General Terms and Conditions: This Quote is an offer that is valid for sixty (60) days from the date set forth above. Customer will be deemed to accept this offer when Customer sends a Purchase Order (which specifically references this Quote) and SAFARI Montage accepts the Purchase Order. Since this Quote is an offer, SAFARI Montage will have no obligation to fill the Quote unless and until SAFARI Montage accepts the corresponding Purchase Order. SAFARI Montage shall have the right to substitute hardware, software, and/or content, if any, provided in this Quote. The terms controlling this Quote, and the provision of all services and products hereunder, are explicitly set forth in the applicable software license(s), digital content license, terms and conditions, and warranties supplied by SAFARI Montage. The terms can also be found at www.SAFARIMontage.com. SAFARI Montage rejects any and all conflicting, additional or modifying terms in any Purchase Order or other Customer document. Delivery terms are set forth in the terms and conditions, reflecting, among other things, that additional charges may apply to rush orders. Credit cards are not accepted. Payment must be made by check, ACH or wire transfer. Some of SAFARI Montage's products are available on a subscription, per site or other similar basis which may require additional licenses or renewal from time to time. Renewal subscriptions or additional licenses will be subject to the terms and conditions in effect at the time of purchase.

Product Specific Terms and Conditions: If the Quote contains a Software Upgrade Plan and/or an Extended Hardware Warranty, such plan will complement the SAFARI Montage standard limited warranty and will cover only the products identified in such plan. If the Quote contains the SAFARI Montage Live! product, note that it is available only in a server version. The Customer may not operate as an Application Service Provider. Therefore, no purchaser or user may purchase a single license to the product and create a communications service that allows multiple users to access and use the service for a fee. If the Quote contains products that are manufactured and branded by third parties, then such products are subject to the third party's warranties that accompany those products. The Customer must contact the third party directly for warranty or related service.
