**Salary Schedule Intent**

This salary schedule is for use in the employment of currently appointed instructional personnel and for substitutes. The Fair Labor Standards Act applies to individuals paid on this salary schedule. Substitutes are to be used for authorized purposes only.

Temporary personnel must have on file a completed application, physical, fingerprints, and three references. All rates of pay based upon an index to the applicable appointed personnel salary schedule to ensure temporary / substitute personnel are not paid more than appointed personnel.

Appointed classified employees are to be reported for overtime rather than placed on this salary schedule when their duties are the same as their appointed position.
