. **Costs.** The cost for each route will be determined by mileage and driver cost(s). If the entire route(s) is dedicated to Leadership Academy route(s) only, Leadership Academy agrees to pay the School Board \$23.25 per hour, per driver and \$20.25 per hour per attendant (if required), and \$2.60 per route mile (cost of mileage may change to reflect fuel increase) for transportation services. If Leadership Academy students share the route(s) with other schools, the charge will be \$838.00 per student, per school year for transportation services. If a bus cannot be used for three (3) time slots, it impacts the Average Bus Occupancy (ABO) which negatively impacts the dollar amount the School Board receives per student, and the above charges will be increased by ten percent (10%) to compensate for loss of FTE funding. The

School Board will deduct this amount from the monthly disbursement made by the School Board to Leadership Academy as shown on monthly earnings report.

4. **FTE.** The School Board will collect all generated FTE for Leadership Academy students who ride during survey weeks. All generated FTE will be credited to the Leadership Academy's monthly earning report.

5. **Communication.** It will be the responsibility of the Leadership Academy to designate a transportation liaison. Parents of Leadership Academy students requesting a change in service or transportation information will communicate with the Leadership Academy rather than contacting the School Board. Any parent inquiries or concerns regarding transportation services received by the School Board will be forwarded to the Leadership Academy. The Leadership Academy's liaison will also be responsible for communicating all requests for service, discipline concerns, and other transportation requests or concerns to the School Board's Transportation Department. The School Board will appoint a route supervisor to serve as a liaison with the Leadership Academy and to monitor all drivers, routes and students during the school year.

6. **Field Trips.** In addition to daily transportation services, the Leadership Academy may submit requests for field trip buses. Buses are available for field trips from 9:30am to 1:00pm. All field trip buses will be billed directly by the School Board to the Leadership Academy on a monthly basis with payment due within fifteen days of billing. The costs for field trips will be \$2.60 per mile plus \$23.25 per hour, per driver, minimum three (3) hours. Requests for field trip services must be made at least 2 weeks in advance of the event.

7. **Conduct.** The Leadership Academy will adopt the School Board's STUDENT CODE OF CONDUCT for the purpose of addressing school bus disciplinary problems. The School Board reserves the right to refuse transportation to any student whose behavior it deems unacceptable.

8. **School Year.** The Leadership Academy agrees that opening and closing dates of the school year and school holidays will coincide with other Sarasota County schools.

9. **Opening/Closing Times.** The Leadership Academy agrees that opening and closing times will be established by the School Board to provide maximum utilization of school buses.

10. **List of Student Riders.** The Leadership Academy will send specific lists of students to be transported, with names and addresses, to the School Board's transportation routing department by June 10, 2009.

**11. Leadership Academy Vehicles Used for Transportation of Students.**

a. Leadership Academy agrees that if it uses vehicles other than those owned by the School Board to transport students to and from school or for any school sponsored activity, those vehicles will meet all federal and state standards for school buses. These requirements apply

regardless of whether the vehicle is owned, operated, rented, leased, or contracted by Leadership Academy. The parties recognize that full size vans do not meet these standards.

b. All vehicles owned by Leadership Academy and used for the transportation of students must be inspected every 28 days by School Board transportation personnel according to state standards prescribed in the Florida Bus Safety Inspection Manual. Transportation personnel will provide a schedule of the inspection dates for the vehicles.

- Must perform emergency evacuations within first six (6) weeks of each semester

d. Prior to the start of school, Leadership Academy must have on file in the School Board Transportation Department the following: (a) a list of vehicles owned by the school and used for student transportation, (b) proof of insurance for all vehicles as required by F.S. 1006.24, (c) copies of valid State of Florida vehicle registration(s) for all vehicles, and (d) a list of drivers employed by Leadership Academy for student transportation.

12. **Miscellaneous Charges.** The School Board will bill Leadership Academy for the following services at the rates listed below:

13. **Term of Agreement.** The term of this Agreement is from July 1, 2009 through June 30, 2010.

14. **Termination.** This Agreement may be terminated without cause by either party, without cause, upon thirty (30) days written notice.

15. **Indemnification.** The Leadership Academy agrees to indemnify the School Board and hold it harmless from any liability arising out of accidents, injuries or any other matters and claims relating to transportation services provided under this Agreement. This provision shall survive termination of this Agreement and shall be binding on the parties, successors, representatives and assigns and cannot be waived or varied. Nothing herein is intended to act as a waiver of the sovereign immunity and the School Board's limits of liability established by Florida law.
